## Significant contract wins

During the half Alcidion contracted new sales with a total contract value (TCV) of \$30.4M - \$8.6M of which will be recognised in the current financial year.

As part of a Consortium led by Leidos Australia, Alcidion was awarded a contract to deliver key capability for a Healthcare IT project for the Commonwealth of Australia, specifically the provision of the Longitudinal Health Record via Miya Precision. The value of the contract to Alcidion is estimated to be \$23.3M over six years, which will cover the implementation and a subscription to Miya Precision. Further potential to take up Miya Observations and Miya Assessments and options to renew up to 15 years creates a possible TCV for the contract with Leidos of approximately \$50.0M.

Alcidion also secured a new three-year contract with Queen's Hospital Burton in the UK for ExtraMed's Inpatient Flow Manager (IPFM), the first new contract win following the acquisition of ExtraMed in April 2021 with TCV of \$0.6M. Queen's Hospital Burton is part of the University Hospitals of Derby and Burton NHS Foundation Trust, one of the largest NHS trusts in the UK.

A three-year contract extension, with a TCV of \$0.6M, was signed for ExtraMed's IPFM licence and support with Royal Derby Hospital, sister to Queen's Hospital Burton, which has documented success in reducing length of stay using IPFM.

Finally, a new three-year contract with Sydney Local Health District, with a TCV of \$1.8M, was secured for the use of Miya Precision in supporting virtual care of acute diverticulitis patients by rpavirtual. Miya Precision will be the platform supporting virtual care across Sydney Local Health District capturing information from integrated devices along with patient entered information from the new Miya Care module. It will be a key reference site for Alcidion, highlighting the capability of Miya Precision to support virtual care and remote patient monitoring.

## Significant Changes in State of Affairs

### Acquisition of Silverlink PCS Software Limited:

In December 2021, Alcidion acquired Silverlink PCS Software Limited (Silverlink), one of the largest and few remaining specialist Patient Administration System (PAS) providers servicing the UK NHS market.

In addition, it expands the company's UK presence to 38 NHS Trusts giving a ~26% market presence, while also expanding the addressable market.

The acquisition price of £30.0M (\$56.5M) with a further £3.0M (\$5.6M) subject to earn-out conditions being met, was funded via a \$55.0M equity raising (see below for details).

Silverlink has forecast FY22 (30 April year-end) annual revenue of \$7.8M from existing contracts (95%+ recurring revenue), generating EBITDA of \$4.8M (62% EBITDA margin).

Silverlink is one of the largest and few remaining specialist Patient Administration System (PAS) providers servicing the UK NHS market. The acquisition provides Alcidion with the core PAS capability, which expands the overall product offering and positions Alcidion to become a cloud-native, modern, and modular Electronic Patient Record (EPR/EMR) provider to rival major global vendors.

- (ii) *Purchase price adjustment calculated from 'Working Capital Consideration' and based on provisional accounting, will be revised in accordance with Completion Accounts*

The accounting for the acquisition of Silverlink is provisional as permitted under AASB3 Business Combinations.

The fair value of Silverlink's intangible assets (brand name, customer base and software assets) are in the process of being valued.

	31 Dec 2021 \$000	30 June 2021 \$000
Contingent consideration - current liability	2,788	-
Contingent consideration - non-current liability	2,788	-

Contingent consideration relates to the acquisition of Silverlink Software PCS Limited. Payment of the contingent consideration is subject to the successful renewal of selected customer contracts prior to 31 March 2024.

The contingent consideration is split into two equal tranches.

The first tranche is subject to the successful renewal of selected customer contracts, these renewals are due to take place in the next 12 months and as such the first tranche of the contingent consideration is accounted for as a current liability.

The second tranche is subject to the successful renewal of selected customer contracts, these renewals are expected to take place on or before 31 March 2023 (but no later than 31 March 2024) and as such the second tranche of the contingent consideration is accounted for as a non-current liability.

The basis of the contingent payment is estimated fair value and determined by taking into account the high probability that Silverlink will renew the selected customer contracts that trigger the full payment of the contingent consideration.

This liability is considered a Level 3 financial liability that is remeasured each reporting date based on probability factors. Any changes to the fair value measurement of the contingent consideration will be recognised in Profit or Loss.

We have reviewed the accompanying half-year financial report of Alcidion Group Limited (the Company) and the entities it controlled at the half-year's end or from time to time during the half year (the consolidated entity) on pages 6 to 16, which comprises the consolidated statement of financial position as at 31 December 2021, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Alcidion Group Limited on pages 6 to 16 is not in accordance with the Corporations Act 2001 including:

- a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2021 and of its performance for the half year ended on that date; and
- b) complying with Australian Accounting Standard 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

### **Auditor's Responsibilities for the Review of the Half-Year Financial Report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2021 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Independence**

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
