### 1. RESOLUTIONS 1 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES

#### 1.1 Background

On 26 October 2020, the Company announced a placement of Shares (**Placement Shares**) to sophisticated and professional investors (**Placement Participants**) at an issue price of \$0.015 per Placement Share, together with one (1) free attaching Option (exercisable at \$0.03 on or before 31 December 2021) (**Placement Options**) for every two (2) Placement Shares subscribed for and issued (**Placement**). On 28 October 2020, the Company made a corrective announcement and advised that a total of 101,666,667 Placement Shares will be issued pursuant to the Placement at an issue price of \$0.015 per Placement Share to raise to raise \$1,525,000 (before costs).

The Placement Shares were issued on 29 October 2021 pursuant to the Company's placement capacity under Listing Rule 7.1. Accordingly, Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares. Resolution 3 seeks Shareholder approval for the issue of the Placement Options.

#### 1.2 ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions which are contained in Listing Rule 7.2 (which do not apply in the circumstance of this Resolution), Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. The Placement Shares do not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 1 seeks Shareholder approval to subsequently approve the issue of 101,666,667 Placement Shares (which were issued

pursuant to the Company's capacity under Listing Rule 7.1) under and for the purposes of Listing Rule 7.4.

### 1.3 **Technical information required by Listing Rule 14.1A**

If Resolution 1 is passed, the Placement Shares will be **excluded** in calculating the Company's 15% placement capacity under Listing Rule 7.1, effectively **increasing** the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 1 is not passed, the Placement Shares will be **included** in calculating the Company's 15% placement capacity Listing Rule 7.1, effectively **decreasing** the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

### 1.4 **Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in respect of Resolution 1:

- (ii) issued more than 1% of the issued capital of the Company.

(b) **Number and class of securities issued**

- (i) further develop existing technology ventures and expansion into new ventures; and
- (ii) fund the Company's general working capital requirements.

The Company has spent approximately \$500,000 of the funds raised pursuant to the Placement.

(g) **Agreements**

The Placement Shares were not issued pursuant to an agreement.

(h) **Voting Exclusion**

### 2.3 Technical information required by Listing Rule 14.1A

The full terms and conditions of the Placement Options are set out in Schedule 2.

The full terms and conditions of the Broker Options are set out in Schedule 2 (being the same terms and conditions as the Placement Options).

(d) **Date on which the Company will issue the securities**

### **5. RESOLUTION 5 – ESTABLISHMENT OF EMPLOYEE SECURITIES INCENTIVE PLAN AND THE SUBSEQUENT ISSUE OF SECURITIES UNDER THE PLAN**

#### **5.1 Background to Plan and Listing Rule 7.1 and 7.2 Exception 13**

The Board is committed to incentivising and retaining Key Management Personnel in a manner which promotes alignment of their interests with the interests of Shareholders. As a result, the Board wishes to adopt an Employee Securities Incentive Plan ("**Plan**"), which is intended to enable eligible participants to share in any increase in the Company's value (as measured by prevailing market conditions and the share price of the Company).

An explanation of Listing Rule 7.1 is set out in section 1.2 above.

ASX Listing Rule 7.2 (Exception 13) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive plan are exempt for a period of 3

years from the date on which shareholders approve the issue of securities under the plan as an exception to ASX Listing Rule 7.1.

The Company has not in the last 3 years had an operational employee incentive plan. Accordingly, no Securities have previously been issued by the Company under an incentive plan.

If the Plan is approved by Shareholders under this Resolution, issues under the Employee Securities Incentive Plan will fall under Listing Rule 7.2 exception 13.

The proposed Employee Securities Incentive Plan, which is available to full-time or part-time employees and directors (both executive and non-executive) gives the Board the discretion to issue shares, options and rights.

If Resolution 5 is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

If Resolution 5 is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants (other than related parties), but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

Any future issues of Securities under the Plan to a related party or a person (for example Directors and their Associates) whose relation with the company or the related party is, in ASX's opinion, such that approval should be obtained, will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

Pursuant to Resolutions 6 and 7 (described below) the Company is also seeking separate approvals under Listing Rule 10.14 to issue Performance Rights to the Directors under the Plan.

## **5.2 Specific Information Required by Listing Rule 7.2**

In accordance with the requirements of Listing Rule 7.2, Exception 13, the following information is provided in respect of the Plan to be adopted under Resolution 5:

### **5.2.1 Summary of Terms of Proposed Employee Securities Incentive Plan**

#### **(a) Intended Participants**

This Plan is intended for full-time or part-time employees and directors (both executive and non-executive) of the Company and its subsidiaries at the discretion of the Board.

#### **(b) Key terms of issue**

Shares, Options and Rights ("**Employee Securities**") that are issued under the Plan will be for no more than 5% of the issued capital of the Company on a fully diluted basis as at the date of issue during the 3 years after the date of approval of the Plan.

Participants of the Plan and the number of Employee Securities to be issued will be at the discretion of the Board.

The Employee Securities may be issued in tranches with different vesting dates and/or conditions at the discretion of the Board.

The Employee Securities may be issued for nil cash consideration or the Company may, at its discretion, offer the Employee Securities at a purchase price. The exercise price will be for no less than the current Market Value of the share at the date the Employee Securities are issued, but may be more than that (at a premium).

(c) **Performance Measures**

Performance measures may be required to be satisfied for the Employee Securities to vest. The performance measures will be determined at the discretion of the Board and will potentially include revenue targets, EBITDA targets and other performance targets as set by the Company.

Employee Securities that have performance targets involved will not vest until performance measures have been met.

(d) **Trading Restrictions**

Options and Rights of the Plan will not be listed on ASX and will not be able to be disposed of. On exercise of the Options and Rights, Shares will be issued to the relevant participant without further risk of forfeiture or disposal restrictions, apart from any generally applicable trading restrictions for senior management and where applicable, directors of the Company.

(e) **Treatment of Cessation of Employment**

Generally, subject to the discretion of the Board, if an employee voluntarily ceases employment or is terminated due to fraud or criminal act, before vesting of the Options or Rights, unvested Options or Rights will be forfeited.

Generally, subject to the discretion of the Board, if employment is otherwise terminated due to death, disability or on termination by the Company otherwise than due to fraud, unvested Options or Rights will not be forfeited.

(f) **Clawback**

If performance measures for particular unvested Options or Rights are not met, the Options or Rights will be clawed back.

(g) **Change of Control**

If a Change of Control Event occurs, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Employee Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the Change of Control Event.

(h) **Adjustments**

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Securities will be changed to the extent necessary to comply with the Listing

Rules applicable to a reorganisation of capital at the time of the reorganisation.

(i) **Other Information**

At the discretion of the Board, the usual type terms dealings with Company share organisations, Bonus Issues, Rights Issues, etc has been included in the terms of the Plan

**5.2.2 Number of Securities Issued under the Plan since the date of the last approval**

Nil. The Plan has not been previously approved.

**5.2.3 Maximum number of Securities to be issued under the Plan**

The maximum number of Securities proposed to be issued under the Plan within the three-year period from the date of the passing of this Resolution 5 is 118,432,178 Securities, representing approximately 12.75% of the undiluted Shares in the Company as at the date of this Notice. This maximum number includes a total of 72,000,000 Performance Rights proposed to be issued pursuant to Resolutions 6 and 7, which if approved are to be issued under the disclosure exception in section 708(12) of the Corporations Act rather than in reliance on ASIC Class Order 14/1000. The maximum number is not intended to be a prediction of the actual number of Securities to be issued under the Plan, simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)).

**5.2.4 Voting Exclusion**

A voting exclusion statement is included in the Notice

**5.3 Additional Information**

Resolution 5 is an ordinary resolution.

The Board unanimously recommends that Shareholders vote in favour of Resolution 5.

The Chairperson intends to exercise all available proxies in favour of Resolution 5.

**6. RESOLUTION 6 – APPROVAL TO ISSUE PERFORMANCE RIGHTS TO RELATED PARTY UNDER THE PLAN- MR KIN WAI LAU**

**6.1 Background and Listing Rule 10.14**

Under Listing Rule 10.14, the Company must not issue a Director or an associate of a Director securities in the Company under the Plan (as described in the Explanatory Notes to Resolution 5) without the approval of the Shareholders of the Company.

The Board is committed to incentivising and retaining Key Management Personnel in a manner which promotes alignment of their interests with the interests of Shareholders. As a result, the Board wishes to issue 36,000,000 Performance Rights to Director Mr Kin Wai Lau under the Plan, which is intended to reward Mr Lau for his past performance and incentivise him in his ongoing role as Director of the Company.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- Listing Rule 10.14.1 a director of the company;
- Listing Rule 10.14.2 an Associate of a director of the company; or
- Listing Rule 10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by shareholders.

The proposed issue of Performance Rights to Mr Lau falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Resolution 6 seeks the required shareholder approval for the issue of the Performance Rights under and for the purposes of Listing Rule 10.14.

If Resolution 6 is passed, the Company will be able to issue Performance Rights under the Plan to Mr Lau.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of Performance Rights under the Plan to Mr Lau and may seek to investigate other reward, incentivisation and retention strategies in respect of Mr Lau's ongoing role as a Director.

## 6.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights constitutes giving a financial benefit and Mr Lau is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Lau who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Performance Rights because the issue of the Performance Rights (subject to shareholder approval under Listing Rule 10.14) will form part of Mr Lau's remuneration package for his role as executive director and chairperson of the Company, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

## 6.3 Specific Information required under Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the issue of 36 Million Performance Rights:

- (a) **Name of Director**

Mr Kin Wai Lau

(b) **Relationship to the Company**

Director and Chief Executive Officer of Fatfish Group Limited and therefore falls within the category set out in Listing Rule 10.14.1.

36,000,000 Performance Rights, representing approximately 4% of the Company's issued capital as at the date of this Notice.

(d) **Details of current remuneration package**

SGD 84,000 per annum

(e) **Details of securities that have been previously issued under the Plan**

(f) **Terms of Securities**

- (i) Class A Performance Milestone: 12 million performance rights to be vested upon achieving a market capitalisation of AUD\$50 million (based on 20-day VWAP)
- (ii) Class B Performance Milestone: 12 million performance rights to be vested upon achieving a market capitalisation of AUD \$75 million (based on 20-day VWAP)
- (iii) Class C Performance Milestone: 12 million performance rights which vest upon the value of the consolidated gross assets of the Company being AUD \$40 million or more based on an annual audited account\*.

\* Where "**annual audited account**" means any assets reported under "Financial Assets – Fair value OCI" or "Investments at fair value through profit or loss" as reported in the consolidated audited financial reports of the Company for any financial year.

The Performance Rights are unlisted, non-transferable and do not carry any voting or dividend rights until converted into fully paid ordinary Shares upon satisfaction of the relevant Performance Milestones. The full terms and conditions of the Performance Rights are set out in Schedule 3.

The Company has chosen to grant the Performance Rights to Mr Kin Wai Lau for the following reasons:

- (i) the Performance Rights are unlisted, therefore the grant of the Performance Rights has no immediate dilutionary impact on Shareholders;
- (ii) the issue of Performance Rights will align the interests of Mr Kin Wai Lau with those of Shareholders;

- (iii) the issue of the Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Kin Wai Lau; and
- (iv) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Performance Rights on the terms proposed.

The Company values the Performance Rights at a total of \$1,908,000 using the Black & Scholes option pricing model (being the maximum value assuming all Performance Milestones will be achieved by the Expiry Date), utilising the following assumption:

- (i) Valuation date: 12 February 2021
- (ii) Market price of Shares: \$0.053
- (iii) Exercise price: Nil
- (iv) Expiry date: 12 February 2021 (being 5 years from the date of the valuation)
- (v) Risk free interest rate: 0.10%

(g) **Date of issue**

The Performance Rights will be issued within three (3) years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules).

Ordinary Shares issued on conversion of the Performance Rights would only be issued upon achieving the above performance Milestones.

Should the above milestones not be met by the Expiry Date, the Performance Rights would be forfeited.

(h) **Price at which entity will issue the securities**

The Performance Rights will be issued for nil cash consideration but rather as an equity-based component of Mr Lau's remuneration package. Accordingly, no funds will be raised by the Company as a result of the issue of Performance Rights.

Subject to the Performance Milestones having been met, Shares would be issued upon the conversion of the Performance Rights on a one for one basis.

(i) **Terms of any loans**

No loans are being provided in connection with the issue or conversion of the Performance Rights.

Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued,

along with a statement that approval for the issue was obtained under Listing Rule 10.14

Any additional persons covered by Listing Rule 10.14 who becomes entitled to participate in an issue of securities under the Plan after the resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.

The Performance Rights are being issued under the Plan described in section 5 above.

(k) **Voting Exclusion**

A voting exclusion statement is included in the Notice.

**6.4 Additional Information**

Resolution 6 is an ordinary resolution.

The Board unanimously recommends that Shareholders vote in favour of Resolution 6.

The Chairperson intends to exercise all available proxies in favour of Resolution 6.

**7. RESOLUTION 7 – APPROVAL TO ISSUE PERFORMANCE RIGHTS TO RELATED PARTY UNDER THE PLAN- DATO' LARRY NYAP LIOU GAN**

**7.1 Background and Listing Rule 10.14**

The Board is committed to incentivising and retaining Key Management Personnel in a manner which promotes alignment of their interests with the interests of Shareholders. As a result, the Board wishes to issue 36,000,000 Performance Rights to Director Dato' Larry Nyap Liou Gan under the Plan, which is intended to reward Dato' Gan for his past performance and incentivise him in his ongoing role as Director of the Company.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders:

Listing Rule 10.14.1 a director of the company;

Listing Rule 10.14.3 a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by shareholders.

The proposed issue of Performance Rights to Dato' Gan falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Resolution 7 seeks the required shareholder approval for the issue of the Performance Rights under and for the purposes of Listing Rule 10.14.

If Resolution 7 is passed, the Company will be able to issue Performance Rights under the Plan to Dato' Gan.

If Resolution 7 is not passed, the Company will not be able to proceed with the issue of Performance Rights under the Plan to Dato' Gan and may seek to investigate other reward, incentivisation and retention strategies in respect of Dato' Gan's ongoing role as a Director.

## Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
  - **(Individual):** Where the holding is in one name, the Shareholder must sign.
  - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
  - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
  - **(Companies):** Where the company has a sole director, who is also the sole company secretary, that person must sign. Where the company (pursuant to section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
  - (a) post to Fatfish Group Limited, PO Box 253 Collins Street West, VIC 8007;
