### **PRINCIPAL ACTIVITY**

Yowie Group Limited is a global brand licensing Company, specialising in the development of consumer products designed to promote learning, understanding and engagement with the natural world through the adventures and exploits of six endearing Yowie characters. Educating children and adults about the environment and ecology and 'Save the Natural World' is at the heart of the Yowie proposition. Yowie Group Limited employs its company-owned intellectual property rights to supply Yowie branded chocolate confectionery products, a digital platform and Yowie branded licensed consumer products. The Group's vision for the Yowie brand is to distribute on a widening basis the Yowie product in the US (United States of America) and AUS (Australia) with further international expansion.

### **OPERATING AND FINANCIAL REVIEW**

During the half-year the Group's focus was on growing sales and distribution network both in the US and AUS markets, maintaining fiscal discipline and growing consumer awareness, with some updates below.

#### **Sales and Distribution**

- Global net sales were US\$8.12 million for the half-year ended 31 December 2021, 46% higher than the previous corresponding period. Strong consumption gains in the US and AUS market, across all trade channels, drove the top-line, despite supply chain difficulties related to COVID-19.

The Group saw continued strong momentum in orders and retail consumption moving into H2 FY2022 with over US\$1 million in backorders and new distribution coming on board.

**OPERATING AND FINANCIAL REVIEW (continued)**

**Sales and Distribution (continued)**

- The Group continued to progress towards broadening its distribution network and growing market share.

The Group saw continued upward Nielsen® retail \$ consumption trends in the past 13 weeks ended 8 January 2022 (+9.9%), with +63.3% in Convenience, +14.2% in Grocery and +12.5% in Mass.

Increased retail foot traffic, consumer disposable income growth and expanded distribution contributed to the Group's strong results.

**Corporate**

- Mr Sean Taylor joined the Board as Executive Chairman on 8 December 2021, replacing Mr Louis Carroll who retired from his position as Non-Executive Chairman.
- Mr Scott Hobbs joined the Board as Non-Executive Director on 8 December 2021

**Financial Overview**

- The Group maintained a Gross Margin of 47% of net sales enabling the Group to invest with retailers and marketing where appropriate.
- EBITDA\* for the half-year ended 31 December 2021 was US\$0.63 million, a marked improvement from EBITDA loss of US\$0.27 million for the previous corresponding period. The improvement was mainly attributable to higher revenues and cost containment.
- Net profit after tax attributable to members was US\$0.98 million, compared to a loss of US\$0.1 million in the previous corresponding period. The improvement was largely due to higher revenue and the reversal of prior impairment of non-current assets. Please refer to note 3(b) for details on the reversal of impairment.
- As at 31 December 2021, the Group's consolidated cash position was US\$7.97 million (30 June 2021: US\$8.41 million).

*\*EBITDA = Earnings before interest, taxes, depreciation, amortisation, share-based payments expense and inventory write-down/reversal*

**OPERATING AND FINANCIAL REVIEW (continued)**
**Financial Overview (continued)**

- A summary of the cash flows for the Group during the period is as follows:

Cash flows used in:	US\$
- Operating activities	(0.37 million)
- Investing activities	(0.01 million)
- Financing activities	-
<b>Net cash flows for the year</b>	<b>(0.38 million)</b>
Opening cash and cash equivalents balance	8.41 million
Effect of foreign exchange movements	(0.06 million)
<b>Closing cash and cash equivalents balance</b>	<b>7.97 million</b>

The negative operating cash flow of US\$0.37 million was due to the Group's strategy to build inventory where possible to meet customers' demands in light of global supply chain disruptions.

- The net assets of the Group as at 31 December 2021 was US\$9.4 million, up from US\$8.5 million as at 30 June 2021. The increase in net assets of the Group was primarily due to increased revenue resulting in higher trade receivables and higher cash inflow, allowing increased prepayments for raw materials to build up inventory level.

**SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS**

There were no significant changes in the state of affairs of the Group during the half-year ended 31 December 2021.

**EVENTS SUBSEQUENT TO BALANCE DATE**

Refer to Note 13 in the Notes to the Consolidated Financial Statements.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF  
YOWIE GROUP LIMITED**

**Report on the Half-Year Financial Report**

We have reviewed the accompanying half-year financial report of Yowie Group Limited, which comprises the statement of financial position as at 31 December 2021, the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

*Directors' Responsibility for the Half-Year Financial Report*

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2021 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Yowie Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
