CHANGES TO ESCROW ARRANGEMENTS

Melbourne, Australia, 29 October 2021 – Cronos Australia Limited (ASX:CAU, “Cronos Australia” or the “Company”) provides an update on the current arrangements regarding the escrow of shares in the Company pursuant to Listing Rule 3.10A.

As part of the Company’s initial public offering (“IPO”) in November 2019, a total of 80,125,000 fully paid ordinary shares in the capital of the Company (“Shares”) were subject to ASX-imposed escrow for a period of 24 months from the date on which the Company was admitted to the official list of the ASX. This escrow period is due to end on 7 November 2021.

As announced on 14 September 2021, the Company has executed a Merger Implementation Agreement to acquire 100% of the issued capital of Queensland-based medicinal cannabis company CDA Health Pty Ltd (“Merger”). As part of the Merger, the current three largest shareholders of Cronos Australia, who collectively own 80,000,000 Shares pre-Merger, will enter into voluntary escrow agreements. Pursuant to the terms of the voluntary escrow agreements, all of their respective Shares will be escrowed for a further period commencing on 7 November 2021 and ending on the date which is 12 months after the date on which the Merger is completed. In the event that the Merger does not complete by 31 December 2021, the voluntary escrow agreements will terminate and all of the Shares held by these three shareholders will immediately be released from voluntary escrow.

The remaining 125,000 Shares that are currently in escrow will not be subject to the voluntary escrow arrangements and will be released from escrow on 7 November 2021.

In addition, the 2,000,000 options issued to the underwriter of the IPO (which expire on 31 December 2021 and which are exercisable for \$0.65 per option) will also be released from escrow on 7 November 2021.
