Dear Investor,

On 3 August 2020, Magellan Asset Management Limited (**Magellan**) announced a restructure proposal to simplify its global equities retail product offering. The restructure proposal, should it proceed, will have the effect of combining the Magellan Global Equities Fund (**MGE**) and the Magellan Global Trust (**MGG**) with the Magellan Global Fund.

Magellan has released an Explanatory Memorandum which contains details about the restructure proposal and the implications for you as an existing investor in MGE. The Explanatory Memorandum is important and requires your immediate attention. Magellan will not be dispatching physical copies of the Notice of Meeting and Explanatory Memorandum<sup>1</sup>. Instead, these documents are available to view online at [www.magellanfundrestructure.com.au](http://www.magellanfundrestructure.com.au).

If you wish to receive a printed copy of the Explanatory Memorandum, you may request one by calling the MGE Unitholder Information Line on +61 1800 206 847, between 7.00am and 8.00pm (AEDT), Monday to Friday. It is important that you read the Notice of Meeting and Explanatory Memorandum in full.

### Overview of the Restructure

The restructure involves the proposed acquisition of all the units in MGE and MGG by the Magellan Global Fund. Following the restructure, should it be approved, the Magellan Global Fund will have two unit classes on issue:

- Open Class Units, which will be quoted on the ASX under the AQUA Rules but will also allow the holders of those units to continue to apply for and redeem units directly with Magellan, in its capacity as responsible entity of Magellan Global Fund; and
- Closed Class Units, which will be quoted on the ASX under the ASX Listing Rules.

To effect the restructure, Magellan Global Fund is proposing to acquire all of the units in MGE and all the units in MGG by way of two separate but inter-conditional trust schemes.

As a unitholder in MGE, you will receive Open Class Units in exchange for your existing units in MGE, with the exchange ratio based on the respective net asset values on the Effective Date. The Open Class Units will, in many respects, look and feel similar to the units in MGE you hold today. You will continue to be able to trade your investment on the ASX, however you will also gain the ability to apply for or redeem your Open Class Units directly with Magellan in its capacity as responsible entity of Magellan Global Fund. This feature is not currently available to MGE unitholders, other than in limited circumstances.

### MGF Partnership Offer

Should the restructure proceed, and subject to the necessary regulatory approvals, Magellan intends to offer all unitholders in the Magellan Global Fund following implementation of the restructure the ability to subscribe for new Closed Class Units at the NAV per Closed Class Unit (the **MGF Partnership Offer**). We expect to launch the MGF Partnership Offer in January 2021.

<sup>1</sup> In accordance with subsection 5(1)(f) of the *Corporations (Coronavirus Economic Response) Determination (No.1) 2020*.

By subscribing for new Closed Class Units, successful applicants will also receive:

- a valuable benefit in the form of additional Closed Class Units worth 7.5% of their subscription; and
- a MGF Option for each Closed Class Unit allotted. Each MGF Option will be exercisable into one Closed Class Unit with the exercise price set at a 7.5% discount to the prevailing NAV per Closed Class Unit at the time of exercise. The MGF Options will have a three-year term and will first be exercisable three months after the date of their issue. It is intended that MGF Options will be quoted on ASX.

As part of Magellan Financial Group's partnership approach with investors in Closed Class Units and to minimise dilution, Magellan Financial Group will fund both the 7.5% additional Closed Class Unit partnership benefit and the 7.5% MGF Option exercise price discount.

Further details of the MGF Partnership Offer are outlined in Section 7.24 of the Explanatory Memorandum.

### **Magellan Directors Recommendation and Independent Expert's Opinion**

The directors of Magellan believe the restructure will deliver a number of benefits to MGE unitholders and recommend that MGE unitholders vote in favour of the restructure proposal, in the absence of a superior proposal. Section 3.4 of the Explanatory Memorandum provides a further explanation of the key benefits, risks and disadvantages of the restructure for MGE unitholders. An Independent Expert has been appointed to provide an opinion on the restructure. The Independent Expert has concluded that the restructure is fair and reasonable and in the best interests of MGE unitholders, in the absence of a superior proposal.

### **Notice of Meeting**

MGE unitholders are being asked to vote at a virtual (online) meeting to be held at 10.30am (AEDT) on 25 November 2020 on resolutions required to effect the restructure and a related party resolution.

The Notice of Meeting and Explanatory Memorandum contain details about the restructure proposal, the implications for you as an existing investor in MGE and details on how to participate and vote at the meeting.

Your vote is important, and the directors of Magellan encourage you to vote.

Once available, eligible Magellan Global Fund Unitholders will need to consider the product disclosure statement in deciding whether or not to subscribe for Closed Class Units and MGF Options.
