

## ASX Announcement

7 April 2021

**Whispir Limited**  
(ASX : WSP)

### CFO Resignation

Whispir Limited (**WSP** or **Company**), a leading software-as-a-service (SaaS) communications workflow platform that automates interactions between organisations and people, advises of the resignation of the Chief Financial Officer, Justin Owen. Justin will remain as CFO until mid-August 2020, overseeing the completion of the Company's FY21 full year results, and to ensure a smooth transition to his successor.

The Company has initiated a global executive search for a new CFO and will announce a replacement following the completion of this process.

Justin joined Whispir as CFO in June 2020 and oversaw the Company's global finance function during the initial phases of COVID-19 impacts. Over this time, Justin supported the Company in a number of equity events including the recent \$45m capital raising, while streamlining and strengthening the Company's core financial capabilities.

Mr Jeromy Wells, CEO said: "We thank Justin for the contribution he has made to Whispir and its growth as a leading ASX technology company, placing it in a strong position to capitalise on its future growth plans. We wish him well with his future endeavours."

-ENDS-

This announcement has been approved for release by the Disclosure Committee.

#### About Whispir

Whispir is a global scale SaaS company, founded in 2001 to provide a communications workflow platform that automates interactions between organisations and people.

Our products enable organisations to improve their communications through automated workflows to ensure stakeholders receive accurate, timely, useful and actionable insights in a manner that is sensitive to individual contexts and preferences. Our customers use Whispir's software to create interactive, multi-party and omnichannel communications from templates, solving simple to complex communications workflow tasks.

Whispir operates across three key regions of ANZ, Asia and North America.
