# Directors' Report

The Directors present the financial report of the consolidated entity, consisting of Argo Investments Limited and its controlled entity (Argo or Company), for the half-year ended 31 December 2021.

The Company's objective is to maximise long-term returns to shareholders through a balance of capital and dividend growth. It does this by investing in a diversified Australian equities portfolio which is actively managed in a tax-aware manner within a low-cost structure.

## REVIEW OF OPERATIONS

Profit for the half-year under review increased by 91.5% on the previous corresponding period to \$129.0 million and earnings per share increased 91.4% to 17.8 cents per share. The rise in profit was primarily due to increased investment income as many companies lifted dividend payments as a result of the economic recovery after the initial impact COVID-19 had on the economy.

The Directors have declared a fully franked interim dividend of 16.0 cents per share compared with 14.0 cents per share paid for the half-year to 31 December 2020. This dividend totals \$116.3 million, compared with \$101.2 million in the previous corresponding period and will be paid on 11 March 2022.

Net tangible asset backing per Argo share was \$9.52 as at 31 December 2021, compared with \$9.01 as at 30 June 2021 and \$8.01 as at 31 December 2020.

During the half-year, \$19.5 million of additional capital was raised for investment from the Dividend Reinvestment Plan.

## *Responsibility of the directors for the half-year financial report*

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

## *Auditor's responsibility for the review of the half-year financial report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2021 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
