ASX ANNOUNCEMENT

Moelis Australia AGM Notice of Meeting, including proposed change of company name to MA Financial Group Limited

Moelis Australia Ltd (Moelis Australia or Group; ASX:MOE) confirms release of the Notice of 2021 Annual General Meeting for Moelis Australia (Notice) and proxy form. The Annual General Meeting (AGM) will be held as a virtual meeting at 11:00 am (Sydney Time) on Friday, 28 May 2021. Further information on how shareholders may participate in the meeting online is contained within the Notice and the instructions annexed.

Within the Notice, Resolution 4 seeks shareholder approval to change Moelis Australia's name to "MA Financial Group Limited". In accordance with section 157 of the Corporations Act, a special resolution of shareholders must be passed to adopt a new company name.

Moelis Australia was founded in 2009 as a boutique investment banking advisory business, and as a joint venture with NYSE-listed Moelis & Company.

In FY16, the year prior to the Group's Initial Public Offering, 75% of revenue emanated from corporate advisory and stock broking activities. As a result of ongoing growth and diversification of the business across a broad range of non-advisory based financial services, Asset Management activities accounted for 67% of underlying revenue in FY20, and over 80% of underlying Group EBITDA (excluding corporate costs).

At 31 December 2020, Moelis Australia managed \$5.4 billion of assets, diversified across real estate, hospitality, credit, listed equities, private equity and venture capital asset classes. Moving forward, we expect the proportion of revenue coming from Asset Management related activities to continue to grow. Much of this revenue is recurring in nature.

The new name, MA Financial Group Limited, will better reflect the activities of the Group as a diversified financial services company, across financial disciplines and geographies. The Group's investment banking partnership with Moelis & Company will remain unchanged.

Under the umbrella of the new company name, MA Financial Group, key operating divisions will continue to operate under trading names familiar to the Group's clients.

Asset Management will trade as: **MA Asset Management**

Corporate Advisory & Equities will trade as: **MA Moelis Australia**

The new name will be accompanied by a refreshed brand and visual identity which will create a contemporary and consistent look and feel, with the flexibility to meet the future growth of the company. The refreshed brand includes a bold new 'MA' mark designed to express the strength of the company, based on 12 years of growth and experience.

Joint CEOs Julian Biggins and Chris Wyke said:

"We are very proud of our genesis as a joint venture with global investment bank Moelis & Company. Accordingly, we have selected a name which reflects our heritage as Moelis Australia (MA).

"The MA name also represents the Group's future as a diversified financial services business with a strong focus on Asset Management activities, alongside our significant advisory and transaction-based capabilities.

We are excited about the Group's next phase of growth and expansion, which we believe is reflected in our proposed new name, brand and visual identity."

Chairman, CEO and Founder of Moelis & Company, Ken Moelis said:

"When Moelis & Company established a partnership with a talented group of Australian executives back in 2009, I had no doubt it would grow to be a great success. I've watched with pride as the business has grown in these past 12 years, and commend the team on turning what began life as a boutique investment bank into a vibrant and innovative diversified financial services company.

"All of us at Moelis & Company look forward to watching MA Financial Group continue to flourish in the years ahead – just as we look forward to continuing our long and very successful partnership in investment banking."

A number of businesses associated with Moelis Australia will retain their current trading names. This includes RetPro, a shopping centre management and strategic advisory business and Redcape Hotel Group, an ASX-listed hospitality fund managed by Moelis Australia's specialised hospitality platform.

Following approval of the change in name the Company will trade on the Australian Securities Exchange as MA Financial Group Limited under the ASX Code MAF.

Notes relating to voting

1 Voting Entitlements

Pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Board has determined that, for the purposes of voting at the Annual General Meeting (**AGM** or **Meeting**), shareholders are those persons who are registered holders of shares in the Company at 7:00pm (Sydney Time) on Wednesday 26 May 2021. Accordingly, share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

2 Proxies

All shareholders who are entitled to attend and vote at the Meeting have the right to appoint a proxy to attend and vote for them. The proxy does not have to be a shareholder of the Company.

Shareholders holding two or more shares can appoint either one or two proxies. If two proxies are appointed, the appointing shareholder can specify what proportion of their votes they want each proxy to exercise. If no proportion is specified, each proxy may exercise half the member's votes. Neither proxy may vote on a show of hands.

If the Chairman of the Meeting is appointed, or taken to be appointed, as a shareholder's proxy, but the appointment does not specify the way to vote on the resolution, then by completing and submitting the proxy form, the shareholder is expressly authorising the Chairman of the meeting to exercise the proxy as he decides, notwithstanding that items 3, 5, 6(a), 6(b) and 6(c) are connected with the remuneration of the Company's key management personnel. The Chairman intends to cast all available proxies in favour of each of the resolutions.

The Chairman intends to call a poll on each of the resolutions set out in the Notice of Meeting. On a poll, if:

- a shareholder has appointed a proxy (other than the Chairman of the Meeting) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
- the shareholder's proxy is either not recorded as attending the meeting or does not vote on the resolution,

the Chairman of the Meeting will, before the voting on the resolution closes, be taken to have been appointed as proxy for the shareholder for the purposes of the resolution and must vote in accordance with the written direction of that shareholder.

3 Direct Voting

A direct vote will enable shareholders to vote on the resolution to be considered at the Meeting by lodging their votes with the Company prior to the Meeting. Direct voting will enable shareholders to exercise their voting rights without the need to attend the Meeting or appoint a proxy.

Please note that a shareholder who has cast a direct vote may attend the Meeting, but if they vote at the Meeting, their direct vote will be cancelled.

4 Lodgement of Voting Forms

A voting form for appointment of a proxy or direct voting is enclosed with this notice. If you wish to appoint a proxy or direct vote, please complete the Voting Form in accordance with the instructions on the back of the Voting Form and return it to the Share Registry:

Mail: Boardroom Pty Limited, GPO Box 3993, Sydney NSW 2001 Australia

Facsimile: +61 2 9290 9655

Alternatively, you may register your voting or proxy instructions electronically at the Share Registry website: <https://www.votingonline.com.au/moelisaustraliaagm2021>

To be valid, Voting Forms or electronic voting instructions must be received no later than 11:00am (Sydney Time) on Wednesday 26 May 2021.

Relevant written questions for the Auditor must be received by the Company by no later 5.00pm (Sydney Time) on Friday 21 May 2021.

Please send any written questions to the Company Secretary by email as follows: companysecretary@moelisaustralia.com

A list of written questions will be made available to shareholders attending the Meeting. While the auditor is not obliged to provide written answers, if written answers are tabled at the Meeting, they will be made available to shareholders as soon as practicable after the Meeting.

7 Questions for the Company

Shareholders may also submit written questions to the Company relevant to the business of the Annual General Meeting. The Chairman will seek to address as many of the more frequently raised topics as possible during the Annual General Meeting. Please note that individual responses will not be sent to shareholders.

Written questions for the Company should be submitted in the same way and by the same date as written questions to the Auditor as set out above.

Questions may be submitted online during the Meeting via the online platform.

8 Technical difficulties

Technical difficulties may arise during the course of the AGM. The Chairman has discretion as to whether and how the meeting should proceed in the event that a technical difficulty arises. In exercising his discretion, the Chairman will have regard to the number of shareholders impacted and the extent to which participation in the business of the Meeting is affected. Where he considers it appropriate, the Chairman may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to lodge their voting form by 11:00am (Sydney Time) on Wednesday 26 May 2021 even if they plan to attend online.

As prescribed by the Corporations Act, the vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote and discussion at the Meeting into account in setting remuneration policy for future years.

Recommendation

The Board unanimously recommends that shareholders vote **in favour** of Item 3.

4 Approval of change of company name to MA Financial Group Limited

Shareholder approval is sought to change the Company's name to "MA Financial Group Limited". In accordance with section 157 of the Corporations Act, a special resolution of shareholders must be passed to adopt a new company name.

Moelis Australia was founded in 2009 as a boutique investment banking advisory business, and as a joint venture with NYSE-listed Moelis & Company.

In FY2016, the year prior to the Initial Public Offering, 75% of revenue emanated from corporate advisory and stock broking activities. As a result of ongoing growth and diversification of the business across a broad range of non-advisory based financial services, our Asset Management activities (which include our balance sheet capital investments) accounted for 67% of Group revenue in FY2020. Moving forward, we expect the proportion of revenue coming from Asset Management related activities to continue to grow. Much of this revenue is recurring in nature.

The new name, MA Financial Group Limited, will better reflect the activities of the Group as a diversified financial services company, across financial disciplines and geographies.

The diversity of the business is a great strength. Under the umbrella of Asset Management, Moelis Australia manages¹ approximately \$5.4 billion of assets including \$2.2 billion in real estate, \$1.3 billion in hospitality assets, \$1.1 billion in credit, and \$800 million across Australian listed equities, private equity and venture capital assets. We are one of Australia's largest managers of capital on behalf of Chinese high net worth investors, and manage substantial capital on behalf of institutional clients headquartered in Europe, Asia and the Middle East.

Further, Moelis Australia's Lending operations represents one of our fastest growing business segments. Our technology-driven Lending platforms focus on residential and legal disbursement lending, construction financing, and the wholesale financing of numerous third-party platform partners. Capital applied to the various Lending verticals is sourced from a combination of managed funds and balance sheet investment.

In addition to the diversity of sources of revenue, Moelis Australia is increasingly active outside of Australia. Today we have executives based in Hong Kong, Shanghai, Beijing and London, all focused on our Asset Management and Lending operations. Therefore, reflecting the increasingly global nature of our business we are also removing the reference to "Australia" in the listed Company name.

We are very proud of our genesis as a joint venture with global investment bank Moelis & Company. Accordingly, we have selected a name which reflects our heritage as Moelis Australia (MA), and our investment banking partnership with Moelis & Company which remains unchanged.

Under the umbrella of our new Company name, MA Financial Group, our key operating divisions will continue to operate under trading names familiar to our clients:

Asset Management will trade as: **MA Asset Management**
Corporate Advisory & Equities will trade as: **MA Moelis Australia**

A number of businesses associated with Moelis Australia will retain their current trading names. This includes RetPro, a shopping centre management and strategic advisory business and Redcape Hotel Group, an ASX-listed hospitality fund managed by Moelis Australia's specialised hospitality platform.

1. As at 31 December 2020

Explanatory Memorandum (cont.)

The new name will be accompanied by a refreshed brand and visual identity which will create a contemporary and consistent look and feel, with the flexibility to meet the future growth of the Company. The refreshed brand includes a bold new 'MA' mark designed to express the strength of the Company, based on 12 years of growth and experience.

Following approval of the change in name the Company will trade on the Australian Securities Exchange as MA Financial Group Limited under the ASX Code MAF.

Recommendation

The Board unanimously recommends that shareholders vote **in favour** of Item 4.

5 Ratification of prior issue of shares

As announced on 15 March 2021, the Company issued 3,635,000 shares under the Company's Employee Incentive Plan as part of a retention award scheme.

The shares were issued on 11 March 2021 at an issue price of \$4.3389 being the volume weighted average price of the Company's shares over the five business days to 8 March 2021.

Listing Rule 7.4 permits the ratification of previous issues of securities made without prior shareholder approval, provided that the issue did not breach the 15% threshold set by Listing Rule 7.1. The effect of the ratification under this Item 5 is to restore the Company's maximum discretionary power to issue further shares up to 15% of the issued capital of the Company without requiring shareholder approval during the next 12 months. At the Company's 2020 Annual General Meeting, shareholders approved the issue of up to 5,000,000 shares for the purposes of ASX Listing Rule 7.2 Exception 13 for three years commencing on 26 May 2020 upon and subject to the terms of the Equity Incentive Plan. That shareholder approval captures the 3,635,000 shares that are the subject of this resolution. If the shareholders do not approve this resolution, the shareholder approval given in 2020 will remain effective for the purposes of ASX Listing Rule 7.2 Exception 13.

The following information in relation to the shares is provided to shareholders for the purposes of Listing Rule 7.5:

- (a) the shares were issued on 11 March 2021 to eligible employees including two KMPs, Janna Robertson and Graham Lello, under the terms of the Moelis Australia Loan Funded Share Plan, a summary of which is disclosed in the explanatory notes to Item 6 on page 11;
- (b) 3,635,000 fully paid ordinary shares were issued ranking equally in all respects with the existing fully paid ordinary shares on issue;
- (c) the shares were issued at a price of \$4.3389 per share; and
- (d) the purpose of the issue was to ensure that the Company retains and appropriately incentivises its senior executives (**Retention Award**). No funds were raised by the issue.

Recommendation

The Board recommends that shareholders vote **in favour** of Item 5.

6 Approval in respect of issue of shares to directors

Items 6(a), 6(b) and 6(c) relate to the proposed issue of Loan Funded Share Plan (**LFSP**) shares to:

- (a) Christopher Wyke and Julian Biggins (**Joint CEOs**) as part of the long-term incentive component of their 2020 variable remuneration granted by the Board; and
- (b) Andrew Pridham (**Group Vice-Chair**) as part of the Retention Award (as detailed at Item 5),

under the terms of the existing Employee Incentive Plan (**EIP**), approved at the Company's 2020 AGM.

As the Company continues to mature and grow, there is recognition of the value of including long term incentives in the remuneration package to further align senior executives with sustained growth measures and long term shareholder returns. The Board continues to work on a complete remuneration strategy including a long-term incentive scheme that is expected to be delivered as part of the EIP in 2021.

Approval required under listing rules

This approval is being sought because ASX Listing Rule 10.14 provides that a listed company may only permit a director of the Company to acquire newly issued shares or rights to shares under an employee incentive scheme where that director's participation has been approved by an ordinary resolution of shareholders.

The issue of the LFSP shares to the three Directors falls within listing rule 10.14.1 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Explanatory Memorandum (cont.)

If Items 6(a), 6(b) and 6(c) are passed, the Company will be able to proceed with the issue of the LFSP shares to each of Christopher Wyke, Julian Biggins and Andrew Pridham. If any of Items 6(a), 6(b) and 6(c) are not passed, the Company will not be able to proceed with the issue of LFSP shares to the relevant Director to whom the issue of loan funded shares has been proposed, but not approved. In these circumstances, the Board will consider alternative arrangements to appropriately remunerate and incentivise that Director.

Explanatory Memorandum (cont.)

(5) A summary of the LFSP is set out below:

Moelis Australia LFSP – Summary

The Moelis Australia LFSP allows eligible employees to acquire shares in the Company at market value at the time of grant. The purchase price of the shares is fully funded by a loan provided by the Company.

Shares acquired under the LFSP

Shares acquired by participants are fully paid, rank equally with existing shares and will be subject to any restrictions or other conditions determined by the Board. The Board has discretion to attach vesting (including performance) conditions to the loan funded shares, in the same way it does for options.

The same rights attach to the loan funded shares as those from which ordinary shareholders benefit, such as voting rights and access to dividends, capital distribution and bonus shares prior to vesting.

At the end of the vesting period and subject to continuous employment, participants can deal in any shares upon repayment of any outstanding loan balance as they see fit.

Loan terms

The loan provided to eligible employees will be:

- limited recourse, such that the participants' liability will at all times be limited to the lesser of the outstanding loan value and the value of the shares;
- typically interest-free;
- repayable in full on the earlier of the date in which the shares are sold, or the expiry of the loan term; and
- in the event that the vesting conditions are not met, or the shares do not vest for any other reason, the shares may be "bought-back" by the Company and the proceeds used to repay the loan such that the individual receives no gain from the award.

Shares are held by the Employee Share Trust trustee until they vest and the loan is repaid.

Explanatory Memorandum (cont.)

Further details of the LFSP terms in respect of the LFS proposed to be issued to the Joint CEOs and the Group Vice Chair are set out in the table below:

Entitlement	<p>If shareholder approval is obtained, the following loans will be provided for the sole purpose of acquiring shares in the Company:</p> <ul style="list-style-type: none"> • Julian Biggins \$1,180,000; • Christopher Wyke \$1,180,000; and • Andrew Pridham \$433,890 <p>The value of the loan is equal to the funding required to purchase the number of shares offered under the LFSP to each individual in 2020 at the price outlined below.</p>
Key terms of the loan	<p>The LFSP loan is a non-recourse loan from the Company for the sole purpose of acquiring shares in the Company.</p> <p>Any dividends paid on the shares while the shares are restricted are applied (on a notional after-tax basis) towards repaying the loan. The balance of the dividend is paid directly to the executives to fund their tax liability on the dividends received.</p> <p>The LFSP shares to be issued to the Joint CEOs and Group Vice Chair have a circa four and five year vesting period, with half of the LFSP shares vesting in March 2025, and the balance vesting in March 2026. Following the end of the performance period, if the vesting conditions are met (refer below for details), the LFSP shares will vest. The executives will be able to repay the LFSP loan at any time from the date of vesting until March 2027, through application of dividend payments, their own funds and/or by applying the proceeds from the sale of some or all of their shares.</p> <p>The loan is 'interest free' in that there is no annual interest charge to the participant on the loan. However, the notional value of this interest is taken into account in the overall structure of the program.</p> <p>As this is a non-recourse loan, if the value of the shares is less than the outstanding loan balance at the end of the loan repayment period, the shares will be surrendered and forfeited in full settlement of the loan balance and no benefit would accrue to the executive.</p>
Number and price of LFSP shares	<p>The amount of loan is based on the volume weighted average price of the shares during the 5 business days immediately prior to:</p> <ul style="list-style-type: none"> • 31 December 2020 for the Joint-CEOs being \$4.72 per share; and • 9 March 2021 for the Vice-Chair being \$4.3389 per share. <p>multiplied by the number of shares offered under the LFSP.</p> <p>If shareholder approval is obtained in respect of all three resolutions, the Company intends to issue the LFSP shares within 7 business days following the Meeting.</p>
Performance Period	<p>The performance period is approximately four and five years. The performance condition is tested on each of the vesting periods, being 10 March 2025 and 10 March 2026. The non recourse loan will be due for repayment in March 2027 if it is not repaid earlier.</p>
Vesting conditions	<p>(a) Continuous employment or continued provision of services to the Company on each of the vesting dates; and</p> <p>(b) Relative total shareholder return (TSR) of 8% per annum over the performance period is used to determine whether vesting takes place.</p>
Trading restrictions	<p>The shares are restricted until the end of the performance period and while the loan remains outstanding.</p>

(6) Details of any shares issued under the LFSP scheme will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under listing rule 10.14.

(7) Any additional persons covered by listing rule 10.14 who become entitled to participate in an issue of shares under the EIP after the resolutions are approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Recommendation

The Board (other than Christopher Wyke, Julian Biggins and Andrew Pridham) unanimously recommends that shareholders vote **in favour** of Items 6(a), 6(b) and 6(c).

TO VOTE BY COMPLETING THE VOTING FORM

The voting form can be used to either vote directly (Section 1) OR appoint a proxy to vote on your behalf (Section 2).

SECTION 1: DIRECT VOTING

If you wish to vote directly, you should clearly mark the box in Section 1 and the boxes in Section 3 to indicate your voting instruction for each resolution. Please only mark either "for" or "against" for each resolution. Do not mark the "abstain" box if you are voting directly. If no direction is given on a resolution, or if you complete both the boxes in Section 1 and 2, your vote may be passed to the Chairman of the Meeting as your proxy. Securityholders, custodians and nominees may identify on the Voting Form the total number of votes in each of the categories "for" and "against" and their votes will be valid. The Chairman's decision as to whether a direct vote is valid is final and conclusive.

SECTION 2: APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Section 2. If you wish to appoint someone other than the Chairman of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting or does not vote on a poll in accordance with your instructions, the Chairman of the Meeting will be your proxy by default. A proxy need not be a Securityholder of the company. Do not write the name of the issuer company or the registered Securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- (a) complete two forms. On each form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together in the same envelope.

SECTION 3: VOTING DIRECTIONS

To cast your direct vote or to direct your proxy how to vote, place a mark in one of the boxes opposite each resolution. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any resolution by inserting the percentage or number that you wish to vote in the appropriate box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%. If you do not mark any of the boxes on a given resolution, your proxy may vote as he or she chooses (subject to any voting restrictions that apply to your proxy). If you mark more than one box on a resolution for all your securities your vote on that resolution will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the Meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
