SRG Global Secures Specialist Facades and Engineering Contracts Valued at ~\$65m

Highlights:

- Specialist post-tensioning engineering and engineered products contract with John Holland for the Sydney Football Stadium Redevelopment at Moore Park in Sydney
- Specialist Facades and Structures contract for the Capital Square Development in Perth
- Specialist Facades contract with Lendlease for works at 150 Lonsdale Street in Melbourne as part of the Wesley Place precinct

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce that it has secured a contract with John Holland to provide specialist post-tensioning engineering and engineered products for the Sydney Football Stadium Redevelopment at Moore Park in Sydney.

SRG Global has also been awarded a contract to complete Specialist Facades and Structures works at the Capital Square development in the Perth CBD. The scope of works includes the design, supply and installation of engineered curtain wall facades and structures work.

SRG Global has also secured a Specialist Facades contract to design, supply and install the specialist engineered curtain wall facades at 150 Lonsdale Street in Melbourne. This contract will be the third project undertaken by the Company for Lendlease, on behalf of Charter Hall in the Wesley Place precinct, having previously completed 130 Lonsdale Street and with 140 Lonsdale Street currently under construction.

David Macgeorge, Managing Director, commented: "We are pleased to be involved with these significant landmark developments at Sydney Football Stadium at Moore Park in Sydney, Capital Square Development in Perth and the Wesley Place precinct in Melbourne. These contract awards are evidence of our engineering-led specialist capability with repeat tier one clients"
