VILLAGE ROADSHOW ENTERS INTO IMPLEMENTATION AGREEMENT WITH BGH

6 August 2020: Village Roadshow Limited (ASX: VRL) (“VRL”) today announced that it has entered into an Implementation Agreement1 with an entity owned by funds managed by BGH Capital Pty Ltd (“BGH”), under which BGH undertakes to acquire control of VRL by way of two alternative but concurrent schemes of arrangement (“Scheme of Arrangement” or “Scheme”) representing total value of up to $2.45 per share (together, the “BGH Transaction”).

- Under the terms of the Scheme of Arrangement, VRL shareholders will be entitled to receive total value of up to $2.45 per share, consisting of a base offer price of $2.20 per share under the Structure A alternative (or $2.10 per share under the Structure B alternative) and additional offer price of up to $0.25 per share, contingent on the re-opening of theme parks and cinemas and Queensland borders being open to any person from New South Wales and Victoria (“Scheme Consideration”)
- The Scheme Consideration under Structure A represents a premium of c.25–39% to the closing price of VRL shares on 15 May 2020 of $1.765 (being the last trading day prior to VRL entering into the Transaction Process Deed with BGH)
- The BGH Transaction is subject to limited conditions and is not subject to arranging financing or due diligence
- The Independent Committee of the VRL Board of Directors (“IBC”) unanimously recommends the BGH Transaction in the absence of a Superior Proposal, and subject to an Independent Expert concluding that the BGH Transaction is in the best interests of VRL shareholders

The Chairman of the IBC, Peter Tonagh, said:

"The IBC has worked diligently, together with its advisers, to consider a range of alternatives since it first received a proposal from Pacific Equity Partners on 19 December 2019 and from BGH on 24 January 2020. Over that period of time there has been a significant change in VRL’s financial position and trading environment.

Having regard to the options available, including continuing as an independent listed company, the IBC has unanimously concluded that the BGH Transaction is in the best interests of all VRL shareholders, in the absence of a Superior Proposal, and subject to an Independent Expert concluding that the BGH Transaction is in the best interests of VRL shareholders.

The BGH Transaction provides the opportunity for all VRL shareholders to realise an attractive cash price for all of their VRL shares, in a very uncertain operating environment. VRL shareholders will also have the opportunity to elect to retain an equity interest in an unlisted VRL entity that is controlled by BGH.

1 Capitalised terms have the meaning given to them in the Implementation Agreement, unless otherwise defined in this document.
In considering the merits of the BGH Transaction, the Independent Directors have at all times been guided by our overarching responsibility to consider the long-term interests of VRL and all of its shareholders. It is our view that the BGH Transaction will realise attractive value for all shareholders."

Overview of the Scheme Consideration

The BGH Transaction is for an acquisition of all of the shares in VRL at a price of up to $2.45 per share. The Scheme Consideration of up to $2.45 per share consists of a:

- Base offer price of $2.20 per share under structure A (or $2.10 per share under the alternative Structure B); plus
- Additional offer price of $0.12 per share in the event that the Warner Bros. Movie World and the Sea World theme parks are open to the public for a period of 5 Business Days ending at 4pm on the day that is 2 Business Days prior to the Proxy Cut-Off Date\(^2\) ("Theme Parks Uplift"); plus
- Additional offer price of $0.08 per share in the event that a majority of the Cinemas business locations (representing 75% of Cinemas business revenue in FY19) are open to the public for a period of 5 Business Days ending at 4pm on the day that is 2 Business Days prior to the Proxy Cut-Off Date\(^3\) and there are no significant changes to the expected movie slate for the remainder of FY21\(^4\) ("Cinema Uplift"); plus
- Additional offer price of $0.05 per share in the event that there are no border control measures imposed by the Queensland Government prohibiting any person from entering Queensland from New South Wales on 15 October 2020 and from Victoria on 31 October 2020 ("Border Uplift").

Under the BGH Transaction, shareholders will have the option to receive all cash or, subject to certain limitations which will be described in the Explanatory Booklet, to either receive the Scheme Consideration as an equity interest in an unlisted company controlled by BGH that would own 100% of VRL (under Structure A) or retain their VRL shares (under Structure B).

The offer price of $2.20 per share (base offer price) and $2.45 per share (increased price\(^5\)) under Structure A represents:

- a 25-39% premium to VRL’s closing price of A$1.765 on Friday, 15 May 2020 (being the last day before the Company released the ASX announcement entitled “Village Roadshow Enters Into Exclusive Discussions with BGH”); and
- a 51-68% premium to the A$1.460 VWAP from 19 March 2020 (being the day upon which the Company released the ASX announcement entitled “Update on COVID-19 Response”) to the end of trading Friday, 15 May 2020; and
- an implied equity value of up to $478 million and enterprise value of up to approximately $758 million.\(^6\)

Overview of the BGH Transaction – transaction structures

Under the BGH Transaction, two alternative and concurrent transaction structures have been proposed to effect the transaction.

Structure A

The first structure ("Structure A") would involve a newly incorporated company ("HoldCo") controlled by BGH acquiring the shares in VRC's ultimate holding company from John Kirby, Robert Kirby and Graham Burke (together, “VRC shareholders”), then VRC acquiring all VRL shares held directly by VRC shareholders and those held by shareholders other than VRC shareholders (“Non-VRC shareholders”) via a Scheme of Arrangement.

The VRC shareholders would receive consideration comprising shares in the unlisted HoldCo and a proportion of cash. Non-VRC shareholders would have the option to receive their consideration in the form of all cash, 50% cash and 50% shares in HoldCo or 100% shares in HoldCo. The number of shares in HoldCo issued to non-VRC shareholders is subject to up to a maximum of 15% of the existing VRL shares on issue, with scale-back applying if the 15% threshold is exceeded. Any issuance of shares in HoldCo to Non-VRC shareholders is also subject to VRL shareholders making elections such that the consideration in respect of at least 5% of all VRL shares would be shares in HoldCo. The base offer price under Structure A would be $2.20 per share which, subject to uplift conditions on the opening of theme parks and cinemas, plus no border restrictions prohibiting any person from New South Wales and Victoria from entering Queensland, could increase to $2.457.

Non-VRC Shareholders who elect to receive HoldCo shares will agree to be bound by a Structure A shareholders agreement in relation to HoldCo ("Structure A Shareholders Agreement") and will, if there are or would be on implementation more than 50 HoldCo shareholders, agree to have their HoldCo shares transferred or issued directly to a Custodian and held on trust by the Custodian directly or indirectly through HoldCo for each HoldCo shareholder.

Structure B

The second structure ("Structure B") would involve all shareholders, including VRC, having the option to receive all cash or elect to remain as VRL shareholders ("Retaining Shareholders"), subject to a retention cap of 50% of VRL shares on issue, with scale-back applying if the 50% threshold is exceeded. VRC will be subject to the same scale-back provisions as all other shareholders. The base offer price under Structure B would be $2.10 per share which, subject to uplift conditions on the opening of theme parks and cinemas, plus no border restrictions prohibiting any person from New South Wales and Victoria from entering Queensland, could increase to $2.358 (the "Structure B Cash Consideration").

Retaining Shareholders will agree to be bound by a shareholders agreement in relation to VRL shares ("VRL Shareholders Agreement") and will, if there are more than 50 VRL

6 Implied equity value of $478 million based on the Scheme Consideration of $2.45 per share multiplied by current shares on issue of 195,252,595 shares. Enterprise value includes VRL expected net debt of approximately $280 million as at 30 June 2020.

shareholders, agree to have their VRL shares transferred to a professional Custodian and held on trust by the Custodian for VRL. VRL will be unlisted and will not retain its listing on the ASX.

Under the VRL Shareholders Agreement a follow on acquisition may be conferred ("Follow On Proposal"), broadly on the following terms:

A. During the 3 month period following the date that is 6 months following the implementation of the Structure B Scheme, Retaining Shareholders holding more than 7.5% of VRL's shares on issue will be entitled to provide BidCo (an Australian proprietary limited company, wholly owned by HoldCo) with a notice requiring BidCo to acquire (and BidCo will then acquire) all shares in VRL not held by BidCo for consideration of either (at the election of the Retaining Shareholder):

   - the Structure B Cash Consideration less $0.10 in respect of a maximum of one half of the VRL shares held by the relevant Retaining Shareholder and one HoldCo share in respect of each of the relevant Retaining Shareholder's other VRL shares; or
   - one share in HoldCo for each of the relevant Retaining Shareholder's VRL shares.

B. During the 3 months following the date that is 9 months after the implementation of the Structure B Scheme, BidCo will be entitled to issue a notice to the Retaining Shareholders requiring them to sell their VRL shares on the same terms as paragraph A above; and

C. All Retaining Shareholders who elect to receive shares in HoldCo will be subject to the HoldCo Shareholders Agreement ("Structure B Shareholders Agreement"), which, subject to the above, will be on similar terms as the VRL Shareholders Agreement except that the Structure B Shareholders Agreement will exclude provisions relating to the Follow On Proposal.

Structure A and Structure B will proceed as concurrent transactions but Structure B will only proceed if Structure A is not approved by the requisite majorities of the relevant VRL shareholders or by the Court. It is a condition precedent for the Structure B Scheme that the Structure A Scheme is not approved either by the relevant VRL shareholders or by the Court.

**VRC shareholders' intentions**

Between the Structure A Scheme, the Structure B Scheme and any Follow On Proposal, each of the VRC shareholders intends to elect to receive cash in respect of a significant portion of their shareholdings. It also the intention of the VRC shareholders to remain as significant, committed shareholders in the privatised business and Clark Kirby will remain as Chief Executive officer with Robert Kirby as Executive Chairman and Graham Burke as Co-Chairman.
Key Conditions and Deal Protections

The BGH Transaction is subject to limited conditions, including no change of IBC recommendation and no Material Adverse Change. The BGH Transaction is not subject to arranging financing or due diligence conditions.

The Implementation Agreement is subject to customary deal protections for BGH including no shop, no talk and no due diligence obligations. VRL is also bound by other customary provisions including notification obligations and matching rights.

Full details of the conditions to the BGH Transaction and deal protections are set out in the Implementation Agreement, a copy of which is attached to this announcement.

The Implementation Agreement also sets out certain circumstances in which a break fee of $4.29 million or approximately 1% of equity value would be payable to BGH, or reverse break fee of the equivalent amount payable to VRL.

Indicative Timetable and Next Steps

VRL intends to send an Explanatory Booklet to VRL shareholders in October 2020. The Explanatory Booklet will contain information relating to the Scheme of Arrangement and both transaction structures, including both sets of proposed Shareholders Agreement terms. It will also contain an Independent Expert’s Report on whether the Scheme of Arrangement is in the best interests of VRL shareholders.

A Scheme Meeting is expected to be held in November 2020 and, if approved, the BGH Transaction would be implemented shortly thereafter.⁹

VRL will keep the market informed of any material developments with respect to the BGH Transaction in accordance with its continuous disclosure requirements.

UBS and Stratford Advisory Group are acting as financial advisers and MinterEllison as legal adviser to VRL.

This announcement has been authorised by the VRL Board.

(ii) a deliberate act or omission of that party which either alone or together with other circumstances prevents that Condition being satisfied.

(d) If the Condition in clause 3.1(h) (Shareholder approval – Structure A Scheme) or clause 3.1(i) (Court approval) is not satisfied:

(i) the parties immediately release and discharge each other from all obligations under this agreement relating solely to the Structure A Scheme including those in clauses 2(a), 2(b), 3, 5, 7, 8, 9, 10, 11.1, 11.2, 12.1(b), 12.3, 12.4(a), 14.2(c) and 16.2 insofar as they relate to the Structure A Scheme; and

(ii) BidCo and VRL must proceed with the Structure B Scheme subject to the satisfaction of the relevant Conditions.

3.8 Interpretation

For the purposes of this clause 3, a Condition will be incapable of satisfaction, or incapable of being fulfilled if:

(a) in the case of a Condition relating to a Regulatory Approval – the relevant Governmental Agency makes or has made a final adverse determination in writing to the effect that it will not provide the Regulatory Approval; and

(b) in all other cases – there is an act, failure to act or occurrence that will prevent the Condition being satisfied by the End Date (and the breach or non-fulfilment that would otherwise have occurred has not already been waived in accordance with this agreement).

### 4.2 Structure B Scheme - Benefit and waiver of conditions precedent

(a) The Conditions in clauses 4.1(a) (Regulatory Approvals), 4.1(b) (Execution of Structure B Shareholders Agreement) and 4.1(m) (Restraints) are for the benefit of BidCo and VRL and any breach or non-fulfilment of them may only be waived (if capable of waiver) with the written consent of both BidCo and VRL, which consent either party may give or withhold in its absolute discretion.

(b) The Conditions in clauses 4.1(c) (No change in IBC Recommendation), 4.1(d) (No VRL Prescribed Occurrences), 4.1(f) (VRL Warranties), 4.1(k) (No Material Adverse Change) and 4.1(l) (Debt Financing Agreements), are for the sole benefit of BidCo and any breach or non-fulfilment of them may only be waived by BidCo giving its written consent.

(c) The Conditions in clauses 4.1(e) (No HoldCo Prescribed Occurrences) and 4.1(g) (BidCo Warranties), are for the sole benefit of VRL and any breach or non-fulfilment of them may only be waived by VRL giving its written consent.

(e) A party entitled to waive a Condition under this clause 4.2 may do so in its absolute discretion. Any waiver of a Condition by a party for whose benefit the condition applies must take place on or prior to the Delivery Time on the Second Court Date.
(f) If a party waives the breach or non-fulfilment of any of the Conditions in clause 4.2, that waiver will not preclude it from suing the other party for any breach of this agreement including a breach that resulted in the non-fulfilment of the Condition that was waived.

4.3 Structure B Scheme - Reasonable endeavours

(a) Each of the parties will use its respective reasonable endeavours to procure that each of the Conditions (as applicable) is satisfied as soon as reasonably practicable after the date of this agreement or continues to be satisfied at all times until the last time they are to be satisfied (as the case may require).

(b) Without limiting clauses 4.4 and 4.5 below, in relation to the FIRB Application:

(i) VRL must provide BidCo with all information reasonably requested by BGH to the extent reasonably required in connection with the FIRB Application;

(ii) each of BidCo and VRL must respond, at the earliest date reasonably practicable, to any reasonable requests for additional information or documentary material made by FIRB or any other Government Agency in respect of the FIRB Application, but BidCo (acting reasonably) may withhold information that it is commercially sensitive to BidCo; and

(iii) notify VRL as soon as reasonably practicable upon becoming aware of any material matters or developments concerning the FIRB Application, including any fact or circumstances that will or may result in the clearance being sought by BidCo pursuant to the FIRB Application not being obtained or being incapable of being obtained,

but for the avoidance of doubt, BidCo is not required to accept any other conditions which are not satisfactory to BidCo, other than the standard tax conditions as described in clause 4.1(a)(i).

(c) Without limiting clauses 4.4 and 4.5 below, in relation to all other Regulatory Approvals (other than the FIRB Application), BidCo and VRL must, in accordance with the Potential Transaction Engagement Protocols:

(i) consult and co-operate fully with the other party in relation to the satisfaction of the Conditions, including in relation to all material communications with any Governmental Agency in relation to Regulatory Approvals;

(ii) promptly apply for all relevant Regulatory Approvals and provide the other party with a copy of all applications for Regulatory Approvals and all material communications with any Governmental Agency in relation to Regulatory Approvals;

(iii) take all the steps for which it is responsible as part of the Regulatory Approvals process;

(iv) respond to all requests for information in respect of the applications for Regulatory Approvals at the earliest practicable time; and

(vi) the party applying for a Regulatory Approval may withhold or redact information or documents from any other party if and to the extent that they are either confidential to a third party or commercially sensitive and confidential to the applicant; and

(vii) neither party is required to disclose materially commercially sensitive information to the other party.
4.4 **Structure B Scheme - Notifications**
Each of BidCo and VRL must:
(a) keep the other parties promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions;
(b) promptly notify the other parties in writing if it becomes aware that any Condition has been satisfied; and
(c) promptly notify the other in writing if it becomes aware that any Condition is or has become incapable of being satisfied.

4.5 **Structure B Scheme – Certificate**
At or before the hearing on the Second Court Date in respect of the Structure B Scheme:
(a) BidCo and VRL will provide a joint certificate to the Court confirming whether or not the Conditions set out in clauses 4.1(a) (Regulatory Approvals), 4.1(b) (Execution of Structure B Shareholders Agreement and 4.1(m) (Restraints) have been satisfied or waived in accordance with the terms of this agreement;
(b) VRL will provide a certificate to the Court confirming whether or not the Conditions set out in clauses 4.1(c) (No change in IBC Recommendation), 4.1(d) (No VRL Prescribed Occurrences), 4.1(f) (VRL Warranties), 4.1(h) (Shareholder approval- Structure B Scheme), 4.1(i) (Structure A Scheme approvals not obtained), 4.1(k) (No Material Adverse Change) and 4.1(l) (Debt Financing Agreements) have been satisfied or waived in accordance with the terms of this agreement;
(c) BidCo will provide a certificate to the Court confirming whether or not the Conditions set out in clauses 4.1(e) (No HoldCo Prescribed Occurrences) and 4.1(g) (BidCo Warranties) have been satisfied or waived in accordance with the terms of this agreement;
(d) VRL will provide a certificate to BidCo confirming whether or not:
   (i) VRL has breached any of its obligations under this agreement (including a breach of a representation or warranty), and if it has, giving details of such breaches; and
   (ii) any Material Adverse Change has occurred and, if it has, giving details of each Material Adverse Change; and
(e) BidCo will provide a certificate to VRL confirming whether or not BidCo has breached any of its obligations under this agreement (including a breach of a representation or warranty), and if it has, giving details of such breaches.

4.6 **Structure B Scheme voted down because of Headcount Test**
If the Structure B Scheme is not approved by the VRL Shareholders at the Structure B Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and the Structure A Scheme is not approved by VRL Shareholders (other than the Structure A Excluded Shareholders) at the Structure A Scheme Meeting and VRL or BidCo considers, acting reasonably, that Share Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied then VRL must:
(a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Structure B Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
(b) make such submissions to the Court and file such evidence as counsel engaged by VRL to represent it in Court proceedings related to the Structure B Scheme, in consultation with BidCo, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

4.7 Structure B Scheme - Conditions not capable of being fulfilled

(a) If:

(i) any Condition relating to the Structure B Scheme is not satisfied (other than the Condition in clause 4.1(i) (Structure A Scheme approvals not obtained) or (where capable of waiver) waived by the date specified in this agreement for its satisfaction (or an event occurs which would or does prevent a condition precedent being satisfied by the date specified in this agreement);

(ii) a circumstance occurs with the result that a Condition relating to the Structure B Scheme is not capable of being fulfilled and, if the Condition is able to be waived by a party under clause 4.2 the party does not waive the Condition within 5 Business Days after the occurrence of the circumstance; or

(iii) it becomes more likely than not that the Structure B Scheme does not become Effective by the End Date,

and neither of the following has occurred:

(iv) the Independent Expert opines to the effect that the Structure B Scheme is not in the best interest of VRL Shareholders, except for where the conclusion is due to the existence of a Competing Proposal; or

(v) VRL has entered into a legally binding agreement (other than an Acceptable Confidentiality Agreement) in relation to a Superior Proposal has been publicly announced,

then VRL and BidCo must consult in good faith with a view to determining whether:

(vi) the Structure B Scheme may proceed by way of alternative means or methods;

(vii) to extend the relevant time or date for satisfaction of the Condition;

(viii) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Structure B Scheme or adjourning that application (as applicable) to another date agreed by the parties; or

(ix) to extend the End Date.

(b) Subject to clause 4.7(c), if a Condition becomes incapable of being satisfied before the End Date (other than the Condition in clause 4.1(i) (Structure A Scheme approvals not obtained) and VRL and BidCo are unable to reach agreement under clause 4.7(a) within 10 Business Days of the date on which they both become aware that the Condition has become incapable of being satisfied (or, if earlier, by the Delivery Time on the Second Court Date), then unless the relevant Condition (where capable of waiver) is waived:

(i) in relation to the Conditions in clauses 4.1(a) (Regulatory Approvals), 4.1(b) (Execution of Structure B Shareholders Agreement, 4.1(h) (Shareholder approval - Structure B Scheme) and 4.1(m) (Restraints), either BidCo or VRL may terminate this agreement by giving the other notice without any liability to any party by reason of that termination alone;

(ii) in relation to the Conditions in clauses 4.1(c) (No change in IBC Recommendation), 4.1(d) (No VRL Prescribed Occurrences), 4.1(f) (VRL Warranties), 4.1(h) (Shareholder approval - Structure B Scheme), 4.1(k) (No Material Adverse Change) and 4.1(l) (Debt Financing Agreements), BidCo may terminate this agreement by giving VRL notice without any liability to any party by reason of that termination alone; and

(iii) in relation to the clauses 4.1(e) (No HoldCo Prescribed Occurrences) and 4.1(g) (BidCo Warranties), VRL may terminate this agreement by giving BidCo notice without any liability to any other party by reason of that termination alone.
(c) BidCo or VRL will not be entitled to terminate this agreement under clause 4.7(b) if the relevant Condition has not been satisfied as a result of:
   (i) a breach of this agreement by that party; or
   (ii) a deliberate act or omission of that party which either alone or together with other circumstances prevents that Condition being satisfied.

4.8 Interpretation
For the purposes of this clause 4, a Condition will be incapable of satisfaction, or incapable of being fulfilled if:
   (a) in the case of a Condition relating to a Regulatory Approval – the relevant Governmental Agency makes or has made a final adverse determination in writing to the effect that it will not provide the Regulatory Approval; and
   (b) in all other cases – there is an act, failure to act or occurrence that will prevent the Condition being satisfied by the End Date (and the breach or non-fulfilment that would otherwise have occurred has not already been waived in accordance with this agreement).

5. Structure A Scheme structure

5.1 Structure A Scheme
   (a) VRL must, as soon as reasonably practicable after the date of this agreement and substantially in compliance with the Timetable, propose the Structure A Scheme under which, subject to the Structure A Scheme becoming Effective, all of the Structure A Scheme Shares will be transferred to VRC and the Structure A Scheme Shareholders will be entitled to receive, for each VRL Share held at the Structure A Scheme Record Date, the Structure A Scheme Consideration.

      (i) VRC will accept that transfer; and
      (ii) VRC will, subject to BGH’s Affiliates, HoldCo and BidCo complying with their obligations under the Subscription Agreement, provide in accordance with the Structure A Scheme Deed Poll to each Scheme Shareholder the relevant component of the Structure A Scheme Consideration that comprises the Structure A Cash Consideration, in accordance with the Structure A Scheme.
   (b) HoldCo covenants in favour of VRL (in VRL’s own right and separately as trustee for each Structure A Scheme Shareholder) that, in consideration of the transfer to VRC of the Structure A Scheme Shares under the terms of the Structure A Scheme, on the Implementation Date HoldCo will:
      (i) comply with its obligations under the Subscription Agreement to enable VRC to comply with its obligation under clause 5.2(a)(ii); and

VRL agrees that:

(a) the Cinema Uplift Event will only be satisfied:

(i) where the VRL Group re-open the cinemas operated by the VRL Group, or exercise any right (such as voting rights) that could reasonably result in cinemas operated pursuant to a joint venture to which a VRL Group Member is a party to re-open, in circumstances where the VRL Group has acted in good faith in deciding to re-open or exercise its right taking into consideration the expected impact on operating performance of any State or Federal Government laws, directions or recommendations; and

(ii) a Film Deferral Event has not occurred; and

5.4 Allotment and issue of HoldCo Shares

(a) Subject to the Structure A Scheme becoming Effective, HoldCo must:

(i) in accordance with the Structure A Scheme Deed Poll, issue the HoldCo Shares to the Structure A Scheme Shareholders in accordance with the Structure A Scheme on terms that each HoldCo Share will rank equally in all respects with each other HoldCo Share then on issue and will have rights including those set out in the Structure A Shareholder Agreement; and

(ii) ensure that on issue each HoldCo Share will be fully paid and free from any mortgage, charge, lien, encumbrance or other security interest.

(b) To facilitate the issue of the HoldCo Shares to Structure A Scheme Shareholders, VRL must provide to HoldCo and BidCo, or procure the provision to HoldCo and BidCo of, a complete copy of the VRL register of members as at the Structure A Scheme Record Date (which must include the name, address and registered holding of each Structure A Scheme Shareholder as at the Structure A Scheme Record Date together with details of all valid Elections received from Structure A Scheme Shareholders), within two Business Days after the Structure A Scheme Record Date. The details and information to be provided under this clause must be provided in such form as HoldCo, BidCo, its Advisers or share registry may reasonably require.

(c) HoldCo will not issue any HoldCo Shares to Foreign Scheme Shareholders.

(d) Any fractional entitlement of the Structure A Scheme Shareholder to a part of a HoldCo Share will be rounded down to the nearest whole number of HoldCo Shares.

5.5 Structure A Scheme Deed Poll

VRC covenants in favour of VRL (in VRL’s own right and separately as trustee for each of the Structure A Scheme Shareholders) to execute and deliver, and HoldCo covenants to execute and deliver, in each case to VRL, the Structure A Scheme Deed Poll no later than the day before the First Court Date.
6. **Structure B Scheme structure**

6.1 **Structure B Scheme**

(a) VRL must, as soon as reasonably practicable after the date of this agreement and substantially in compliance with the Timetable, propose the Structure B Scheme under which, subject to the Structure B Scheme becoming Effective, all of the Transferring Shares will be transferred to BidCo and the Transferring Shareholders will be entitled to receive, for each Transferring Share, the Structure B Scheme Consideration.

(b) VRL must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Structure B Scheme without the prior written consent of VRC and BidCo.

6.2 **Structure B Scheme Consideration**

(a) BidCo covenants in favour of VRL (in VRL’s own right and separately as trustee for each Structure B Scheme Shareholder) that, in consideration of the transfer to BidCo of the Transferring Shares under the terms of the Structure B Scheme, on the Implementation Date:

(i) BidCo will accept that transfer; and

(ii) BidCo will provide to each Transferring Shareholder the Structure B Scheme Consideration, in accordance with the Structure B Scheme.

6.3 **Potential uplift to Structure B Scheme Consideration**

VRL agrees that:

(a) the Cinema Uplift Event will only be satisfied:

(i) where the VRL Group re-open the cinemas operated by the VRL Group, or exercise any right (such as voting rights) that could reasonably result in cinemas operated pursuant to a joint venture to which a VRL Group Member is a party to re-open, in circumstances where the VRL Group has acted in good faith in deciding to re-open or exercise its right taking into consideration the expected impact on operating performance of any State or Federal Government laws, directions or recommendations; and

(ii) a Film Deferral Event has not occurred; and

(b) the Theme Parks Uplift Event will only be satisfied where the VRL Group will act in good faith in deciding to re-open the the Warner Bros. Movie World and Sea World theme parks taking into consideration the expected impact on operating performance of any State or Federal Government laws, directions or recommendations.

6.4 **Structure B Scheme Deed Poll**
BidCo covenants in favour of VRL (in VRL’s own right and separately as trustee for each of the Structure A Scheme Shareholders) to execute and deliver the Structure B Scheme Deed Poll no later than the day before the First Court Date.

7. **Recommendation and intentions**

7.1 **IBC Recommendation and Voting Intention**

(a) Subject to clause 7.2, VRL must ensure that the Announcement, the Explanatory Booklet and each public statement made by VRL in relation to the Proposed Transaction state that the IBC and each Independent Director:

(i) considers:

(A) that the Structure A Scheme to be in the best interest of VRL Shareholders (other than Structure A Excluded Shareholders) and that the IBC recommends that VRL Shareholders (other than Structure A Excluded Shareholders) vote in favour of the Structure A Scheme; and

(B) in circumstances where the Structure A Scheme is not approved by either VRL Shareholders (other than Structure A Excluded Shareholders) or by order of the Court, that Structure B Scheme to be in the best interest of VRL Shareholders and that the IBC recommends that VRL Shareholders vote in favour of the Structure B Scheme,

(Recommendation); and

(ii) intends to cause:

(A) any VRL Shares in which it has a Relevant Interest to be voted in favour of the Structure A Scheme; and

(B) any VRL Shares in which it has a Relevant Interest to be voted in favour of the Structure B Scheme,

(Voting Intention),

in each case qualified only by words to the effect of:

(iii) ‘in the absence of a Superior Proposal’;

(iv) prior to registration by ASIC of the explanatory statement included in the Explanatory Booklet: ‘subject to the Independent Expert concluding that the Structure A Scheme is in the best interest of VRL Shareholders (other than Structure A Excluded Shareholders) and in the circumstance where the Structure A Scheme is not approved by either VRL Shareholders (other than Structure A Excluded Shareholders) or by order of the Court, that the Structure B Scheme is in the best interest of VRL Shareholders’;

(v) from registration by ASIC of the explanatory statement included in the Explanatory Booklet (including in any statements related to the Recommendation in the Explanatory Booklet): ‘subject to the Independent Expert continuing to conclude that the Structure A Scheme is in the best interest of VRL Shareholders (other than Structure A Excluded Shareholder) and in the circumstance where the Structure A Scheme is not approved by either VRL Shareholders (other than Structure A Excluded Shareholder) or by order of the Court, that the Structure B Scheme is in the best interest of VRL Shareholders’.

(b) Subject to clause 7.2, VRL must ensure that the IBC collectively, and the members of the IBC individually, do not change, withdraw or modify its, his or her Recommendation or Voting Intention unless:

(i) VRL has received, other than as a result of a breach of clause 17, a Superior Proposal and (i) has entered into a legally binding agreement to undertake or give
effect to that proposal or (ii) in the case of a proposal by way of takeover bid which is not subject to an agreement with VRL, an announcement has been made which attracts section 631(1) of the Corporations Act; or

(ii) the Independent Expert concludes in the Independent Expert's Report (either in its initial report or any subsequent update of its report) that the Structure A Scheme is not in the best interest of the VRL Shareholders (other than Structure A Excluded Shareholders) or that the Structure B Scheme is not in the best interest of the VRL Shareholders, except for where the conclusion is due to the existence of a Competing Proposal or the Structure A Scheme),

and VRL has complied with its obligations under clause 17 (including ensuring that all of VRC's and BidCo's rights under clause 17.7 have been exhausted).

(c) Without limiting the operation of the preceding provisions of this clause 7, if circumstances arise, including the receipt or expected receipt of an unfavourable report from the Independent Expert (including either the Independent Expert’s Report or any update of, or any revision, amendment or supplement to, that report) which may lead to any one or more member of the IBC changing, withdrawing or varying his or her recommendation to vote in favour of either the Structure A Scheme or the Structure B Scheme, VRL must:

(i) immediately notify BidCo of this fact; and

(ii) consult with BidCo in good faith for two Business Days after the date on which the notice under clause 7.1(c)(i) is given to consider and determine whether there are any steps that can be taken to avoid such a change, withdrawal or variation (as applicable).

7.2 Exclusion from Recommendation

The obligation of VRL under clause 7.1 to ensure that each member of the IBC provides and maintains the Recommendation is qualified to the extent that any Independent Director considers, after first obtaining written advice from independent senior counsel of the Victorian or New South Wales bar, that he or she should not provide or continue to maintain any recommendation (positive or adverse) because that Independent Director has an interest in either the Structure A Scheme or the Structure B Scheme that is so materially different from other VRL Shareholders which would properly preclude or render it inappropriate for him or her to provide any such recommendation.

7.3 Confirmation

VRL represents and warrants to VRC and BidCo that each member of the IBC has confirmed that he or she intends to make the Recommendation and the Voting Intention and his or her agreement not to do anything inconsistent with their Recommendation and Voting Intention (including withdrawing, changing or in any way qualifying their Recommendation or Voting Intention) other than in the circumstances referred to in clauses 7.1(b).

7.4 VRC

Despite any provision of this agreement, nothing in this agreement confers on a party or any other person any control over, or power to substantially influence, the exercise by VRC of voting rights attached to any VRL Shares in which VRC has a Relevant Interest. A provision of this agreement that but for this clause is or might be interpreted as conferring such control or influence will by force of this clause be read down so that the clause does not do so.

8. Proposed Transactions – parties' respective implementation obligations

8.1 VRL’s obligations

VRL must take all steps reasonably necessary to propose and (subject to all of the Conditions being satisfied or waived in accordance with their terms) implement the Structure A Scheme and
the Structure B Scheme as soon as reasonably practicable and after the date of this agreement and substantially in accordance with the Timetable, including taking each of the following steps:

(a) (Explanatory Booklet) prepare the Explanatory Booklet in accordance with clause 8.4;

(b) (Independent Expert) promptly appoint the Independent Expert and provide all assistance and information reasonably requested by the Independent Expert in connection with the preparation of the Independent Expert’s Report;

(c) (review of draft Independent Expert’s Report) on receipt from the Independent Expert, provide VRC and BidCo with the draft report (and any updates to such report) received from the Independent Expert for factual accuracy review, and promptly give to the Independent Expert any comments that VRC or BidCo provides VRL in relation to factual matters regarding VRC or BidCo in any draft of the Independent Expert’s Report;

(d) (approval of draft for ASIC and ASX) as soon as reasonably practicable after the preparation of an advanced draft of the Explanatory Booklet suitable for review by ASIC and ASX, procure that a meeting of the IBC, or of a committee of the IBC appointed for the purpose, is held to consider approving that draft as being in a form appropriate for provision to ASIC for its review and approval for the purposes of section 411(2) of the Corporations Act and to ASX for its review and approval for the purposes of Appendix 7A to the Listing Rules;

(e) (liaison with ASIC and ASX) as soon as reasonably practicable after the date of this agreement:

(i) provide an advanced draft of the Explanatory Booklet, in a form approved in accordance with clauses 8.1(d), 8.2(e) and 8.3(e), to ASIC for its review and approval for the purposes of section 411(2) of the Corporations Act and to ASX for its review and approval for the purposes of Appendix 7A to the Listing Rules; and

(C) comply with the terms of the W&I Policy relating to deliverables required to satisfy conditions in the W&I Policy;

(iii) VRC must ensure that any W&I Policy includes terms to the effect that:

(iv) VRC acknowledges and agrees that:

(A) there is no excess or any other amount payable by any member of the VRL Group or a VRL Party under the W&I Policy (if any);

(B) clause (iv)(A) above applies regardless of whether or not it takes out a W&I Policy;

(C) in the event that it takes out a W&I Policy, it will promptly provide VRL with a copy of such policy; and

(D) in no circumstances will VRL or any of the VRL Parties have any liability to VRC or any VRC Party, and neither BidCo nor any BidCo Party may bring a Claim in respect of any breach of a Business Warranty, under the indemnity in clause 11.8(b) or the Tax Indemnity prior to the Implementation Date.

and VRC has failed to remedy that breach within 10 Business Days (or the Delivery Time on the Second Court Date if earlier) of receipt by it of a notice in writing from VRL setting out details of the relevant circumstance and requesting VRC to remedy the breach.

14.3 Effect of termination

(a) In the event of termination of this agreement under clause 3.7(b), 4.7(b), 14.1 or 14.2, this agreement will be void and have no effect, except that the provisions of clauses 11.12, 11.13, 12, 13, 14, 15, 16 and 20.3 to 20.15 (inclusive) survive termination.

(b) Termination of this agreement does not affect any accrued rights of a party in respect of a breach of this agreement prior to termination.
15. VRL Break Fee

15.1 Background

(a) VRL and BidCo acknowledge that, if they enter into this agreement and the Structure B Scheme is subsequently not implemented, BidCo will incur significant costs including those described in clause 15.2 and that while BidCo is prepared to absorb those costs if the Structure A Scheme is implemented because BidCo will benefit in that scenario, neither it nor BGH will benefit if neither the Structure A Scheme or the Structure B scheme is implemented.

(b) In the circumstances referred to in clause 15.1(a), BidCo has requested that provision be made for the payments outlined in clause 15.3, without which BidCo would not have entered into this agreement.

(c) The IBC believes that the Structure A Scheme or the Structure B Scheme will provide benefit to VRL and VRL Shareholders and that it is appropriate for VRL to agree to the payments referred to in this clause 15 in order to secure BGH's and BidCo's participation in the Proposed Transactions.

15.2 Costs incurred by BidCo

(a) The fee payable under clause 15.3 has been calculated to reimburse BidCo for the following:

(i) fees for legal, taxation and financial advice in planning and implementing the Structure A Scheme and Structure B Scheme;

(ii) reasonable opportunity costs incurred in engaging in the Structure A Scheme and Structure B Scheme or in not engaging in other alternative acquisitions or strategic initiatives;

(iii) costs of management and directors’ time in planning and implementing the Structure A Scheme and Structure B Scheme;

(iv) out of pocket expenses incurred in planning and implementing the Structure A Scheme and Structure B Scheme;

(v) costs associated with the financing arrangements in respect of the Structure A Scheme and Structure B Scheme; and

(vi) any damage to BidCo's reputation associated with a failed transaction and the implications of those damages if BidCo seeks to execute alternative acquisitions in the future,

in each case, incurred by BidCo directly or indirectly as a result of having entered into this agreement and pursuing the Structure A Scheme and Structure B Scheme.

(b) The parties acknowledge that:

(i) the amount of fees, costs and losses referred to in this clause 15.2 is inherently unascertainable and that, even after termination of this agreement, the costs will not be able to be accurately ascertained; and

(ii) the amount of the costs payable under clause 15.3 is a genuine and reasonable pre-estimate of those fees, costs and losses and is not a penalty.

15.3 VRL Break Fee

(a) VRL agrees to pay to BidCo $4.29 million (inclusive of GST) (VRL Break Fee) in any of the following circumstances:
(i) **(Competing Proposal Succeeds)** both of the following occur:

(A) a Competing Proposal is publicly announced by VRL during the period commencing on the date of this agreement and ending on the End Date; and

(B) within 12 months from the date of the public announcement of such Competing Proposal:

(I) the Competing Proposal is implemented or completed, but for the purposes of this clause 15.3(a)(i)(B)(I), the reference to “10% or more” in paragraph (a) of the definition of “Competing Proposal” will be deemed to be a reference to “more than 20%”; or

(II) the proponent of that Competing Proposal acquires a relevant interest in, an economic interest in or voting power of at least 50% of the VRL Shares or otherwise acquires Control of VRL and the Competing Proposal is (or becomes) free of any defeating condition; or

(ii) **(Competing Proposal executed)** at any time before termination of this agreement, VRL enters into any agreement with a third party in respect of a Competing Proposal under which that third party and VRL agree to undertake or give effect to such Competing Proposal; or

(iii) **(Change of Recommendation)** at any time prior to the Second Court Date, any Independent Director:

(A) withdraws or adversely modifies their recommendation of the Proposed Transactions or recommends or supports a Competing Proposal;

(B) does not recommend in the Announcement or Explanatory Booklet that:

(I) in the context of the Structure A Scheme, the VRL Shareholders (other than the Structure A Excluded Shareholders) approve the Structure A Scheme;

(II) in the context of the Structure B Scheme, the VRL Shareholders approve the Structure B Scheme; or

(C) makes any public statement to the effect that the Structure A Scheme or the Structure B Scheme is not, or is no longer, recommended, except where that act is:

(D) as a result of the circumstances set out in the clause 7.2, which for the avoidance of doubt will not extend to any Independent Director adversely revising or adversely modifying his or her recommendation of the Proposed Transactions or making a public statement indicating that they recommend, endorse or support a Competing Proposal;

(E) as a result of the Independent Expert (either in its initial report or any updated, revised or supplemental report) opining that the Structure A Scheme or the Structure B Scheme is not in the best interest of VRL Shareholders (other than where the reason for that opinion is a Competing Proposal or in the case of the Structure B Scheme, because of the Structure A Scheme); or

(F) in circumstances where VRL is entitled to terminate this agreement under clauses 14.1(a)(i) or 14.2(b);

(iv) **(Material breach)** BidCo terminates this agreement in accordance with clauses 14.1(a)(i) or 14.2(a).
(b) VRL must pay BidCo the VRL Break Fee within 10 Business Days of receipt by VRL of a demand for payment from BidCo made after the occurrence of the event referred to in clause 15.3.

(c) For the avoidance of doubt, the VRL Break Fee is not payable merely because the resolution submitted to the Structure A Scheme Meeting in respect of the Structure A Scheme or the Structure B Scheme Meeting in respect of the Structure B Scheme is not approved by the majorities required under section 411(4)(a)(ii) of the Corporations Act.

(d) The VRL Break Fee is not payable by VRL if VRL validly terminates this agreement in accordance with clause 14.1(a)(i) or 14.2(b).

(e) The VRL Break Fee is only payable once and the maximum amount payable by VRL under this clause 15.3 is $4.29 million (inclusive of GST).

(f) Where the VRL Break Fee becomes payable to BidCo under this clause 15.3 and is actually paid to BidCo, BidCo (for itself and as agent of every member of the BidCo Group):

(i) releases all rights against and agrees with VRL that BidCo will not make a Claim against any VRL Party (other than a claim under this clause 15.3 or a claim in respect of a breach of clause 17) in connection with:

(A) the event that gave rise to the right to demand the payment of the VRL Break Fee; nor

(B) any other event, matter or circumstance that may give rise to a separate right to the VRL Break Fee or that constitutes or may constitute a breach of this agreement; and

(ii) indemnifies any VRL Party against a Claim that is made contrary to the release under clause 15.3(f)(i),

with the effect that the payment of the VRL Break Fee represents the sole and exclusive remedy of any BidCo Group Member for the circumstances set forth in this clause 15.3.

(g) Notwithstanding any other provision of this agreement but subject to clause 18:

(i) the maximum liability of VRL to BidCo under or in connection with this agreement including in respect of any breach of this agreement, except pursuant to clauses 11.8 and 11.9 (subject to clause 11.10), will be the VRL Break Fee; and

(ii) a payment by VRL in accordance with this clause 15.3 represents the sole and absolute liability of VRL under or in connection with this agreement and no further damages, fees, expenses or reimbursements of any kind will be payable by VRL in connection with this agreement.

(h) The VRL Break Fee is not payable if either the Structure A Scheme or the Structure B Scheme becomes Effective, notwithstanding the occurrence of any event in clause 15.3.

(i) For the avoidance of doubt, the VRL Break Fee paid under this clause 15.3 does not limit any of BidCo’s, BGH’s or their Affiliate’s rights under the Interim Facility Agreement.

16. BidCo Break Fee and VRC Break Fee

16.1 BidCo Break Fee

(a) BidCo agrees to pay to VRL $4.29 million (inclusive of GST) (BidCo Break Fee) if:

(i) the Structure A Scheme becomes Effective but BidCo does not satisfy its obligations under the Subscription Agreement and as a consequence VRC does not procure the payment of the Structure A Scheme Consideration by VRC in accordance with the terms and conditions of this agreement, the Structure A Scheme and the Structure A Scheme Deed Poll;
(ii) the Structure B Scheme becomes Effective but BidCo does not pay the Structure B Scheme Consideration in accordance with the terms and conditions of this agreement, the Structure B Scheme and the Structure B Scheme Deed Poll;

(iii) VRL terminates this agreement in accordance with either:

(A) clause 14.1(a)(i) as a result of a material breach of one or more of BidCo’s obligations under this agreement which have not been remedied within the time period set out clause 14.1(a)(i); and

(B) clause 14.2(b) as a result of a material breach by BidCo of a BidCo Warranty that has not been remedied within the time period set out in clause 14.2(b).

(b) BidCo must pay VRL the BidCo Break Fee within 10 Business Days of receipt by VRL of a demand for payment from VRL made after the occurrence of the event referred to in clause 16.1.

(c) HoldCo unconditionally and irrevocably guarantees to VRL the due and punctual performance and observance by BidCo of its obligations under clause 16.1(b) and indemnifies and undertakes to keep indemnified VRL to the extent of any failure by BidCo to pay an amount validly due to VRL under clause 16.1(b), provided HoldCo's maximum aggregate liability under this clause is $4.29 million.

(d) HoldCo's obligation under clause 16.1(c) remains unaffected despite:

(i) an amendment of this agreement; or

(ii) a rule of law or equity to the contrary; or

(iii) an insolvency event affecting a person or the death of a person; or

(iv) a change in the constitution, membership, or partnership of a person; or

(v) the partial performance of HoldCo's obligation under clause 16.1(c); or

(vi) HoldCo's obligation under clause 16.1(c) not being enforceable at any time (whether by reason of a legal limitation, disability or incapacity on the part of BidCo and whether this agreement is void ab initio or is subsequently avoided) against BidCo; or

(vii) VRL granting any time or other indulgence or concession to, compounding or compromising with, or wholly or partially releasing BidCo or HoldCo of an obligation; or

(viii) another thing happening that might otherwise release, discharge or affect the obligations of HoldCo under this agreement.

(e) HoldCo's obligation under clause 16.1(c) is absolute, unconditional and irrevocable, except to the extent specified in clause 16.1(c). The liability of HoldCo extends to and is not affected by any circumstance, act or omission which, but for this clause, might otherwise affect it at law or in equity. HoldCo's obligation under clause 16.1(c) is a continuing security, and remains in full force it has been fully paid and satisfied. Clauses 16.1(c) to 16.1(e) inclusive survive any termination or full or partial discharge of this agreement.

(f) The BidCo Break Fee is not payable by BidCo if the VRC Break Fee is payable by VRC.

(g) The BidCo Break Fee is not payable by BidCo if BidCo validly terminates this agreement in accordance with clause 14.1(a)(i) or 14.2(a).

(h) The BidCo Break Fee is only payable once and the maximum amount payable by BidCo under this clause 16.1 is $4.29 million (inclusive of GST).
(i) Where the BidCo Break Fee becomes payable to VRL under this clause 16.1 and is actually paid to VRL, VRL (for itself and as agent of every member of the VRL Group and each VRL Party):

(ii) releases all rights against and agrees with BidCo and VRC that VRL will not make a Claim against any BidCo Party (other than a claim under this clause 16.1) or VRC Party in connection with:

(A) the event that gave rise to the right to demand the payment of the BidCo Break Fee; nor

(B) any other event, matter or circumstance that may give rise to a separate right to the BidCo Break Fee or that constitutes or may constitute a breach of this agreement; and

(ii) indemnifies any BidCo Party and VRC Party against a Claim that is made contrary to the release under clause 16.1(i)(i),

with the effect that the payment of the BidCo Break Fee represents the sole and exclusive remedy of any VRL Group Member for the circumstances set forth in this clause 16.1.

(j) Notwithstanding any other provision of this agreement but subject to clause 18:

(i) the maximum liability of BidCo to VRL under or in connection with this agreement including in respect of any breach of this agreement will be the BidCo Break Fee; and

(ii) a payment by BidCo in accordance with this clause 16.1 represents the sole and absolute liability of BidCo under or in connection with this agreement and no further damages, fees, expenses or reimbursements of any kind will be payable by BidCo in connection with this agreement.

(k) For the avoidance of doubt:

(i) the BidCo Break Fee paid under this clause 16.1 does not limit any of BidCo’s, BGH’s or their Affiliates’ rights under the Interim Facility Agreement; and

(ii) if VRL Break Fee is paid by VRL to BidCo pursuant to clause 15.3, no BidCo Break Fee will be payable under this clause 16.1.

### 16.2 VRC Break Fee

(a) VRC agrees to pay to VRL $4.29 million (inclusive of GST) ([VRC Break Fee](#)) if VRL terminates this agreement in accordance with either:

(i) clause 14.1(a)(i) as a result of a material breach of one or more of VRC obligations under this agreement which have not been remedied within the time period set out clause 14.1(a)(i); and

(ii) clause 14.2(c) as a result of a material breach by VRC of a VRC Warranty that has not been remedied within the time period set out in clause 14.2(c).

(b) VRC must pay VRL the VRC Break Fee within 10 Business Days of receipt by VRC of a demand for payment from VRL made after the occurrence of the event referred to in clause 16.2(a).

(c) The VRC Break Fee is not payable by VRC if VRC validly terminates this agreement in accordance with clause 14.2(a) or BidCo validly terminates this agreement in accordance with clause 14.1(a)(i) due to a material breach by VRL.

(d) The VRC Break Fee is not payable by VRC if the BidCo Break Fee is payable by BidCo.

(e) The VRC Break Fee is only payable once and the maximum amount payable by VRC under this clause 16.2 is $4.29 million (inclusive of GST).
(f) Where the VRC Break Fee becomes payable to VRL under this clause 16.2 and is actually paid to VRL, VRL (for itself and as agent of every member of the VRL Group):

(i) releases all rights against and agrees with VRC and BidCo that VRL will not make a Claim against any VRC Party (other than a claim under this clause 16.2) and BidCo Party in connection with:

(A) the event that gave rise to the right to demand the payment of the VRC Break Fee; nor

(B) any other event, matter or circumstance that may give rise to a separate right to the VRC Break Fee or that constitutes or may constitute a breach of this agreement; and

(ii) indemnifies any VRC Party and BidCo Party against a Claim that is made contrary to the release under clause 16.2(f)(i), with the effect that the payment of the VRC Break Fee represents the sole and exclusive remedy of any VRL Group Member for the circumstances set forth in this clause 16.2.

(g) Notwithstanding any other provision of this agreement but subject to clause 18:

(i) the maximum liability of VRC to VRL under or in connection with this agreement including in respect of any breach of this agreement will be the VRC Break Fee; and

(ii) a payment by VRC in accordance with this clause 16.2 represents the sole and absolute liability of VRC under or in connection with this agreement and no further damages, fees, expenses or reimbursements of any kind will be payable by VRC in connection with this agreement.

(h) For the avoidance of doubt, the VRC Break Fee paid under this clause 16.2 does not limit any of BidCo’s, BGH’s or their Affiliates’ rights under the Interim Facility Agreement.

17. Exclusivity

17.1 No shop restriction

During the Exclusivity Period, except with the prior written consent of BidCo, VRL must not, and must ensure that none of its Related Bodies Corporate nor any of their Authorised Persons, directly or indirectly:

(a) solicit, invite, encourage, continue or initiate any Competing Proposal or any enquiries, negotiations or discussions with any third party in relation to, or that may reasonably be expected to encourage or lead to, an actual, proposed or potential Competing Proposal or which may otherwise lead to the Proposed Transactions not being completed; or

(b) solicit, invite, encourage or initiate approaches, enquiries, discussions or proposals with a view to obtaining any offer, proposal or expression of interest from any person in relation to, or which may reasonably be expected to lead to, an actual, proposed or potential Competing Proposal, or communicate any intention to do any of those things.

17.2 No talk restriction

Subject to clause 17.4, during the Exclusivity Period, VRL must not, and must ensure that none of its Related Bodies Corporate nor any of their Authorised Persons (whether directly or indirectly):

(a) negotiate or enter into or participate in or continue any negotiations or discussions with any person; or

(b) communicate any intention to do any of these things,
in relation to, or that may reasonably be expected to encourage or lead to, an actual or potential Competing Proposal or any agreement, understanding or arrangement that may be reasonably expected to encourage or lead to a Competing Proposal or which may otherwise lead to the Proposed Transactions not being completed, even if:

(c) the Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by VRL or any of its Related Bodies Corporate; or

(d) that person has publicly announced the Competing Proposal.

### 17.3 No due diligence

(a) During the Exclusivity Period, except with the prior written consent of BidCo, VRL must not, and must ensure that its Related Bodies Corporate and their respective Authorised Persons do not, directly or indirectly:

(i) solicit, invite, initiate, or encourage, or (subject to clause 17.4) facilitate or permit, any person (other than BidCo or VRC) to undertake due diligence investigations in respect of VRL, its Related Bodies Corporate, or any of their businesses and operations, in connection with or with a view to obtaining or which would reasonably be expected to lead to such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal; or

(ii) subject to clause 17.4, make available to any person (other than BidCo or VRC) or permit any such person to receive any non-public information relating to VRL, its Related Bodies Corporate, or any of their businesses and operations, in connection with or with a view to obtaining or which would reasonably be expected to lead to such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal.

(b) If VRL proposes that any non-public information be provided to a third party while validly relying on the exception in clause 17.4, then:

(i) before VRL provides such information, the third party must enter into a confidentiality agreement which contains obligations on the recipient of that information which are no less onerous in any material respect than the obligations of BGH and VRL under the Confidentiality Deed; and

(ii) any non-public information provided to that third party must also be provided to BidCo and VRC (unless the information has already been provided to BidCo or a BidCo Authorised Person or VRC or a VRC Authorised Person).

### 17.4 Exceptions

Clauses 17.2, 17.3(a)(i) and 17.3(a)(ii) do not apply to the extent that they restrict VRL or the VRL Board from taking or refusing to take any action with respect to a genuine Competing Proposal (in relation to which there has been no contravention of this clause 17) provided that:

(a) the Competing Proposal is bona fide and is made by or on behalf of a person that the VRL Board considers is of sufficient commercial standing;

(b) the VRL Board, acting in good faith, determines:

(i) where there is a written Competing Proposal, after consultation with its financial advisors, that the Competing Proposal is a Superior Proposal or the steps which the VRL Board proposes to take may reasonably be expected to lead to a Competing Proposal which is a Superior Proposal; and

(ii) after receiving written legal advice from VRL’s external legal Advisers experienced in transactions of this nature, that failing to respond to the Competing Proposal may constitute a breach of its fiduciary or statutory duties; and

(c) VRL notifies promptly and in any event within 48 hours BidCo of each action or inaction by VRL or the VRL Board in reliance on this clause 17.4.
17.5 VRL warranty and undertakings

(a) VRL warrants as at the date of this agreement:

(i) that it has, and its Authorised Persons have, ceased any existing discussions or
 negotiations with any party which may reasonably be expected to lead to a
 Competing Proposal; and

(ii) that it has requested, or will as soon as practicable request, the return of VRL’s
 confidential information in accordance with the terms of any relevant confidentiality
 agreement from all third parties conducting due diligence investigations on the
 VRL Group prior to the date of this agreement in connection with (or contemplation of)
 a Competing Proposal or potential Competing Proposal.

(b) During the Exclusivity Period, VRL must:

(i) enforce all its rights under each confidentiality agreement entered into in
 connection with an actual or potential Competing Proposal (before the date of this
 agreement), including any standstill obligations and its rights to require the return
 of confidential information as referred to in clause 17.5(a)(ii);

(ii) as soon as reasonably practicable, ensure that the electronic data room access
 granted to any third party prior to the date of this agreement in connection with an
 actual or potential Competing Proposal is withdrawn; and

(iii) not grant any waivers or agree to any amendments under any confidentiality
 agreements entered into in connection with an actual or potential Competing
 Proposal (before the date of this agreement).

17.6 Notice of Competing Proposal

(a) Subject to clause 17.6(b), during the Exclusivity Period, VRL must promptly (and in any
 event, within 48 hours) notify VRC and BidCo in writing of:

(i) any negotiations or discussions, approach or attempt to initiate any negotiations or
discussions, or intention to make such an approach or attempt to initiate any
negotiations or discussions with VRL, any of its Related Bodies Corporate or any
of their respective Authorised Persons in respect of any inquiry, expression of
interest, offer, proposal or discussion that could reasonably be expected to lead to
a Competing Proposal;

(ii) the receipt of any proposal made by any person to VRL, any of its Related Bodies
Corporate or any of their respective Authorised Persons, that could reasonably be
expected to lead to a Competing Proposal; or

(iii) any request made by any person to VRL, any of its Related Bodies Corporate or
any of their respective Authorised Persons, for any information relating to VRL, its
Related Bodies Corporate, or any of their businesses and operations, in
connection with such proposal,

(Competing Proposal Notice).

(b) In circumstances where the requirements of clauses 17.4(a) and 17.4(b) have been
satisfied in respect of a Competing Proposal, VRL may delay issuing the Competing
Proposal Notice for a period ending no later than five days after the relevant
circumstances in clause 17.6(a)(i), 17.6(a)(ii) or 17.6(a)(iii) have occurred.

(c) A Competing Proposal Notice must be accompanied by all material details of the relevant
event, including:

(i) the material terms and conditions (including price, conditions precedent, timetable
and any break fee) of any Competing Proposal or any proposed Competing
Proposal (to the extent known); and
(ii) the identity of the person who made the relevant approach, inquiry or proposal to initiate discussions or negotiations referred to in clauses 17.6(a)(i) and 17.6(a)(ii) or who made the relevant request for information referred to in clause 17.6(a)(iii).

(d) If VRL gives VRC and BidCo a Competing Proposal Notice, VRC and BidCo agrees that the notice will be Confidential Information of VRL (as defined in the Confidentiality Deed).

(e) During the Exclusivity Period, VRL must also notify VRC and BidCo in writing as soon as possible after becoming aware of any material developments in relation to any actual, proposed or potential Competing Proposal, including in respect of any of the information previously notified to the bidder under this clause 17.6.

17.7 VRL’s response to Competing Proposal and right to respond

(a) If VRL receives a Competing Proposal and as a result, any Independent Director proposes to either:

(i) change, withdraw or modify his or her recommendation of either the Structure A Scheme or the Structure B Scheme; or

(ii) approve or recommend entry into any agreement, commitment, arrangement or understanding relating to the Competing Proposal with the person who has made the applicable Competing Proposal (other than an Acceptable Confidentiality Agreement),

VRL must ensure that no Independent Director does so:

(iii) unless the Competing Proposal is bona fide and constitutes a Superior Proposal; and

(iv) until each of the following has occurred:

(A) VRL has given VRC and BidCo written notice (Relevant Notice) of the Independent Director’s proposal to take the action referred to in clauses 17.7(a)(i) or 17.7(a)(ii) (subject to VRC’s and BidCo’s rights under clause 17.7(b)), including details of the grounds on which the Independent Directors propose to take such action;

(B) VRL has given VRC and BidCo all information that would be required by clause 17.6(c), including the identity of the person making the Competing Proposal; and

(C) either:

(I) BidCo has not announced or provided to VRL a Counter Proposal before the Cut Off Date; or

(II) BidCo has announced or provided to VRL a Counter Proposal before the Cut Off Date and the VRL Board has determined, in good faith, that the Counter Proposal would not provide an equivalent or superior outcome to VRL shareholders as a whole compared with the Competing Proposal and BidCo have been given an opportunity to amend the Counter Proposal in accordance with clause 17.7(e).

(b) If VRL gives a Relevant Notice to VRC and BidCo under clause 17.7(a)(iv)(A), BidCo will have the right, but not the obligation, at any time during the 5 Business Days following the receipt of the Relevant Notice (Cut Off Date), to amend the terms of the Proposed Transactions including increasing the amount of consideration offered under the Proposed Transactions or proposing another form of transaction (each a Counter Proposal), and if they do so then the Independent Directors must review the Counter Proposal and determine whether, in good faith, the Counter Proposal would provide an equivalent or superior outcome to VRL shareholders as a whole compared with the Competing Proposal.
(c) VRL must procure that the VRL Board promptly, and in any event within 2 Business Days, notifies BidCo of the determination in writing, stating reasons for that determination.

(d) If the Independent Directors determine in good faith that the Counter Proposal would provide an equivalent or superior outcome to VRL Shareholders as a whole compared with the Competing Proposal, then VRL and BidCo must use their best endeavours to agree the amendments to this agreement that are reasonably necessary to reflect the Counter Proposal, and to enter into an amended agreement to give effect to those amendments and to implement the Counter Proposal, and VRL must use its best endeavours to procure that the Independent Directors recommend the Counter Proposal to the VRL Shareholders and not recommend the applicable Competing Proposal.

(e) If the determination is that the Counter Proposal would not provide an equivalent or superior outcome to VRL Shareholders as a whole compared with the Competing Proposal, then BidCo may take steps to amend the Counter Proposal to address the reasons given within a further period of 5 Business Days. If BidCo does so to VRL’s satisfaction, then the process in clause 17.7(d) applies to that amended Counter Proposal.

(f) For the purposes of this clause 17.7, each successive material modification of any third party expression of interest, offer or proposal in relation to a Competing Proposal will constitute a new Competing Proposal.

17.8 Normal provision of information

Nothing in this clause 17 prevents VRL from:

(a) providing information required to be provided by law, any court of competent jurisdiction, any Governmental Agency or the Listing Rules;

(b) providing information in relation to a preparatory step for a Capital Raising that meets the conditions in clauses 9.7(a)(i) to 9.7(a)(v); or

(c) making presentations to and responding to bona fide enquiries from stockbrokers, portfolio investors and equity market analysts in relation to the Structure A Scheme or the Structure B Scheme,

subject to VRL complying with its obligations under the Confidentiality Deed and clause 13.

18. Modification of VRL Break Fee, BidCo Break Fee or exclusivity arrangements

18.1 Modifications following regulatory intervention

If any of the following occurs:

(a) a Governmental Agency finds that all or any part of the payment required to be made under clauses 15 or 16 or an exclusivity arrangement under clause 17 is unacceptable or unenforceable; or

(b) as a result of an application to the Takeovers Panel, the Takeovers Panel indicates that, in the absence of a written undertaking under section 201A of the Australian Securities and Investments Commission Act 2001 (Cth) to modify the amount of the VRL Break Fee, the VRC Break Fee or the BidCo Break Fee or the circumstances in which it is to be paid or the circumstances in relation to an exclusivity arrangement under clause 17, it will make a declaration of unacceptable circumstances,

then, subject to clause 18.3:

(c) the parties must amend clauses 15, 16 and/or 17 to the extent required to give effect to the requirements of the Governmental Agency or the Takeovers Panel (as the case may be) and (in circumstances referred to in clause 18.1(b)) must give the required undertaking(s); and
(d) neither the occurrence of any of the events referred to in clause 18.1(a) or 18.1(b) nor the amendment of clauses 15, 16 and/or 17 will be taken to be a breach of, or permit any party to terminate, this agreement.

18.2 Conduct during proceedings
(a) During the course of any Takeovers Panel or court proceedings (including any appeal or review thereof) referred to in clause 18.1, the parties must take all reasonable steps to ensure that any such declaration or determination has the minimum effect possible.
(b) The parties must not make or cause or permit to be made any application to a court of the Takeovers Panel for or in relation to a determination referred to in clause 18.1.

18.3 No requirement to act unless decision final
The parties are only required to take steps under 18.1(c) in relation to any requirement of a Governmental Agency or the Takeovers Panel if:
(a) no appeal or review proceeding is available from the decision to impose that requirement or the period for lodging an appeal or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced; or
(b) BidCo, VRC and VRL agree in writing not to appeal or seek review of the decision to impose that requirement.

18.4 Appeals and review of regulatory decisions
Nothing in this agreement requires either party to appeal or seek review of any decision of a Governmental Agency or the Takeovers Panel referred to in clause 18.1(a) or 18.1(b). If BidCo, VRC and VRL wishes to appeal or seek review of any such decision then the others must make submissions in the course of those proceedings supporting the review made by the first party.

18.5 Determination by Governmental Agency
