VOTING

1. Poll

In accordance with Article 40 of the Company's constitution, the Chairman intends to call a poll on each resolution proposed in this notice. The results of the voting on the resolutions will be announced to the ASX promptly after the AGM.

2. Entitlement to Vote

You will be eligible to vote at the AGM if you are a registered holder of ordinary shares in the Company as at 7.00 pm (Brisbane time) on Monday, 17 May 2021. A shareholder who is entitled to attend and vote at the AGM may do so by:

- casting a direct vote prior to the AGM;
- casting a direct vote online during the AGM; or
- appointing a proxy or representative to vote on their behalf.

3. Direct Voting

In accordance with Article 37(b) of the Company's constitution, the board has determined that shareholders entitled to attend and vote at the AGM may do so without attending the AGM or appointing a proxy. Voting in this manner is referred to as 'direct voting'.

Direct Voting prior to the AGM

If you do not attend the AGM, you may cast a direct vote prior to the AGM by following the instructions set out in the **enclosed** Voting Form. Direct votes must be lodged at least 48 hours before the AGM commences (ie. no later than 9.00 am (Brisbane time) on Monday, 17 May 2021).

Direct Voting during to the AGM

Shareholders attending the AGM online may cast a direct vote during the AGM in real time. Details of how to attend and vote at the AGM online are set out in the Online Meeting Guide.

4. Proxies and Representatives

If you are a shareholder entitled to attend and vote at the AGM, you may appoint a proxy to attend and vote on your behalf. You may direct the proxy how to vote.

To appoint a proxy, you must follow the instructions set out in the Voting Form. Proxy appointments must be received at least 48 hours before the AGM commences (ie. no later than 9.00 am (Brisbane time) on Monday, 17 May 2021).

If a proxy is appointed by a shareholder under power of attorney, the original or a certified copy of the power of attorney must also be received by the Company's share registry at least 48 hours before the AGM commences (ie. no later than 9.00 am (Brisbane time) on Monday, 17 May 2021).

If you are entitled to cast two or more votes, you may appoint either one or two proxies. To appoint a second proxy, follow the instructions on the Voting Form.

A proxy may be an individual or a body corporate but need not be a shareholder of the Company.

A body corporate that is a shareholder, or that has been appointed as a proxy, is entitled to appoint any person to act as its representative at the AGM. The body corporate or representative must provide a "certificate of appointment of corporate representative" prior to the representative's admission to the AGM confirming its authority to act as the body corporate's representative. The Company's share registry can provide a form of the certificate on request.

5. Undirected Proxies

The Chairman intends to vote all available proxies in favour of each resolution, except resolution 4. If resolution 4 is put to vote at the AGM, the Chairman intends to vote all available proxies against that resolution.

An undirected proxy for any resolution may be voted as the proxy chooses, subject to the following:

- An undirected proxy in relation to resolution 3 or 4 that is given to a member of the Company's Key Management Personnel whose remuneration is disclosed in the remuneration report for the year ended 31 December 2020 (other than the Chairman of the meeting) or any of their Closely Related Parties will not be voted. To allow such a proxy to vote, the shareholder must direct the proxy how to vote by marking the relevant "For", "Against" or "Abstain" box on the Voting Form.

For personal use only

- If a shareholder appoints the Chairman as proxy, or if the Chairman is appointed as proxy by default, in relation to resolution 3 or 4, and the shareholder does not mark the "For", "Against" or "Abstain" box opposite the relevant item on the Voting Form, the shareholder will be authorising the Chairman to vote even though the resolution is connected directly with the remuneration of members of the Company's Key Management Personnel.

In this notice:

- Members of Key Management Personnel comprise directors and executives whose remuneration for 2020 is disclosed in the remuneration report.
- A Closely Related Party of a member of Key Management Personnel is: (a) a company the member controls, (b) the member's spouse, child or dependant (or a child or dependant of the member's spouse) or (c) anyone else who is one of the member's family and may be expected to influence, or be influenced by, the member in the member's dealings with the Company.

ORDINARY BUSINESS

ITEM 1 – Financial Reports

The Corporations Act requires the financial report, directors' report and independent auditor's report to be laid before the AGM each year.

The financial report has been approved by the directors and audited by the independent auditor.

Whilst there is no requirement for the reports to be approved by shareholders, shareholders as a whole will have a reasonable opportunity at the AGM to ask questions about and make comments on the reports and management of the Company.

Shareholders will also have a reasonable opportunity to ask the auditor questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor.

Shareholders may also address written questions to the Chairman about the management of the Company or to the auditor if the question is relevant to the contents of the auditor's report or the conduct of the audit of the financial report to be considered at the AGM. In accordance with section 250PA(1) of the Corporations Act, written questions for the auditor, Deloitte Touche Tohmatsu, must be submitted to the Company by no later than the fifth business day before the day on which the AGM is held (ie. by no later than Wednesday, 12 May 2021).

ITEM 2 – Re-election of Director – Mr Nicholas George Politis AM, BCom

The Company's constitution requires directors (other than the Managing Director and any alternate directors) to retire from office no later than the longer of the third AGM of the Company or 3 years, following their last election or appointment.

Having been initially appointed as a non-executive director of the Company in May 2000, Mr Politis was last re-elected to the board at the Company's AGM in May 2018.

Mr Politis retires by rotation and, being eligible, offers himself for re-election as a director of the Company at the AGM in accordance with the Company's constitution.

Mr Politis has vast industry experience and a distinguished career in the retail automotive industry. He is Executive Chairman of the Company's largest shareholder and automotive retailer, WFM Motors Pty Ltd.

The board derives significant benefit from the expertise and experience of Mr Politis.

Further information about Mr Politis is set out in the Company's 2020 annual report.

Board Recommendation

The board (excluding Mr Politis) recommends that shareholders **vote in favour** of this resolution for the re-election of Mr Politis as a director.

ITEM 3 – Remuneration Report

Shareholders are asked to adopt the Company's remuneration report for 2020. The Corporations Act requires that listed companies put a resolution to their shareholders to adopt their remuneration report, by way of a non-binding advisory vote, each year.

The remuneration report is set out in the Company's 2020 annual report, which is available on the Company's website at www.eagersautomotive.com.au.

The remuneration report:

- outlines the Company's remuneration strategy, principles and framework;
- explains the link between remuneration and value creation for shareholders;
- describes the relationship between remuneration and the Company's performance;
- sets out the Company's remuneration arrangements for Key Management Personnel; and
- makes clear that the basis for remunerating non-executive directors is distinct from the basis for remunerating executives, including executive directors.

At last year's AGM, a first strike was received against the Company's remuneration report, with more than 25% of the votes on the resolution to adopt the remuneration report for 2019 being cast against the resolution. The board viewed this very seriously, establishing a dedicated Remuneration Committee to assist in considering and addressing the issues that led to the strike. The board has engaged independent expert remuneration advisers, consulted with key stakeholders, including shareholders and proxy advisors, and undertaken a comprehensive review of the Company's remuneration framework since last year's AGM.

Consequently, a new remuneration framework has been implemented for 2021, more closely aligned to market practice and addressing concerns that gave rise to the strike. The remuneration report for 2020 provides an overview of the changes that have been implemented in response to the strike at last year's AGM.

The remuneration report for 2020 has also been redesigned to improve disclosure, readability and transparency, better showcasing the links between Company performance and remuneration outcomes and the elements of remuneration that are performance based.

The board believes the remuneration arrangements outlined in the remuneration report are appropriate for the Company given its size and business objectives, better aligned with market practice and will help drive the Company's performance for the benefit of all shareholders.

Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on the remuneration report and the board will take into account the discussion and outcome when considering future remuneration arrangements of the Company.

If at least 25% of the votes cast on resolution 3 are cast against the adoption of the Company's remuneration report, the Company will receive a second strike and it will be required to put resolution 4 to the meeting to determine whether all of the Company's directors will need to stand for re-election at a Spill Meeting to be held within 90 days of the AGM.

Voting Exclusion Statement

Any member of the Company's Key Management Personnel and their Closely Related Parties are not entitled to vote on this resolution in any capacity. However, any such person may vote as a proxy for another person who is entitled to vote on this resolution if the proxy appointment directs them how to vote on the resolution. In addition, this prohibition does not apply to the Chairman of the meeting acting as proxy for a person entitled to vote where the proxy appointment expressly authorises the Chairman to exercise an undirected proxy even though the resolution is connected with the remuneration of Key Management Personnel.

Board Recommendation

As the resolution relates to matters including the remuneration of the directors, the board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, makes no recommendation regarding this resolution.

CONTINGENT BUSINESS

ITEM 4 – Conditional Resolution to Hold a Spill Meeting

Resolution 4 is a conditional resolution and will only be put to shareholders at the AGM if at least 25% of the votes on resolution 3 are cast against the adoption of the remuneration report.

The Corporations Act provides that if at least 25% of the votes cast on the resolution to adopt the remuneration report at two consecutive AGMs are cast against the adoption of the remuneration report then shareholders must be given the opportunity to vote on a resolution in the form of this resolution 4 at the second AGM. As more than 25% of the votes on the adoption of the remuneration report at last year's AGM were cast against the resolution, this constituted a first strike. This resolution 4 will therefore only need to be put to shareholders at this year's AGM if there is a second strike, ie. if at least 25% of the votes on resolution 3 at this year's AGM are cast against the adoption of the 2020 remuneration report.

If resolution 4 is put to shareholders, it will be considered as an ordinary resolution. For it to be passed, it will require the approval of a simple majority of the votes that are cast by shareholders who are entitled to vote on it.

If resolution 4 is passed, a special meeting of shareholders ('Spill Meeting') will need to be held within 90 days of the AGM in order to consider the composition of the board. If a Spill Meeting is required, details of the Spill Meeting will be notified to shareholders in due course.

If a Spill Meeting is held, immediately before the end of the Spill Meeting, each of the directors who were in office when the board approved the director's report for the financial year ended 31 December 2020 and who remain in office at the time of the Spill Meeting will automatically cease to hold office, unless they are willing to stand for re-election and are re-elected at the Spill Meeting. This means that if a Spill Meeting is held, the following directors will automatically cease to hold office as directors of the Company immediately before the end of the Spill Meeting, unless they are willing to stand for re-election and are re-elected at the Spill Meeting:

- Tim Crommelin
- Dan Ryan
- Michelle Prater
- David Cowper
- Marcus Birrell
- Sophie Moore
- Greg Duncan
- David Blackhall
- Nicholas Politis (assuming that Mr Politis is re-elected at the AGM under resolution 2)

Each of these directors would be eligible to stand for re-election at the Spill Meeting. However, there is no guarantee that they would do so.

In considering how to vote on resolution 4 if it is put to shareholders at the AGM, the board suggests that shareholders take into account the following matters:

- the additional costs that will be incurred if the Company is required to hold and call a Spill Meeting;
- the steps that have been taken by the board to address shareholder concerns relating to the remuneration of Key Management Personnel since last year's AGM; and
- the potential disruption to the board of a Spill Meeting and the impact this may have on the Company.

If resolution 4 is put to shareholders at the AGM and you do not want a Spill Meeting to be held, you should vote "against" the resolution. If you want a Spill Meeting to be held, you should vote "for" the resolution.

Voting Exclusion Statement

Any member of the Company's Key Management Personnel and their Closely Related Parties are not entitled to vote on this resolution in any capacity. However, any such person may vote as a proxy for another person who is entitled to vote on this resolution if the proxy appointment directs them how to vote on the resolution. In addition, this prohibition does not apply to the Chairman of the meeting acting as proxy for a person entitled to vote where the proxy appointment expressly authorises the Chairman to exercise an undirected proxy even though the resolution is connected with the remuneration of Key Management Personnel.

Board Recommendation

The board unanimously recommends that shareholders **vote against** this resolution.
