DIRECTORS' REPORT FOR THE HALF-YEAR ENDED 31 DECEMBER 2021

The Directors present their report together with the financial report of the consolidated entity consisting of Farm Pride Foods Limited ('the Company') and the entities it controlled (or the 'Group'), for the half-year ended 31 December 2021 and auditor's report thereon.

Directors

The names of Directors in office at any time during or since the end of the year are:

Peter Bell	Non-Executive Director, Chair
Malcolm Ward	Non-Executive Director
Bruce De Lacy	Independent Non-Executive Director and Company Secretary

The Directors have been in office since the start of the financial period to the date of this report unless otherwise stated.

Review of operation

Statutory consolidated net loss after tax for the half year ended 31 December 2021 was \$2.627m (2020: loss \$5.090m). Normalised EBITDA was a gain of \$0.414m (2020: gain \$1.257m).

Normalised EBITDA represents statutory earnings before interest, tax, depreciation and amortisation adjusted for items that are material to revenue or expense that are unrelated to the normalised performance of the business ("significant items"). The Company believes that presenting normalised EBITDA provides a better understanding of its financial performance by facilitating a more representative comparison of performance between financial periods. The results are presented with reference to the Australian Securities and Investment Commission Regulatory Guide 230 "Disclosing non-IFRS financial information".

The following table reconciles the statutory results to normalised EBITDA for the half year ended 31 December 2021:

	31 Dec 2021	31 Dec 2020

Review of operations (continued)

The balance of FY22 focus for the Group will remain:

- Finalising the re-financing process of the Group
- Continued tight management of working capital.
- Finalising the detail of the initial stages of the cage free transition with major retailers
- Continued engagement with retail customers and seeking growth opportunities for free range eggs
- Organic and incremental growth of industrial ingredients as a priority
- Accelerate our innovation programs.

The Board of Directors would like to thank all our customers and executive leadership, management and employees for their continued support and efforts.

The Future

While the Group maintains a positive outlook based on customer engagement and innovation programs, the flow on impacts of COVID 19, including disruptions to our labour force, supply chains and customer demand requires the Group to apply additional focus on managing operations and customer expectations.

Upwards pressure is being placed on feed costs with strong demand for Australian wheat. Additionally, National flock levels are nearing historic lows which is resulting in restricted egg supply which is expected to continue over the balance of FY22.

Significant changes in the state of affairs

There have been no significant changes in the Group's state of affairs during the half year.

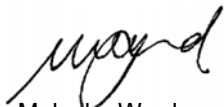

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* in relation to the review for the half-year ended 31 December 2021 is provided with this report.

Rounding of amounts to nearest thousand dollars

The amounts contained in the report and in the half year financial report have been rounded to the nearest thousand dollars (where rounding is applicable) under the option available to the company under ASIC Corporations Instrument 2016/191. The Company is an entity to which the Class Order applies.

Signed in accordance with a resolution of the Directors.

NOTES TO THE HALF-YEAR FINANCIAL STATEMENTS 31 DECEMBER 2021

NOTE 1: BASIS OF PREPARATION OF THE HALF-YEAR FINANCIAL REPORT

The condensed consolidated half-year financial report does not include all the notes of the type usually included in an annual financial report.

It is recommended that this half-year financial report be read in conjunction with the annual financial report for the year ended 30 June 2021 and any public announcements made by Farm Pride Foods Limited (the Company) during the half-year in accordance with any continuous disclosure obligations arising under the *Corporations Act 2001*.

This condensed half-year financial report covers the Company and its controlled entities as a consolidated entity. Farm Pride Foods Limited is a company limited by shares, incorporated and domiciled in Australia. The address of the Company's registered office and principal place of business is 551 Chandler Road, Keysborough, Victoria. The Company is a for-profit entity for the purpose of preparing the financial statements.

The half-year financial report was authorised for issue by the directors as at the date of the Director's Report.

(a) Basis of preparation

The condensed consolidated half-year financial report has been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting*, as appropriate for for-profit entities, and the *Corporations Act 2001*. Compliance with AASB 134, as appropriate for for-profit entities, ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.

The half-year financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets as described in the accounting policies.

Except as disclosed in Note 1(b), the accounting policies applied in this half-year financial report are consistent with those of the annual financial report for the year ended 30 June 2021.

(b) Summary of the significant accounting policies

The Group has applied all new and revised Australian Accounting Standards that apply to reporting periods beginning on or after 1 July 2021.

(c) Accounting standards issued but not yet effective

AASB 2020-1: Amendments to Australian Accounting Standards – Classification of Liabilities as Current or Non-current

AASB 2020-1 amends AASB 101 Presentation of Financial Statements to clarify requirements for the presentation of liabilities in the statement of financial position as current or non-current.

AASB 2020-1 mandatorily applies to annual reporting periods commencing on or after 1 January 2023 and will be first applied by the Group in the financial year commencing 1 July 2023.

AASB 2020-3 Amendments to Australian Accounting Standards – Annual Improvements 2018 – 2020 and Other Amendments

AASB 2020-3 amends AASB 1 First-time Adoption of Australian Accounting Standards, AASB 3 Business Combinations, AASB 9 Financial Instruments, AASB 116 Property, Plant and Equipment, AASB 137 Provisions, Contingent Liabilities and Contingent Assets and AASB 141 Agriculture as a consequence of the recent issuance by IASB of the following IFRS: Annual Improvements to IFRS Standards 2018-2020, Reference to the Conceptual Framework, Property, Plant and Equipment: Proceeds before Intended Use and Onerous Contracts – Cost of Fulfilling a Contract.

AASB 2020-3 mandatorily applies to annual reporting periods commencing on or after 1 January 2022 and will be first applied by the Group in the financial year commencing 1 July 2022.

(d) Going concern

During the half year ended 31 December 2021 the Group incurred a net loss after tax of \$2.627m (loss 2020: \$5.090m). Net cash flow generated by operating activities was an outflow of \$3.038m (2020: \$0.070m). As at 31 December 2021 current assets of \$27.687m were exceeded by current liabilities of \$28.603m by \$0.916m. As outlined in Note 8 the group's current finance facilities expire in August 2022 and therefore have been classified as a current liability.

The Group is dependent on continuing support from its financiers to maintain its operations. The process to re-finance the Group is well underway with funding proposals received as at the date of signing. Management are continuing to evaluate the funding proposals received to ensure they align with the Groups strategic plans. The directors have reasonable expectations that the group will be re-financed.

The half year financial report has been prepared on the basis that the Group is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business. The Directors in their consideration of the appropriateness of the going concern basis for the preparation of the half year financial report have reviewed the Group's cash flow forecasts and revenue projections based on current market conditions and business plans.

No adjustments have been made to the half year financial report relating to the recoverability and classification of the carrying amount of assets or the amount and classification of liabilities that might be necessary should the Group not continue as a going concern. Accordingly, the half year financial report has been prepared on a going concern basis.

The Group continues to actively manage its cash flows through management of inventory levels, debtors and creditors within strict terms and limits. The Group continues to refine its internal controls and governance. This includes targeted capital expenditure to improve asset life, quality and safety with a view to support the Group's focus on diversified revenue sources to adapt to changing market conditions.

Should the Group be unsuccessful with the refinancing initiative detailed above, then the Group may in the future not be able to continue as a going concern and may therefore be required to realise assets and extinguish liabilities other than in the ordinary course of business with the amount realised being different from those shown in the half year financial report.

(e) Segment reporting

Management has determined the operating segments based on the reports reviewed by the Board of Directors (the chief operating decision maker as defined under AASB 8) that are used to make strategic and operating decisions. The board of directors considers the business primarily from a geographic perspective. On this basis the Group has identified one reportable segment, Australia. The Group does not operate in any other geographic segment.

The sale of Keysborough generated cash inflows of \$18.500m less transaction costs of \$0.383m. With the sale subject to a long-term lease of fifteen years with an additional five-year option, the proceeds from the sale have been accounted for in accordance with AASB 16 Leases. As a result, a significant amount of the proceeds from sale are offset against the right of use asset for the Keysborough site instead of being recognised as profit on sale of an asset in the current period. This results in the recognition of a right of use asset of \$1.866m, a lease liability of \$14.998m and a gain on sale of \$2.448m.

Upon returning to sufficient levels of taxable income, the tax losses will be available to record as an asset.

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF FARM PRIDE FOODS LIMITED**

Conclusion

We have reviewed the half-year financial report of Farm Pride Foods Ltd ("the Company") and its controlled entities ("the Group"), which comprises the condensed consolidated statement of financial position as at 31 December 2021, the condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2021 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty relating to Going Concern

We draw attention to Note 1 (d) – Going Concern in the financial report, which indicates that the Group's current finance facilities expire in August 2022. As stated in Note 1 (d) this event, along with the other matters as set forth in Note 1 (d), indicate that a material uncertainty exists that may cast significant doubt about the Group's ability to continue as a going concern. Our conclusion is not modified in respect of the matter.

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF FARM PRIDE FOODS LIMITED**

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2021 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
