1. GENERAL INFORMATION

This Explanatory Memorandum has been prepared for the Shareholders in connection with the General Meeting of the Company.

The purpose of this Explanatory Memorandum is to provide Shareholders with information that the Board believes to be material to Shareholders in deciding whether or not to approve the Resolutions detailed in the Notice of Meeting.

2. RESOLUTION 1: RATIFICATION OF PRIOR ISSUES – 160,000,000 SHARES AND 80,000,000 OPTIONS

2.1 General

On 14 May 2020 and in connection with the Company's acquisition of the Guinea Gold Project, the Company announced to ASX the placement of 160,000,000 Shares and 80,000,000 Options to raise \$800,000 (before costs) ("the Placement").

The 160,000,000 Shares were issued at an issue price of \$0.005 each, together with an attaching Option for every two Shares subscribed for under the Placement. Each attaching Option has an exercise price of \$0.01 each and an expiry date of 15 May 2022. The 160,000,000 Shares and 80,000,000 Options were issued on 15 May 2020 pursuant to the Company's available placement capacity under ASX Listing Rule 7.1.

Resolution 1 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 160,000,000 Shares and 80,000,000 Options.

2.2 ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period without the prior approval of its shareholders.

ASX Listing Rule 7.4 provides that an issue of securities made without the prior approval of shareholders for the purposes of ASX Listing Rule 7.1 will be treated as having been made with such approval if the company in general meeting ratifies the previous issue of securities (provided that the previous issue did not breach ASX Listing Rule 7.1).

By ratifying the issue of the 160,000,000 Shares and 80,000,000 Options, the Company will retain greater flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. If the ratification of the issue of the 160,000,000 Shares and 80,000,000 Options the subject of Resolution 1 is not approved by the Shareholders, the Company's ability to issue equity securities without obtaining the prior approval of shareholders under Listing Rule 7.1 will be limited.

2.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the 160,000,000 Shares and 80,000,000 Options the subject of Resolution 1:

- a) 160,000,000 Shares and 80,000,000 Options were issued on 15 May 2020.
- b) The issue price was \$0.005 per Share. The Options were issued for no additional consideration, with each Option having an exercise price of \$0.01 each and expiring on 15 May 2022.

- c) The Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares. The full terms and conditions of the Options are set out in Annexure A to this Notice.
- d) The Shares were issued to new and existing professional and sophisticated investors. The subscribers were determined by the Board. The subscribers were not related parties of the Company at the time of the issue of the Shares. The Options were issued on the basis of one Option for every two Shares subscribed for under the Placement.
- e) Funds raised from the issue of the Shares will be used for initial exploration programs on the Guinea Gold Project, to provide working capital for Volt's Tanzanian graphite project and to meet corporate costs.

2.4 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

3. RESOLUTION 2 – APPROVAL OF ISSUE OF 121,718,576 SHARES TO KABUNGA HOLDINGS PTY LTD

3.1 General

On 14 May 2020, the Company announced to ASX that it has entered into a share sale deed ("Sale Deed") to acquire the Guinea Gold Project comprising six permits in the highly prospective Birimian Greenstone in Guinea ("the Permits") from Kabunga Holdings Pty Ltd. Kabunga Holdings is an Australian proprietary company controlled by the Company's Chairman, Mr Asimwe Kabunga.

Under the Sale Deed, the Company will acquire all of the issued share capital in Gold Republic Pty Ltd ("Gold Republic"), an Australian proprietary company. Gold Republic in turn holds all of the issued share capital in each of Norsk Gold Pte. Ltd, (a registered Singapore entity which in turn is the legal and beneficial holder of all of the issued share capital in Novo Mines Sarlu, a Guinean company) and KB Gold Sarlu (a Guinean company). Novo Mines Sarlu and KB Gold Sarlu together hold 100% of the legal and beneficial interests in the Permits.

The consideration for the acquisition of Gold Republic comprises:

- The issue of 121,718,576 Shares to Kabunga Holdings (or its nominee) on completion of the acquisition; and
- A 2% Net Smelter Royalty covering the Permit area as well as a 10 km radius from the permit boundaries.

In accordance with the Sale Deed, Kabunga Holdings provides customary warranties regarding its title to the Guinea Gold Project, the prior activities of the various companies being acquired and the accuracy of information disclosed to the Company in connection with the transaction. Kabunga Holdings is not liable for any breach of warranty unless the Company notifies Kabunga Holdings of the warranty claim within 18 months of the date of the document (or 5 years in respect of tax liabilities).

Completion of the Sale Deed remains subject to the Company being satisfied with the results of its due diligence enquiries as well as the approval of the Company's Shareholders to the issue of the 121,718,576 Shares to Kabunga Holdings. The Company intends to provide an update on the status of its due diligence enquiries prior to the Meeting. Resolution 2 seeks the approval of Shareholders to the proposed issue of 121,718,576 Shares to Kabunga Holdings in accordance with the Sale Deed.

3.2 The requirement for Shareholder approval

Listing Rule 10.11.1 provides that a company must not issue equity securities to a related party without the prior approval of company's shareholders. Kabunga Holdings is a related party of the Company by virtue of being controlled by Mr Asimwe Kabunga, a Director of the Company.

As the issue of the 121,718,576 Shares the subject of Resolution 2 involves the issue of securities to a related party of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Directors that none of the exceptions set out in ASX Listing Rule 10.12 apply in the current circumstances, such that Resolution 2 seeks the approval of Shareholders to the issue of these Shares for the purposes of ASX Listing Rule 10.11.

For completeness, it is noted that Chapter 2E of the Corporations Act also prohibits a public company from giving a financial benefit to a related party of the Company without prior shareholder approval being obtained, unless the benefit falls within one of various exceptions to that prohibition contained in the Corporations Act. "Financial benefit" has a wide meaning and includes the issue of securities by a public company to a director.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the 121,718,576 Shares to Kabunga Holdings under Resolution 2 because the transaction with Kabunga Holdings was negotiated at arm's length such that any issue of Shares pursuant to the Sale Deed is considered reasonable in the circumstances and falls within the exception provided in section 210 of the Corporations Act.

If Resolution 2 is approved, the issue of these 121,718,576 Shares to Kabunga Holdings will not be included in the Company's 15% annual placement capacity under Listing Rule 7.1.

If Resolution 2 is not approved by Shareholders, the condition to the Sale Deed will not be satisfied and the Company's proposed acquisition of the Guinea Gold Project will not proceed.

3.4 Technical information required by ASX Listing Rule 10.13

In accordance with Listing Rule 10.13 the following information is provided in relation to Resolution 2:

- a) The related party pursuant to Listing Rule 10.11.1 is Kabunga Holdings (or its nominee) by virtue of that entity being controlled by Mr Asimwe Kabunga who is a Director.
- b) The maximum number of Shares to be issued is 121,718,576 Shares.
- c) The Shares are issued as partial consideration for the acquisition of the Guinea Gold Project.
- d) The Shares will rank equally in all respects with the existing Shares on issue.
- e) The Shares will be issued on completion of the acquisition of the Guinea Gold Project which is expected to occur on a date being no later than 5 business days after the date of the Meeting and in any event no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur on the same day.
- f) No funds will be raised from this issue as the Shares will be issued as part consideration for the acquisition of the Guinea Gold Project.
- g) A summary of the material terms of the Sale Deed are set out in Section 3.1 above.
- h) An appropriate voting exclusion statement is included in the Notice of Meeting.

3.5 Directors' recommendation

The Directors (other than Mr Asimwe Kabunga who has a material personal interest in the outcome of Resolution 2) recommend that the Shareholders vote in favour of this Resolution 2.

4. RESOLUTION 3 – APPROVAL FOR ISSUE OF SHARES ON ACQUISITION OF THE LUIRI PROJECT

4.1 General

On 21 May 2020, the Company announced to ASX that it had entered into a binding term sheet for the conditional acquisition of an 85% interest in the Luri Project, being an advanced gold project located in south-central Zambia, 120km west-northwest of the Zambian capital of Lusaka.

The Luri Project comprises a Large Scale Exploration Licence and a Mineral Processing Licence ("Project Licences") that are held by two entities incorporated in Zambia, namely Cupriferous Resources Limited and Bukomo Mining Limited ("Zambian Companies"). Under the transaction, it is proposed that both Zambian Companies will be acquired by an Australian parent entity which is to be incorporated by the Company prior to completion, which entity in turn will be owned 85% by Volt and 15% by the vendors of the Luri Project (comprising Mr David Britz, Mr Eugene Basil Appel, Mr Denny Jackson Kabemba, Terra Metals Ltd, Mr Mumena Mushingi, Mr Brian Chisala, and Mr Katambi Bulawayo) (together, the "Project Vendors").

The proposed acquisition of an 85% interest in the Luri Project continues Volt's progression in establishing a new gold business whilst progressing the development of its Bunyu Graphite Project in Tanzania. Together with the proposed acquisition of the Guinea Gold Project, the interest in the Luri Project provides Volt with a combination of highly prospective grass roots exploration in Guinea together with an 85% interest in an advanced gold project in Zambia that has near term development potential.

The consideration for the acquisition by the Company of an 85% interest in the Luri Project comprises:

- the issue of \$3.75 million Shares to the Project Vendors on settlement of the acquisition, with the number of Shares to be issued calculated based on the five trading day volume weighted average price of the Company's Shares on ASX in the period immediately prior to settlement ("Consideration Shares"); and
- payment of \$250,000 in cash within 30 days of settlement occurring.

Settlement of the acquisition of an 85% interest in the Luri Project is subject to the Company being satisfied with the results of its due diligence enquiries, the execution of a share sale agreement, as well as the approval of the Company's Shareholders to the issue of the Consideration Shares. Resolution 3 seeks Shareholder approval for the issue of the Consideration Shares to the Project Vendors pursuant to ASX Listing Rule 7.1 as part consideration for the acquisition of an 85% interest in the Luri Project.

As set out above, the number of Consideration Shares to be issued to the Project Vendors will depend upon the five trading day volume weighted average price of the Company's Shares on ASX in the period immediately prior to settlement of the acquisition. Outlined below are examples of the maximum number of Consideration Shares that would be issued under differing Share price scenarios based on the formula above.

5 day VWAP	\$0.01	\$0.015	\$0.02	\$0.025	\$0.03
Formula	\$3,750,000 / \$0.01	\$3,750,000 / \$0.015	\$3,750,000 / \$0.02	\$3,750,000 / \$0.025	\$3,750,000 / \$0.03
Number of Consideration Shares to be issued to the Project Vendors	375,000,000	250,000,000	187,500,000	150,000,000	125,000,000
% of issued share capital (undiluted) ¹	16.49%	11.63%	8.99%	7.32%	6.18%

¹ Calculated on the basis of 1,898,836,797 ordinary fully paid shares on issue.

Based on the closing price of the Company's Shares on ASX as at 12 June 2020 (being the last practicable date before finalising this Explanatory Memorandum) of \$0.02, the Company would be required to issue 187,500,000 Shares to the Project Vendors, which will provide the Project Vendors with an aggregate 8.99% shareholding in the Company.

The Project Vendors are to provide customary warranties regarding their title to the Luri Project, the prior activities of the various companies being acquired and the accuracy of information disclosed to the Company in connection with the transaction. On completion, the Company will enter into a shareholders agreement with the Project Vendors to govern their respective rights and obligations in relation to the Luri Project as 85% and 15% owners respectively.

None of the Project Vendors are or will be a related party of the Company immediately prior to settlement of the acquisition and there will be no change to Volt's Board or management structure as a result of the proposed acquisition of an 85% interest in the Luri Project.

4.2 ASX Listing Rule 7.1

As set out above, ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period without the prior approval of its shareholders.

Having regard to the Company's Share price at the time the proposed transaction was agreed, the issue of the Consideration Shares would result in the Company issuing more than the number of Shares permitted under

Listing Rule 7.1. As such, the approval of the Company's Shareholders is required pursuant to Listing Rule 7.1 as a condition precedent to the Company proceeding with the transaction.

If approved, Resolution 3 will be to allow the Company to proceed with the acquisition of an 85% interest in the Luiiri Project and issue the Consideration Shares to the Project Vendors.

If Resolution 3 is not approved by Shareholders, the condition precedent to the proposed transaction will not be satisfied, and the Company's proposed acquisition of an 85% interest in the Luiiri Project will not proceed.

4.3 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to issue of the Consideration Shares:

- a) The Consideration Shares will be issued to the Project Vendors (or their nominees), who are not related parties of the Company immediately prior to settlement of the acquisition.
- b) The maximum number of Consideration Shares to be issued to the Project Vendors is calculated using the formula in Section 4.1 above.
- c) The Consideration Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
- d) The Consideration Shares will be issued on settlement of the acquisition of the Luiiri Project which is expected to occur on the date being no later than 5 business days after the date of the Meeting and in any event no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Consideration Shares will occur on the same date.
- e) The Consideration Shares are issued as partial consideration for the acquisition of an 85% interest in the Luiiri Project.
- f) No funds will be raised from the issue as the Consideration Shares are being issued as part consideration for the acquisition of Luiiri Project.
- g) A summary of the material terms of the agreement pursuant to which the Consideration Shares are proposed to be issued is set out in Section 4.1 above.
- h) An appropriate voting exclusion statement is included in the Notice of Meeting.

4.4 Directors' recommendation

The Directors unanimously recommend that the Shareholders vote in favour of this Resolution 3.

5. RESOLUTION 4 – APPROVAL FOR ISSUE OF PERFORMANCE RIGHTS TO MR HASHIMU MILLANGA (OR NOMINEE)

5.1 General

Resolution 4 seeks Shareholder approval for the issue of up to 10,000,000 Performance Rights to Mr Hashimu Millanga (or nominee) pursuant to ASX Listing Rule 7.1 as a cost effective method of remuneration for Mr Hashimu Millanga, a senior geologist of the Company. The role Mr Millanga is playing will be instrumental in progressing the activities at the Guinea Gold Project and the Luiiri Project. In addition, Mr Millanga will provide on-ground leadership in West Africa on behalf of the Company.

The objective of this issue of Performance Rights is to attract, motivate and retain a key consultant of the Company.

5.2 ASX Listing Rule 7.1

As set out above, ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period without the prior approval of its shareholders.

The effect of Resolution 4 will be to allow the Company to issue the 10,000,000 Performance Rights during the period of 3 months after the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) as a cost effective method of remunerating Mr Millanga, a geologist of the Company, without using the Company's 15% annual placement capacity.

If Resolution 4 is not passed by Shareholders, the Company will not be able to proceed with the issue of the 10,000,000 Performance Rights pursuant to ASX Listing Rule 7.1 which will provide a cost effective incentive to this key employee of the Company.

5.3 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to issue of the Performance Rights:

- a) The Performance Rights will be issued to Mr Hashimu Millanga (or nominee), who is not a related party of the Company.
- b) The maximum number of Performance Rights to be issued to Mr Hashimu Millanga (or nominee) is 10,000,000.
- c) The Performance Rights are being issued under the terms and conditions of the Performance Rights Plan approved by the Company's shareholders on 22 October 2015. A summary of the Performance Rights Plan is included as Annexure B to this Notice of Meeting.

The remaining 5,000,000 Performance Rights will vest twelve (12) months from the date of issue, subject to Mr Millanga being continuously employed by the Company for that period. Each Performance Right vests into one (1) Share.
- e) The Performance Rights will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that the issue of the Performance Rights will occur on the same date.
- f) No funds will be raised from the issue as the Performance Rights are being issued as a cost effective method of incentivising Mr Millanga, a key employee of the Company.
- g) An appropriate voting exclusion statement is included in the Notice of Meeting.

5.4 Directors' recommendation

The Directors unanimously recommend that the Shareholders vote in favour of this Resolution 4.

SUMMARY

Under the Rules, the Plan Committee may offer Performance Rights to certain Executives.

The Performance Rights offered under the Plan may be subject to performance, vesting, conversion or other conditions as determined by the Plan Committee. These performances, vesting, conversion and/or other conditions will be specified in an offer of Performance Rights to an Executive. If the offer in respect of any Performance Right specifies any performance hurdle(s), the Performance Right will not convert or cannot be exercised (as the case required) and will not be taken to have been converted or exercised unless and until the applicable performance hurdle(s) has or have been achieved (unless the performance hurdle(s) is or are permitted to be waived, in whole or in part, by the Plan Committee under the listing rules of ASX, and are so waived).

An Eligible Executive that accepts an offer of performance Rights (or his or her nominee) is known as a Participant. Each Performance Right will, upon conversion or exercise in accordance with its terms of issue, entitle the Participant to one Share. Under the Rules, upon conversion or exercise of a Performance Right, the Company must:

- subject to the bullet point below, procure the transfer of one Share or issue and allot one Share to the Participant; or
- if the Participant is a director of a body corporate in the Group but does not hold salaried employment or office in a body corporate in the Group, then the Company must issue and allot one Share to the Participant.

Generally, if an Exercise Period is specified or described a performance Right may be exercised at any time during the Exercise Period for that Performance Right. A Performance Right may only convert or be exercised before the Exercise Period where (if and then only to the extent permitted by the listing rules of the ASX):

- an Accelerated Vesting Event occurs while a Participant is employed with or holds an office with the Group and the Plan Committee brings forward the First Exercise Date or waives or varies an performance hurdles; or
- if the offer of Performance Rights accepted by the Participant provides for certain circumstances where the First Exercise Date is brought forward or the performance hurdles are waived or varies and, those circumstances occur.

The Plan provides that Performance Rights may only be transferred, by an instrument of transfer, in the following circumstances (each of which is an Accelerated Vesting Event):

- a transfer constituting the necessary transfer documents following an acceptance of an offer made under an off-market bid relating to Performance Rights;
- a transfer to a bidder on the sale of Performance Rights under Division 3 of Part 6A.1 of the Corporations Act;
- a transfer to a 100% holder on the sale of the Performance Rights under Division 2 of Part 6A.2 of the Corporations Act;
- a transfer under Part 6A.3 of the Corporations Act to a person entitled to acquire Performance Rights under section 661A or 664A of the Corporations Act; or
- a transfer approved by the Board in those circumstances as may be determined by the Board.

The Plan Committee must take reasonable steps to ensure that Performance Rights are not granted or issued to a Participant under the Performance Rights Plan if the number of Shares the subject of the Performance Rights or that are to be received on the conversion or exercise of the Performance Rights when aggregated with:

- the number of Shares which would be issued with each outstanding offer with respect to Shares, units of Shares, options and performance rights to acquire unissued Shares, under an employee share scheme to be accepted, converted or exercised; and
- the number of Shares issued during the previous five years pursuant to the Plan or any other employee share scheme extending only to eligible officers or employees of the Company,

would exceed 5% of the total number of issued Shares as at the time of the proposed grant or issue.

For the purpose of calculating the 5% limit any offer made, or option or Performance Right acquired or Share issued by way of or as a result of:

- an offer to a person situated at the time of receipt of the offer outside of Australia;
- an offer that did not need disclosure to investors because of section 708 of the Corporations Act;
- an offer that did not require the giving of a Product Disclosure Statement because of section 1012D of the Corporations Act; or
- an offer made under a disclosure document or Product Disclosure Statement,

can be disregarded.
