3.3 Voting requirements

Recommendation 6.4 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th edition) and ASX guidance provide that a listed entity should ensure that all substantive Resolutions at a meeting of security holders are decided by a poll rather than by a show of hands. In accordance with these recommendations, the Chair has determined in accordance with clause 14.11 of the Constitution that all Resolutions put to Shareholders at the Meeting will be decided by poll rather than by a show of hands.

In accordance with the Company's Constitution and the ASX Listing Rules, each Resolution put to Shareholders at the meeting must be passed by way of an ordinary Resolution which requires the Resolution be approved by a majority of votes cast by Shareholders entitled to vote on the Resolution, other than Resolution 7 which must be passed by way of a special Resolution in accordance with ASX Listing Rule 7.1A such that the Resolution must be approved by 75% of the votes cast by Shareholders entitled to vote on the Resolution.

In accordance with section 250R(2) of the Corporations Act, the Company must put the adoption of the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors of the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

However, if the Remuneration Report receives a 'no' vote of 25% or more ("**Strike**") at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board (except a managing director). Where a Resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a Resolution on whether another meeting should be held (within 90 days) at which all Directors (other than a managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

Background

The ASX Listing Rules generally restrict listed companies from issuing more than 15% of their issued share capital in any 12 month period without shareholder approval. However, an exception to this restriction is Listing Rule 7.2 (exception 13) which states that general Listing Rule requirements for shareholder approval will not apply to an issue under an employee incentive scheme if, within three years before the date of the issue, shareholders approve the issue of securities under the scheme as an exception to the rule.

If the Company's Equity Incentive Plan is approved by Shareholders, issues under the Company's Equity Incentive Plan (**Plan**) over the next three years will fall under this ASX Listing Rule exception and will not affect the Company's ability to separately issue up to 15% of its total ordinary securities in any 12 month period (without having to obtain further Shareholder approval).

However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

The Plan is designed to:

- a) assist in the reward, retention and motivation of eligible employees;
- b) link the reward of eligible employees to Shareholder value creation; and

- c) align the interests of eligible employees with Shareholders by providing an opportunity for eligible employees to earn rewards via an equity interest in the Company based on creating Shareholder value.

In accordance with ASX Listing Rule 7.2, exception 13, a summary of the key terms of the Plan is set out in Appendix A.

For the purposes of Listing Rule 7.2 exception 13:

- a) 278,162,500 securities have been issued under the Plan since the Plan was last approved by Shareholders on 10 May 2018; and
- b) it is proposed that up to 150,000,000 securities will be issued under the Plan subject to its approval at this Annual General Meeting.

If Resolution 7 is passed, the Company will be able to issue Equity Securities under the Equity Incentive Plan without affecting the Company's ability to issue securities under the Company's placement capacity without Shareholder approval. If Resolution 7 is not passed, any Securities issued under the Equity Incentive Plan would need to be issued under the Company's 15% placement capacity which effectively decreases the number of Equity Securities it can issue without obtaining Shareholder approval over the 12-month period following the issue date.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

The Chairman intends to exercise all available proxies in favour of this Resolution.

A voting exclusion statement for this Resolution is included in the Voting Exclusions.

12. RESOLUTIONS 8(A) AND (B) – APPROVAL OF ISSUE OF OPTIONS TO DIRECTORS

Background

Subject to the approval of Shareholders, the Company proposes to grant a maximum amount of

- a) 2,500,000 Options to Christa Steele, Non- Executive Director; and
- b) 2,500,000 Options to Geoffrey Carrick, Non-Executive Director.

The exercise price payable for on exercise of each Option is as outlined in the table below.

The objective of the proposed grant of Options to Directors is primarily to link the reward of Options to Shareholder value creation, and align their interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

The Options shall be issued under, and subject to, the terms of the Equity Incentive Plan.

Listing Rule 10.14 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by

holders of ordinary securities. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

The key terms of the Options are set out in the tables below:

Other Conditions	Other key terms of the Equity Incentive Plan are detailed in Appendix A of this Explanatory Memorandum.	Other key terms of the Equity Incentive Plan are detailed in Appendix A of this Explanatory Memorandum.

Other general terms of the Options

If the Resolutions are approved, it is intended that the Options will be issued within 5 days after the Annual General Meeting, but in any event will be issued no later than 3 years after the Annual General Meeting. If the Resolutions are not approved, no Options will be issued to Christa Steele and Geoffrey Carrick.

All Directors are entitled to participate in the Plan.

The Options will be issued to Christa Steele and Geoffrey Carrick for nil consideration.

For the purposes of Listing Rule 10.15.2, both Christa Steele and Geoffrey Carrick fall under category 10.14.1 of the Listing Rules, as they are current Directors of the Company.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue Options to Christa Steele and Geoffrey Carrick (as opposed to fully paid ordinary securities) for the following reasons:

- a) Options are designed to incentivise employees, and in this case, as Directors of the Company; and
- b) equity based incentives assist in the alignment of Shareholders and Directors' interests.

Neither Christa Steele or Geoffrey Carrick have received securities under the Equity Incentive Plan previously.

There are no loan arrangements with either Christa Steele or Geoffrey Carrick in respect of the Options the subject of Resolutions 8(a) and (b).

The other general terms for the Options are outlined in Appendix A of this Explanatory Memorandum.

Details of any securities issued under the Equity Incentive Plan will be published in the annual report of the entity relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Equity Incentive Plan after Resolutions 8(a) and (b) are approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Options to be issued. A fair value for the Options to be issued has been calculated using the Black Scholes methodology and based on a number of **assumptions**, set out below, with an adjustment to the expected life of the Options to take account of limitations on transferability. This methodology is commonly used for valuing Options and is one of the permitted methodologies under ASIC Regulatory Guide 76. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Options.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should **not** be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 29 March 2021.

Valuation for Options to be issued to Directors

	Christa Steele	Geoffrey Carrick
Underlying price	\$0.565	\$0.565
Volatility	1.00	1.00
Dividend (estimate)	Nil	Nil
Yield		

Expiry Date	18 December 2030	26 May 2030
Vesting Date	Subject to the Directors determining that the applicable vesting conditions have been met, the Options will vest in four equal tranches on 14 September 2021, 14 September 2022, 14 September 2023 and 14 September 2023.	Subject to the Directors determining that the applicable vesting conditions have been met, the Options will vest in four equal tranches on 23 November 2021, 23 November 2022, 23 November 2023 and 23 November 2023.
Exercise (strike) price	\$0.325	\$0.36
Risk free rate	1.93%	1.93%
Value - per Option	\$0.518	\$0.511
Number of Options issued	2,500,000	2,500,000
Employee benefit expense	A\$1,295,000	A\$1,277,500

A significant factor in the determination of the final value of Options will be the ultimate share price at the date of final Options grant (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 29 March 2021.

	Highest	Lowest Price
Closing Price (\$)	A\$0.755	A\$0.037
Date	10 September 2020	30 March 2020
Christa Steele	A\$1,755,000	A\$65,000
Geoffrey Carrick	A\$1,732,500	A\$62,500

As such, if it is assumed all other factors are equal, where the share price increases above the \$0.565 disclosed above the final value of Options granted will increase, and conversely where the share price reduces the final value of Options granted will also reduce.

Remuneration

Christa Steele currently receives \$125,000 per annum for her position as Non-Executive Director. The amount stated is per annum comprising director's fees, superannuation contributions and known short term incentive payments. The Options are in addition to this sum and have an estimated fair value of \$1,295,000.

Geoffrey Carrick currently receives \$125,000 per annum for his position as Non-Executive Director. The amount stated is per annum comprising director's fees, superannuation contributions and known short term incentive payments. The Options are in addition to this sum and have an estimated fair value of \$1,277,500.

Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Options as the exception in section 211 of the Corporations Act applies. The Options are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Existing interests and the dilutionary effect on other Shareholders' interests

The effect that the vesting of the Options will have on the interests of the applicable Directors relative to other Shareholders' interests is set out in the following table. The table assumes no further issues of Shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the Options and is based upon Shares on issue as at 31 March 2021.

Directors' recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to Resolutions 8(a) and (b).

The Chairman intends to exercise all available proxies in favour of Resolutions 8(a) and (b).

A voting exclusion statement for Resolutions 8(a) and (b) is included in the Voting Exclusions.

Summary of the material terms of the Equity Incentive Plan

The Company proposes to adopt an equity incentive plan known as the BrainChip Long Term Incentive Plan prior to the Meeting ("**LTI Plan**"), to assist in the retention and motivation of the Company's employees, directors and consultants (together the "**Eligible Participants**"). The LTI Plan is intended to assist with aligning the interests of participants with shareholders by providing an opportunity for Eligible Participants to earn equity interests in the Company.

Under the rules of the LTI Plan, the Board has discretion to offer any of the following awards to Eligible Participants:

- options to acquire Shares;
- Options to acquire Shares; and/or
- Shares,

(collectively, the "**Awards**").

In each case the Awards can be made subject to vesting conditions and/or performance hurdles as determined by the Board.

The terms and conditions of the LTI Plan are set out in comprehensive rules. A summary of the rules of the LTI Plan is set out below:

- The LTI Plan is open to Eligible Participants and other persons providing services to the Company or its related bodies corporate, as determined by the Board.
- Participation is voluntary.
- The Board may determine the type and number of Awards to be issued under the LTI Plan to each participant and other terms of issue of the Awards, including but not limited to:
 - what conditions and/or performance hurdles must be met by a participant in order for an Award to vest (if any);
 - the amount payable to be paid by a participant on the grant of Awards (if any);
 - the exercise price of any option granted to a participant;
 - the period during which a vested option can be exercised; and
 - any forfeiture conditions or disposal restrictions applying to the Awards and any Shares that a participant receives upon exercise of their options or vesting of Options.
- When any conditions and/or performance hurdles have been satisfied, participants will receive fully vested Shares or their options/Options will become vested and will be exercisable into Shares (as applicable).
- Each vested option and performance right enables the participant to be issued or to be transferred one Share upon exercise or vesting (as applicable), subject to the rules governing the LTI Plan and the terms of any particular offer.
- Participants holding options or Options are not permitted to participate in new issues of Securities by the Company but adjustments may be made to the number of Shares over which the options or Options are granted and/or the exercise price (if any) to take into account changes in the capital structure of the Company that occur by way of pro rata and bonus issues in accordance with the rules of the LTI Plan and the ASX Listing Rules.

- For personal use only
- If a "change of control event" occurs to the Company, and unless the Board determines otherwise:
 - Awards granted will vest where the Board determines that the vesting conditions and performance hurdles applicable to those Awards have been satisfied, with vesting to occur on a pro rata basis having regard to the vesting period and actual performance;
 - any options and Options which the Board determines will not vest under the above sub-paragraph will automatically lapse; and
 - any Share Awards which the Board determines will not vest under the above subparagraph will automatically be surrendered by the participant.

A "change of control" event includes an event when a person or entity becomes a legal or beneficial owner of 50% or more of the issued capital of the Company; a person or entity becomes entitled to, acquires, holds or has an equitable interest in more than 50% of the issued share capital of the Company, a takeover bid or scheme of arrangement occurs, a sale of all or substantially all of the assets of the Company occurs, or a change in the composition of the Board effected by shareholders occurs against the recommendation of the Existing Board which results in a majority of the Board being replaced over a two year period.

- If a participant becomes a "bad leaver", unless the Board determines otherwise:

 - the Participant will be entitled to continue to hold all vested Share Awards; and
 - the Board may determine the manner in which any unvested Awards held by the participant will be dealt with.

A participant is a "good leaver" if they are not a "bad leaver".

- The Board may delegate management and administration of the LTI Plan, together with any of their powers or discretions under the LTI Plan, to a committee of the Board or to any one or more persons selected by them.
- Subject to the Listing Rules and the Constitution, the Board may at any time amend the LTI Plan or the terms and conditions upon which Awards have been issued under the LTI Plan provided, generally, that the amendment does not materially reduce the rights of any Participant in respect of Awards granted to them.

- The Board may elect to use an employee share trust or other mechanism for the purposes of holding Awards and/or Shares for Participants under the Plan, and delivering Plan Shares on behalf of Participants upon exercise of options and/or Options (as the case may be).
- Awards may be granted to Eligible Participants residing in Australia, the United States of America, France, India or other jurisdictions, as approved by the Board from time to time, under the LTI Plan subject to any local law and local tax requirements.

Appendix B

Summary of the material terms of the Put Option Agreement

On 13 August 2020, the Company entered into a put option agreement (**Agreement**) with LDA Capital Limited and LDA Capital LLC (**LDA Capital**) to provide the Company with up to A\$29 million in committed equity capital over the next 12 months which may be extended by the parties for a further 12 months. The Company will control the timing and maximum amount of the draw down under this facility subject only to the minimum draw down commitment of A\$10 million within the first 12 months.

The capital may be accessed by the Company by exercising put options under the Agreement at the Company's election. The Company has agreed to draw down A\$10 million in the first 12 months (**Minimum Draw Down Amount**) and may draw down up to an aggregate amount of up to A\$29 million under the Agreement. This allows the Company to drawdown funds during the term of the Agreement by issuing ordinary shares of the Company (**Shares**) for subscription to LDA Capital. Any issue of Shares by the Company under the Minimum Draw Down Amount is expected to be issued under the Company's Listing Rule 7.1 placement capacity and any issue of Shares by the Company as a result of capital calls above the Minimum Draw Down Amount, will be subject to the Company's available placement capacity at the time and otherwise any required regulatory and shareholder approvals.

The Company may issue call notices to LDA Capital with each call notice being a put option on LDA Capital to subscribe for and pay for those Shares on closing, subject to the satisfaction of certain conditions precedent, including requirements for the Company to have released applicable Corporations Act and ASX filings on the ASX.

Upon issue of a call notice, the Company must within 3 business days of issuing the call notice, issue LDA Capital with Shares for no consideration as 'collateral shares' which LDA Capital is entitled to sell on-market (subject to certain terms) and any unused collateral shares will be adjusted or may be used for subsequent calls, bought back by the Company or transferred to a trustee or nominee of the Company.

The number of Shares subject to a call notice is limited to a maximum of 10 times the average daily number of the Company's Shares traded on the ASX during the 15 trading day period before its issue. The issue price of the capital call Shares will be 90% of the higher of the average VWAP of Shares in the 30 trading day period after exercise of the put option (subject to any applicable adjustments) and the minimum price notified to LDA Capital by the Company upon exercise of the put option. The VWAP calculation is subject to adjustment as a result of certain events occurring including trading volumes falling below an agreed threshold level or a material adverse event occurring in relation to the Company.

In addition, the Company has agreed to issue up to 75,000,000 unlisted options to LDA Capital with 37,500,000 of these having an exercise price of A\$0.15 and 37,500,000 having an exercise price of A\$0.20, with each option having an exercise period of 3 years. These options will be issued under the Company's Listing Rule 7.1 placement capacity.

The Company has agreed to pay a commitment fee of \$580,000 which is payable in cash in two instalments. \$290,000 is due and payable at closing of the Company's first capital call with the remaining \$290,000 due and payable at closing of the second capital call. The Company may (at its discretion) elect to pay the Commitment Fee in Shares.

The Agreement was amended on 26 October 2020 to confirm that the Company has fulfilled its obligation under the original Agreement and that LDA Capital wishes to remain engaged with the

Company for future financial requirements. LDA Capital has chosen to increase available funding to AU\$45 million and the Company has agreed to increase its obligation under the agreement to AU\$20 million of which AU\$11 million has been received by the Company.

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- (a) complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.

STEP 3 SIGN THE FORM

The form **must** be signed as follows:

Individual: This form is to be signed by the securityholder.

Joint Holding: where the holding is in more than one name, all the securityholders should sign.

Power of Attorney: to sign under a Power of Attorney, you must have already lodged it with the registry. Alternatively, attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: this form must be signed by a Director jointly with either another Director or a Company Secretary. Where the company has a Sole Director who is also the Sole Company Secretary, this form should be signed by that person. **Please indicate the office held by signing in the appropriate place.**

STEP 4 LODGEMENT
