As this is the Company's first annual general meeting since incorporation, the remuneration for the non-executive Directors have not been previously determined.

The Remuneration Committee reviews and approves the Company's remuneration policy in order to ensure that the Company is able to attract and retain executives and Directors who will create value for Shareholders, having regard to the amount considered to be commensurate for an entity of the Company's size and level of activity as well as the relevant Directors' time, commitment and responsibility.

7. Resolution 4 – Approval to Issue Shares and Instruments

Section 161 of the Companies Act requires that the issue of any new Shares or other securities in the Company be approved by Shareholders.

This authority will, unless revoked or varied at a general meeting of the Company, expire at the conclusion of the next annual general meeting of the Company.

8. Resolution 5 – Amendment to the Constitution

It is proposed that the Company's Constitution be updated to comply with recent changes to the Listing Rules. The modified Constitution has been notified to ASX as required under the Listing Rules.

Resolution 5 seeks Shareholder approval for the modification of the Constitution in accordance with Section 26 of the Companies Act.

A copy of the modified Constitution will be sent to any Shareholder on request and will also be available for inspection at the office of the Company during normal business hours prior to the Annual General Meeting and available for inspection at the Meeting.

The modified Constitution will be effective from the close of the Meeting.

Summary of proposed modifications

Article 22 of the Constitution will be deleted and replaced with the following:

"The Company must comply with all requirements of the Listing Rules relating to Restricted Securities. Despite any other provisions of the Articles:

- a) *a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- b) *if the securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored sub-register and are to have a Holding Lock applied for the duration of the escrow period applicable to those securities;*
- c) *the Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- d) *a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- e) *if a holder of Restricted Securities breaches a restriction deed or a provision of this Articles restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues."*

The proposed amendment to the Constitution provides that the Company's Constitution is consistent with ASX's modified escrow regime.

The changes to Listing Rule 15.12 (which are reflected in the above new wording) took effect from 1 December 2019 and apply to restricted securities after this date. Any restricted securities issued before 1 December 2019 must continue to comply with the provisions of Listing Rule 15.12 in force immediately prior to this date.

Reasons for proposed modifications

In accordance with ASX's Public Consultation Paper of 28 November 2018 titled "Simplifying, clarifying and enhancing the integrity and efficiency of the ASX Listing Rules", the ASX proposed a number of changes to the Listing Rules.

One efficiency measure the ASX proposed was to amend the Listing Rules to give effect to a modified escrow regime to make aspects of the listing process and ongoing compliance with the Listing Rules more efficient.

ASX's modified escrow regime came into effect from 1 December 2019. A two-tiered escrow regime was introduced.

The first tier of escrow involves ASX requiring certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of an ASX compliant restriction agreement (Appendix 9A). The expectation is a restriction agreement requirement will be imposed on related parties, promoters, substantial holders, service providers and their associates.

However, for less significant holders, a second tier applies where ASX will instead allow listed entities to rely on a provision in their Constitution imposing appropriate escrow restrictions on the holder of restricted securities and to provide a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions. Securities in a class of quoted securities will be made the subject of a holding lock for the duration of the escrow period.

This two-tier escrow regime replaced the previous requirement where all holders of restricted securities were required to enter into a formal escrow agreement.

Listing Rule 15.12, from 1 December 2019, requires the constitutions of listed entities to reflect the modified escrow regime. This includes the constitution expressly providing for securities to be the subject of a holding lock where they are in a class of quoted securities and further providing that the holder of restricted securities will not be entitled to participate in any return of capital during the escrow period.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chairman intends to exercise all available proxies in favour of Resolution 5.

The Board recommends that Shareholders vote in favour of Resolution 5.
