Proxies

If you are a shareholder entitled to vote, you may appoint a proxy. If you are a shareholder entitled to cast two or more votes, you may appoint two proxies and specify the number or proportion of votes that each may exercise, failing which each may exercise half of the votes.

A proxy need not be a shareholder of the company. Shareholders are encouraged to notify an appointed proxy of their appointment to enable them to participate in the meeting online and to exercise your voting instructions. Appointed proxies will need to contact Computershare Investor Services on +61 3 9415 4024 to obtain a username and password to vote online. Further details are available in the online meeting guide available at www.computershare.com.au/virtualmeetingguide.

If you do not specify a proxy in your completed proxy vote or if the person you appoint as proxy does not participate in the AGM, the Chair of the meeting will be taken to be your proxy by default. In accordance with the Corporations Act, any directed proxies that are not voted as directed on a poll at the meeting will automatically default to the Chair of the meeting, who is required to vote proxies as directed.

Corporate representatives

Corporate shareholders and proxies that wish to appoint a representative to attend and vote at the AGM on their behalf must provide their representative with a properly executed letter or other document confirming the representative's authority in accordance with section 250D of the Corporations Act. A copy of the authorisation must be lodged with the company before the AGM by following the instructions on the authorisation.

Voting restrictions apply to the company's key management personnel (KMP) and their closely related parties, which affect proxy voting

Members of the company's KMP (which include each of the non-executive directors, the Managing Director, the Chief Financial Officer and other members of the senior executive team listed in the 2021 Annual Report) and their closely related parties will not be able to vote your proxy on resolutions 3 and 4 unless you direct them how to vote by marking a voting box for those items, or the Chair of the meeting is your proxy and the proxy form expressly authorises the Chair to exercise the proxy as the Chair thinks fit. The term 'closely related party' is defined in the Corporations Act and includes the KMP's spouse, dependants and certain other close family members, as well as any companies controlled by the KMP or by the KMP's spouse, dependants, and certain other close family members.

If you intend to appoint a member of the KMP as your proxy, please ensure that you direct them how to vote on resolutions 3 and 4.

If you appoint the Chair of the meeting as your proxy or he becomes your proxy by default, and you do not provide any voting directions on your proxy vote, by validly submitting your proxy, you will be expressly authorising the Chair of the meeting to cast your vote on resolutions 3 and 4 as he sees fit. This applies even though the resolution is connected with the remuneration of the company's KMP.

The Chair of the meeting intends to vote all available proxies in favour of all resolutions.

Voting exclusions

Resolution 3

- by the Chair of the meeting as proxy for a person who is not a Prohibited Voter, and the proxy form expressly authorises the Chair to exercise the proxy as the Chair thinks fit.

Resolution 4

The company will disregard any votes cast in favour of resolution 4 by or on behalf of the Managing Director (being the only director entitled to participate in an employee incentive scheme) or any of his associates.

The company will also disregard any votes cast in favour of resolution 4 by a KMP at the date of the meeting or any of their closely related parties that is appointed as proxy, if their proxy appointment does not specify the way in which the proxy is to vote.

Notice of Meeting

However, the company need not disregard a vote if the vote is cast in favour of resolution 4:

- as proxy for a person entitled to vote on resolution 4 in accordance with the direction on the proxy form;
- by the Chair of the meeting, as a proxy for a person entitled to vote on resolution 4 and the proxy form expressly authorises the Chair to exercise the proxy as the Chair thinks fit; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Notice of Meeting

Explanatory Notes

These explanatory notes form part of the notice of meeting and should be read in conjunction with it. These explanatory notes have been prepared to provide shareholders with important information regarding the items of business proposed for consideration at the AGM.

Resolutions 1, 2, 3, and 4 are ordinary resolutions. An ordinary resolution is passed where a simple majority of votes cast by shareholders entitled to vote on the resolution are cast in favour of the resolution. Resolution 3 is a non-binding resolution.

1. Financial report, directors' report, and auditor's report

The company's 2021 Annual Report (which includes the financial report, the directors' report, and the auditor's report) has previously been distributed. Shareholders can view a copy of the Annual Report on the company's website at www.southerncrossaustereo.com.au. A printed copy of the company's 2021 Annual Report has been sent to those shareholders who have elected to receive a printed copy.

Shareholders will be given a reasonable opportunity to ask questions about, and make comments on, the reports and the company's management, businesses, operations, financial performance, and prospects; however, there will be no formal resolution put to the meeting. The company's auditor will also attend the meeting to answer questions in relation to the conduct of the audit (including the independence of the auditor), the preparation and content of the auditor's report and the accounting policies adopted by the company. Shareholders may also submit questions in advance of the meeting in accordance with the instructions on page 4 of this notice.

2. Re-election of directors

Article 10.3 of the company's Constitution requires that one-third of the directors on the Board (or, if their number is neither three nor a multiple of three, then the number nearest one-third) must retire at each AGM. If they are eligible, they may stand for re-election. For these purposes, a director who has been appointed by the Board under article 10.8 of the company's Constitution is disregarded.

Glen Boreham and Melanie Willis will retire by rotation and, being eligible, offer themselves for re-election.

The Board aims to ensure that:

- directors have a diverse and relevant cross-section of experience and expertise including listed company directorship, finance, technology, marketing and entertainment industry expertise in particular
- the Board is the right size for the company's needs
- the non-executive directors on the Board are able to apply independent thought to all decisions that come before the Board
- directors maintain and build their corporate knowledge and experience
- there is an orderly process for periodic review and refreshment of the Board's composition to ensure it continues to satisfy the above aims.

The Board was refreshed during 2020. The two longest standing directors retired. Rob Murray became Chair during August 2020 and Carole Campbell, Ido Leffler, and Heith Mackay-Cruise were elected as directors at the company's 2020 AGM. The Board adjusted the composition of its committees and established a new Digital Transformation Committee chaired by Glen Boreham. The new directors have brought a highly relevant and diverse range of

expertise to the Board table. There have been no further changes to the Board's composition since last year's AGM and no changes are proposed at this AGM.

2a. Re-election of Glen Boreham as a non-executive director

Glen Boreham was appointed as an independent non-executive director of the company on 1 September 2014. He was most recently re-elected by shareholders on 20 October 2019.

Glen chairs the Board's Digital Transformation Committee and is a member of the People & Culture Committee and Nomination Committee.

Glen's executive career culminated in the role of CEO and Managing Director of IBM Australia and New Zealand in a period of rapid change and innovation from 2006 to 2010. He was the inaugural Chair of Screen Australia from 2008 to 2014 and chaired the Australian Government's Convergence Review of the media industry. The Board benefits from Glen's extensive knowledge, insights and networks in the technology and data industries. Having lived in Asia, Europe and Australia, Glen brings a global perspective.

Glen is also a director of Cochlear and Link Group and was formerly Chair of the Advisory Board at IXUP where he remains a Strategic Adviser. He was previously Chair of the Industry Advisory Board at the University of Technology Sydney, Chair of Advance, representing the one million Australians living overseas, as well as Deputy Chair of the Australian Information Industry Association and a Director of the Australian Chamber Orchestra. In 2010, he became a founding member of Australia's Male Champions of Change group. Glen is a Member of the Order of Australia for services to business and the arts.

The directors (excluding Glen Boreham) unanimously recommend shareholders vote in favour of resolution 2a.

2b. Re-election of Melanie Willis as a non-executive director

Melanie Willis was appointed as an independent non-executive director of the company on 26 May 2016. She was most recently re-elected by shareholders on 20 October 2019. Melanie is Chair of the Board's Audit & Risk Committee and is a member of the People & Culture Committee.

Melanie has extensive experience in corporate finance, strategy and innovation and investments both in executive and non-executive roles. She has worked in sectors including accounting and finance, infrastructure, property investment management, and retail services (including tourism and start-up ventures). She held executive roles as CEO of NRMA Investments (and head of strategy and innovation), CEO of a financial services start up and director of Deutsche Bank, having previously been in corporate finance at Bankers Trust and Westpac.

In her role as Chair of the Audit & Risk Committee, Melanie applies her extensive skills and experience in financial reporting and risk management matters. In addition to her broad finance, strategic and commercial skills, Melanie brings valuable governance experience from her roles as a director of Challenger, PEXA Group, Paypal Australia, and QBE Insurance (AusPac), and from her former positions as a director of Mantra, Pepper Group, Ardent Leisure, and Chief Executive Women. Melanie previously chaired the audit and risk committee at Mantra and was a member of the audit committee at Pepper Group. She currently chairs the risk committee and is a member of the audit committee at Challenger, chairs the audit and risk committee and is a member of the remuneration, nomination and people committee at PEXA Group, and chairs the audit committee and people and culture committee at Paypal Australia.

Notice of Meeting

The directors (excluding Melanie Willis) unanimously recommend shareholders vote in favour of resolution 2b.

3. Remuneration report

Listed companies, such as the company, are required to provide detailed disclosures in their directors' report about the remuneration of non-executive directors and executive KMP. These disclosures are set out in the remuneration report (which forms part of the directors' report) in the company's 2021 Annual Report.

There will be a reasonable opportunity for shareholders to comment on, and ask questions about, the remuneration report.

The vote on resolution 3 is advisory only and will not bind the directors or the company. However, the Board will take the outcome of the vote into consideration when reviewing the company's remuneration practices and policies.

For the voting exclusions applicable to resolution 3, refer to page 3 of this notice of meeting.

The directors unanimously recommend shareholders vote in favour of resolution 3.

4. Grant of performance rights to Managing Director

The Board appointed Grant Blackley as CEO and Managing Director, effective 29 June 2015. To provide appropriate incentive for Mr Blackley to develop and implement the company's strategic direction and create sustainable value for shareholders, the Board wishes to grant him performance rights under the company's Executive Incentive Plan (EIP) with a face value of up to \$1,050,600.

The Board intends to acquire shares on-market to satisfy the allocation of shares on vesting of performance rights granted under the company's EIP. In this case, the grant of performance rights to the Managing Director and allocation of shares on vesting of those performance rights does not require shareholder approval under ASX Listing Rule 10.14 (which, in summary, provides that a listed company must not issue performance rights to a director under an employee incentive scheme unless it obtains approval from its shareholders or the shares granted on vesting of the performance rights are acquired on-market).

However, as in the past, the company seeks shareholder approval in the interests of transparency and good corporate governance.

Summary details of the EIP and the key terms of the performance rights that may be granted to Grant Blackley for FY22 are set out below.

Details of the proposed FY22 EIP grant

FY22 is the first year during which the EIP will operate. The EIP has replaced the company's former short term incentive and long term incentive plans.

In reaching this decision, the Board consulted with the company's major shareholders and obtained independent advice on market practices and investor expectations. The Board believes that the new EIP will provide a simpler and more direct way to link executive performance and reward to generation of sustainable positive returns for shareholders.

The proposed FY22 EIP grant for Mr Blackley is for performance rights with a face value of up to \$1,050,600.

The grant represents a portion of the at risk incentive component of Mr Blackley's remuneration package and will be delivered under the company's EIP, operated in accordance with the company's Senior Executive Remuneration Framework (Framework).

Mr Blackley's total remuneration package for FY22 includes an at-risk incentive

opportunity under the company's EIP of \$1,751,000. This represents 60% of Mr Blackley's total remuneration package.

To the extent the EIP performance conditions for Mr Blackley are satisfied during FY22, the company will make an EIP award to him and will satisfy the dollar value of the EIP award by:

- paying Mr Blackley the cash component of the EIP award (a maximum of \$700,400); and
- granting Mr Blackley performance rights with a face value equal to the equity component of the EIP award (a maximum of \$1,050,600) in two equal tranches.

The number of performance rights granted to Mr Blackley is calculated by dividing the dollar value of the equity component of the EIP award by the Face Value of a performance right. The Face Value of a performance right is:

- the volume weighted average price of the company's shares for the five trading days commencing seven days after the company's results for FY22 are announced to ASX; less
- the amount of any final dividend per share declared as payable in respect of FY22.

Any performance rights granted to Mr Blackley will be eligible for vesting at the end of year 3, two years after their grant to him. This two-year period is referred to as the service period. Conditions for vesting of any performance rights granted to Mr Blackley are described further below.

FY22 performance conditions

The Board has established performance conditions for Mr Blackley in FY22 in three categories: financial performance (60%), strategic execution (30%) and culture and behaviour (10%).

There are four financial performance measures under the EIP in FY22: group earnings before interest, tax, depreciation, and amortisation (EBITDA - 30%), earnings per share (EPS - 30%), digital revenue (20%), and non-revenue-related (NRR) costs (20%).

Achievements against these financial measures will be based on the company's audited financial reports for FY22. The Board has discretion to adjust targets and outcomes to ensure executive reward is appropriately linked to corporate performance. For this purpose, the Board may consider matters including the company's overall corporate performance and progress against strategic objectives; significant non-cash items (for example impairment losses); acquisitions, divestments and one-off events; and abnormal or non-recurring items.

Performance conditions for strategic execution under the EIP focus on implementation of strategic initiatives, major projects, and material operational improvements designed to deliver growth, improved and sustainable business performance, and shareholder value. Performance conditions for culture and behaviour under the EIP focus on maintaining a positive corporate culture, effective leadership and development, retaining talent, and building effective external relationships to improve and sustain long-term business performance and shareholder value.

Notice of Meeting

The following gateways and vesting schedules apply for EIP awards based on financial performance in FY22 (representing 60% of Mr Blackley's opportunity under the EIP):

FY22 EBITDA (percentage of target)	Vesting percentage
Below 95%	Nil vesting
95%	50%
Above 95% to 102.5%	Straight line vesting between 50% and 100%
Above 102.5%	100%

FY22 EPS (percentage of target)	Vesting percentage
Below 90%	Nil vesting
90%	50%
Above 90% to 105%	Straight line vesting between 50% and 100%
Above 105%	100%

FY22 EPS (percentage of target)	Vesting percentage
Below 85%	Nil vesting
85%	50%
Above 85% to 107.5%	Straight line vesting between 50% and 100%
Above 107.5%	100%

FY22 NRR costs (percentage of target)	Vesting percentage
Above target	Nil vesting
Target or below	100%

Assessment and payment of EIP award

At the end of FY22, the Board will calculate the financial measures under the EIP and will assess Mr Blackley's performance against the non-financial measures (strategy execution and culture and behaviour). The Board will settle Mr Blackley's EIP award by a cash payment equal to 40% of his EIP award and grant of performance rights with a face value equal to 60% of his EIP award.

Vesting of performance rights and allocation of shares

If Mr Blackley remains employed by the company at the end of his applicable service period on 30 June 2024:

- one half (Tranche 1) of Mr Blackley's performance rights will vest at that time; and
- the other half (Tranche 2) will be eligible for vesting according to the following scale:

EPS CAGR (FY22-24)	Vesting percentage
1.5% or below	Nil vesting
Above 1.5% to 8%	Straight-line vesting between 0% and 100%
Above 8%	100%

The company will allocate one fully paid ordinary share for each of Mr Blackley's performance rights that vests at the end of the service period. Mr Blackley will receive an additional allocation of fully paid ordinary shares with a value equal to the dividends paid on vested rights over the service period. The Board has discretion to settle vested awards in cash.

Any performance rights that do not vest at the end of the applicable service period will lapse. This could occur because Mr Blackley is no longer employed by the company on 30 June 2024 or to the extent that the company's EPS CAGR is less than 8% for the three years ending on 30 June 2024.

The Board has discretion to fulfil the company's obligation to allocate shares on vesting by issuing new shares or acquiring shares on market. The Board has decided that any shares to be allocated to Mr Blackley on vesting of performance rights under the FY22 EIP grant will be acquired on market.

Retention of shares

Shares allocated to Mr Blackley under the FY22 EIP will be subject to disposal restrictions for two years (until 30 June 2026) or cessation of Mr Blackley's employment, whichever is earlier. These shares will be subject to further disposal restrictions under the Senior Executive Share Ownership Policy unless Mr Blackley has accumulated a shareholding in the company with a value equivalent to his fixed remuneration.

Cessation of employment

If Mr Blackley ceases employment with the company during the five year term of the FY22 EIP grant, the treatment of his rights under the EIP will be determined by time and the circumstances of the cessation of his employment.

- **During performance period (1 July 2021 to 30 June 2022):** If Mr Blackley ceases employment due to resignation during the performance period, termination for cause or poor performance, he will not be eligible for an award under the FY22 EIP.

If Mr Blackley ceases employment for any other reason during the performance period, the Board has discretion to make an award under the EIP on a pro-rata basis considering time and the performance to date against the applicable performance measures, to hold the EIP award to be tested against the applicable performance measures at the end of the original performance period, or to treat the EIP award in any other manner it considers appropriate.

Notice of Meeting

• **During service period (1 July 2022 to 30 June 2024):** If Mr Blackley ceases employment due to resignation during the service period, termination for cause or poor performance, all unvested performance rights granted under the FY22 EIP will lapse at cessation, unless otherwise determined by the Board.

If Mr Blackley ceases employment for any other reason during the service period, the Board has discretion to vest any unvested performance rights on a pro-rata basis considering time and the performance to date against the EPS performance hurdle, to hold all or a part of any unvested performance rights to be tested against the EPS performance hurdle at the end of the original service period, or to treat the EIP award in any other manner it considers appropriate.

• **After service period (after 30 June 2024):** If Mr Blackley ceases employment after 30 June 2024, the Board will release the shares held by him from any remaining restrictions on disposal.

Mr Blackley is prohibited from hedging the share price exposure in respect of performance rights or shares received by him under the EIP.

If shareholder approval is obtained, further details of the performance rights granted to Mr Blackley under the EIP in FY22 will be provided in the remuneration reports for the company's financial years ending 30 June 2022 to 2024. Further details of Mr Blackley's executive remuneration package appear in the remuneration report.

Change of control

If a change of control event in relation to the company occurs before assessment of performance under an EIP award or before vesting of performance rights granted under an EIP award, the Board has discretion as to how to treat the unassessed award or unvested performance rights, including to forfeit or make an award in whole or in part and to determine performance rights will vest or lapse in whole or in part, or that performance rights will continue subject to the same or different conditions. In exercising its discretion, the Board may consider the proportion of the performance period and the service period that has passed at the time of the change of control, the performance to date of the company and Mr Blackley against applicable performance conditions, and any other matters the Board considers to be relevant.

Other information

Further details of Mr Blackley's remuneration are provided in the remuneration report.

No amount is payable by Mr Blackley in respect of the grant of performance rights, nor in respect of any shares granted upon vesting of performance rights under the EIP or under the company's former LTI plan.

No other director is eligible to participate in the EIP or any other employee incentive scheme of the company.

No performance rights have been granted to any other directors under the EIP.

There is no loan arrangement in relation to the grant of performance rights under the EIP.

For the voting exclusions applicable to resolution 4, please refer to page 3 of this notice of meeting.

The directors (excluding the Managing Director) unanimously recommend that shareholders vote in favour of resolution 4.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **11:00 AM (AEDT) on Monday, 11 October 2021.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
