## Other significant information

SportsHero's strategy is to build a large user base of active sports fans utilising our premium technologies and official associations with the sport's governing bodies. We will then monetise these strategic assets with recurring revenue generated from complementary advertising income, brand sponsorship, subscriptions, competition revenue, video streaming, ecommerce and match and gamification ticket sales.

SportsHero has developed an intelligent, engaging sports prediction platform, designed to provide a dynamic immersive social experience, coupled with both monetary and other prizes.

It has an exclusive digital partnership with PSSI (Football Association of Indonesia) as well as with Spain's LaLiga, one of the world's most popular sporting leagues.

Having developed a white label digital solution, SportsHero is able to offer that digital solution across multiple sports to sporting groups and other partners globally.

On 7 July 2020, SportsHero announced the launch of its first ever fully localised Indonesian app 'Olahbola', that was designed, created and developed in house.

SportsHero operates in Indonesia, which is a very large attractive market in which we are targeting passionate football fans aged 18-35 years with middle-income demographics. With no obvious competition, everything is in place for us to grow quickly.

### **Control gained over entities and loss of control over entities**

During the financial year the Company did not gain or lose control over any entity.

### **Details of associates and joint venture entities**

On 10 January 2019, the Company announced that it had entered into a non-binding Heads of Agreement with Cross Bet Holdings Pty Ltd (**CBH**) for the purpose of securing access to a Sports Bookmaker Licence (**Licence**).

On 8 March 2019, the Company announced the formation of a joint venture with CBH for the purpose of enabling the granting of a Licence to a newly incorporated joint venture vehicle named Pay-to-Play Australia Pty Ltd (**P-to-P**).

Subject to the granting of a Licence to P-to-P by the Northern Territory Racing Commission (**NTRC**) the joint venture parties intended to operate a pay-to-play sports prediction platform in Australia.

To facilitate the granting of the Licence to P-to-P, SportsHero loaned P-to-P \$200,000 to enable P-to-P to pay a \$200,000 refundable bond to the NTRC.

The NTRC have not approved either the issue of a Licence to P-to-P or the transfer of a Licence to P-to-P. As a consequence, the NTRC has cancelled the bond and P-to-P has repaid the \$200,000 loan to SportsHero.

The NTRC has previously either granted or approved the grant of a Licence to Cross Bet Pty Ltd (a wholly owned subsidiary of CBH) and has recently approved the acquisition by SportsHero of a 50% equity interest in Cross Bet Pty Ltd (effectively enabling SportsHero to acquire a 50% interest in a Licence). SportsHero is aware that CBH is intending to use the Licence to undertake gambling operations in Australia. As the proposed gambling operations would indirectly result in a change in the nature of SportsHero's activities, SportsHero has resolved not to acquire a 50% interest in Cross Bet Pty Ltd.

The Board is considering its options with regard to the P-to-P joint venture.

### COVID-19

As a consequence of the COVID-19 pandemic:

1. On 17 March 2020, PSSI announced the suspension of all Indonesian football competitions, with no date being set for its resumption.
2. Spanish football fixtures re-commenced on 11 June 2020, having been suspended since 12 March 2020.

The suspension of football by both the Indonesian and the Spanish football leagues has had a temporary, although material impact on the Company's ability to generate revenues from its prediction platforms, sponsor and partner advertising.

As a response to COVID-19, the Company implemented substantial cost saving measures, whilst at the same time retaining key talent and personnel in order to retain the ability to rapidly scale up in the future.

Total annual cash savings of in excess of \$1,000,000 were implemented. These cost saving measures included the following:

- ✓ the standing down all contracted team members, whilst retaining the ability to scale up immediately following the COVID-19 crisis.
- ✓ Chairman and Directors to forego remuneration for the period commencing 1 March 2020 to 30 June 2020 (inclusive).
- ✓ CEO and senior staff to take a 50% salary cut.
- ✓ renegotiation of all retainers, subscription services and reduction of leased office space.
