ASX Announcement (AMX)

Aerometrex to present at TechOpps 2021 virtual investment conference

Aerometrex (ASX: AMX) advises that Managing Director, Mark Deuter, will be presenting at Market Eye's TechOpps 2021 virtual conference on Wednesday, 10 November 2021.

The conference will be run over 10-11 November, with some of Australasia's leading and emerging tech companies explaining how they're transforming the way people work and helping society operate during these unprecedented times.

The Keynote speaker for the event is The Hon. Josh Frydenberg MP federal treasurer and deputy leader of the Liberal Party.

Attendance is free. To register for the event and view the full program please go to: <https://techopps.live/>

Aerometrex will be presenting at 10:00am AEDT on Wednesday, 10 November 2021.

This release is approved by the Board of Directors of Aerometrex Limited.

ABOUT AEROMETREX

Aerometrex Limited is a geospatial technology company with a strong technical history as a professional aerial mapping business specialising in aerial photography, photogrammetry, LiDAR, 3D modelling and aerial imagery subscription services.

Aerometrex's MetroMap Data-as-a-Service (DaaS) subscription business is now the company's focus for sales of aerial imagery in Australia to an increasing client base. MetroMap offers high-quality, accurate, current, very high resolution aerial imagery to Australia's cities and large regional towns.

The company also offers a world-leading 3D modelling service in Australia and the USA market, where we believe there is potential for strong growth. Our 3D models are recognised world-wide by the leading practitioners in this field as being market leading products.

Aerometrex also offers a state-of-the-art LiDAR mapping service in Australia, covering all aspects of LiDAR mapping from data capture through to the delivery of value-added products and data analytics.

The company listed on the ASX in December 2019 and has a clear strategy to provide value to its shareholders by providing geospatial data and analytics to a growing client base.
