MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured construction and maintenance contracts in the resources sector with a combined value of approximately \$120 million.

The Company has been awarded the following contracts under its WAIO Asset Panel Framework Agreement with BHP:

- A contract to provide structural, mechanical and electrical upgrades at the Newman Hub site in the Pilbara, Western Australia. Work will commence immediately and is expected to be completed before the end of 2021; and
- A contract associated with the dewatering of surplus water at Jimblebar mine site in Newman, Western Australia.

In addition, Monadelphous has entered into the Olympic Dam Asset Projects Framework Agreement with BHP to provide multi-disciplinary construction services at the Olympic Dam copper mine in South Australia. Monadelphous has secured its first contract under the agreement for the supply and construction of acid storage tanks and connection to the existing operating acid plant.

Finally, the Company’s Maintenance and Industrial Services division has been awarded a contract to undertake a major dragline shutdown for BHP Mitsubishi Alliance at its Saraji Mine, located near Dysart, Queensland. The work will be completed by the end of December 2020.
