

Highlights

- **SCEE awarded over \$30m of commercial work in NSW and ACT**

Southern Cross Electrical Engineering Limited ("SCEE") is pleased to announce its East Coast-based subsidiary Heyday has been awarded a range of commercial projects totaling in excess of \$30m as follows.

In NSW Heyday has been awarded the following contracts with a combined value of circa \$15m:

- The 5 & 7 Parramatta Square project by Built Pty Ltd, which involves the design and construction of the electrical, security, audio-visual and ICT services for the 8,000 m², six floor and two basement level building which is integrated with the adjoining heritage-listed Parramatta Town Hall. The project is due for completion in the final quarter of 2021.
- Heyday has been engaged by J. Hutchinson Pty Ltd for a further stage at the RuData SYD053 data centre at Eastern Creek in Sydney's western suburbs, which is the fourth subcontract for Heyday on this site. This scope includes the fit-out of an additional 1,200m² of data hall space, new HV and LV reticulation, switchboards, UPS, generator systems, lighting and power. The works are expected to be completed by December 2020.

In Canberra Heyday has secured from Geocon Pty Ltd the Nightfall, Aspen and Establishment Apartments projects with a combined value in excess of \$15m. All three projects are design and construct and fully inclusive of all electrical and communications infrastructure:

- Nightfall comprises 334 residential apartments and 17 commercial tenancies and is the final stage of the Republic development which compliments the previously announced High Society and Republic unit blocks. Expected completion is in the third quarter of 2021.
- The Establishment and Aspen developments are made up of 289 apartments and 2 commercial tenancies over two towers, and 622 apartments and 19 commercial tenancies over four towers, respectively. Expected completion of the Establishment towers is mid-2022 and the Aspen towers is the fourth quarter of 2022.

Comment

Commenting on the above, SCEE Managing Director Graeme Dunn said "I am pleased to announce such a range of work demonstrating the high regard in which Heyday is held in the sectors in which it operates. All of these awards were negotiated since the onset of the Coronavirus pandemic and will serve to underpin the Group's performance this financial year and next."
