- Reaffirming PDS FY22 DPU guidance of 7.4 cents<sup>4</sup>

HCW Senior Portfolio Manager, Sam Morris said, *“We are excited to deliver a strong result following the listing in Sep-21 with HCW’s high quality and diversified portfolio delivering against our core objective to provide unitholders with consistent and growing distributions.”*

*“We are making good progress unlocking the significant growth opportunity embedded in our development pipeline which will transform the scale and quality of the portfolio on completion. Construction of the 78 bed paediatric hospital at Camden is running over 4 weeks ahead of schedule and our EOI process for Stage 2 generated strong interest from leading national private hospital operators.”*

<sup>1</sup> Period from listing (6 September 2021) to 31 December 2021.

<sup>2</sup> By income including signed leases and signed MOUs.

<sup>3</sup> Subject to agreement with preferred operating partner and finalisation of hospital design.

<sup>4</sup> HCW intends to establish a distribution reinvestment plan (DRP) for the upcoming March 2022 quarterly distribution.

HCW Chief Financial Officer, Christian Soberg said, "HCW is well capitalised with an undergeared balance sheet and strong liquidity to fund its exciting growth pipeline. Since listing HCW has collected 100% of cash rent which is a testament to our portfolio strategy which is designed to provide strong downside protection via subsector, tenant and geographic diversification. We are pleased to reaffirm our upgraded FY22 FFO and PDS FY22 DPU guidance".

For additional information please refer to the 1H FY22 financial results presentation which was also released on the ASX today.
