EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the Annual General Meeting to be held **via online webinar on Tuesday, 31 May 2022 at 4:30pm (AEST)**. The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

7. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2021 together with the declaration of the Directors, the Director's report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available for download from the Company's website at <http://www.fatfish.co>.

8. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

8.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report of the entity be adopted must be put to shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and other key management personnel of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 31 December 2021.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

8.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the Company's annual financial report for the financial year ended immediately before the annual general meeting) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

8.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

8.4 Proxy restrictions

Shareholders appointing a proxy for Resolution 1 should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy; then

You must direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).

You ***do not*** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, ***you must mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.***

If you appoint any other person as your proxy

You ***do not*** need to direct your proxy how to vote, and you ***do not*** need to tick any further acknowledgement on the Proxy Form.

9. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR KIN WAI LAU

9.1 General

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

Clause 13.3 of the Constitution provides that:

- (a) no director may hold office for a period in excess of 3 years, or beyond the third annual general meeting following the director's election, whichever is the longer, without submitting himself or herself for re-election;
- (b) there must be an election of directors at each annual general meeting. The director or directors to retire at each annual general meeting includes any one or more of the following as applicable:

- (i) any director required to submit for election due to holding office for 3 years or 3 annual general meetings following the director's election, whichever is the longer;
- (ii) any director required to submit for election due to being appointed since the last annual general meeting;
- (iii) a person standing for election as a new director; or
- (iv) if no such persons are standing for election or re-election under Clauses 13(b)(i) to 13(b)(iii), then the director who has been in office the longest since last being elected;
- (c) The requirement to retire by rotation does not apply to the Managing Director; and
- (d) A Director who retires by rotation under Clause 13.3 of the Constitution is eligible for re-election.

Accordingly, Mr Kin Wai Lau, who was previously re-elected on at the Company's annual general meeting held on 31 May 2019, retires and being eligible, seeks approval to be re-elected as a director.

9.2 Kin Wai Lau

Mr Lau is a well-recognised technology entrepreneur in Southeast Asia who founded his first technology company when he was 23 and has since taken 6 technology companies public. He began his career as the co-founder and Managing Director of Viztel Solutions Berhad ("Viztel"), a telecom and mobile internet software startup. At the age of 28, Mr Lau led Viztel to IPO and was one of the youngest Managing Directors of publicly traded companies in Southeast Asia. Mr Lau frequently supports entrepreneurial campaigns in colleges and universities and is a regular judge at innovation and startup competitions in Singapore.

9.3 Board recommendation

The Board (excluding Mr Lau) recommends that Shareholders vote in favour of Resolution 2. The Chair intends to exercise all available proxies in favour of Resolution 2.

10. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR DONALD HAN LOW

10.1 General

Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

Clause 13.3 of the Constitution provides that:

- For personal use only
- (a) no director may hold office for a period in excess of 3 years, or beyond the third annual general meeting following the director's election, whichever is the longer, without submitting himself or herself for re-election;
 - (b) there must be an election of directors at each annual general meeting. The director or directors to retire at each annual general meeting includes any one or more of the following as applicable:
 - (i) any director required to submit for election due to holding office for 3 years or 3 annual general meetings following the director's election, whichever is the longer;
 - (ii) any director required to submit for election due to being appointed since the last annual general meeting;
 - (iii) a person standing for election as a new director; or
 - (iv) if no such persons are standing for election or re-election under Clauses 13(b)(i) to 13(b)(iii), then the director who has been in office the longest since last being elected;
 - (c) The requirement to retire by rotation does not apply to the Managing Director; and
 - (d) A Director who retires by rotation under Clause 13.3 of the Constitution is eligible for re-election.

Accordingly, Mr Donald Han Low, who was previously re-elected on at the Company's annual general meeting held on 31 May 2019, retires and being eligible, seeks approval to be re-elected as a director.

10.2 Donald Han Low

Mr Low has worked in the corporate advisory and corporate finance sector with experience covering the whole business cycle, ranging from start-ups, business creation and exits via Initial Public Offerings (IPOs), Reverse Take Overs (RTO), Trade Sales and Mergers and Acquisitions (M&A). As part of all corporate restructurings, especially in distressed assets and business models, Mr Low takes a hands-on approach in the senior management of the companies post transactions.

Mr Low has served as a Chief Executive Officer (CEO) and as director on boards of private and publicly listed companies in Asia, Australia and Europe with interests ranging from traditional business such as agriculture (oil palm plantations, etc.), logistics, finance, mining, manufacturing, food and service (A&W) to new economy business in TMT (Telecommunication, Media & Technology) space and the fast growing internet environment.

10.3 Board recommendation

The Board (excluding Mr Low) recommends that Shareholders vote in favour of Resolution 3. The Chair intends to exercise all available proxies in favour of Resolution 3.

11. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY

11.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under ASX Listing Rule 7.1A an eligible entity may seek Shareholder approval at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. As at 20 April 2022, the Company is an "eligible entity" as it is not included in the S&P 300 Index and has a current market capitalization of approximately \$41,445,195 (based on the number of Shares on issue and the closing price of Shares on ASX on 20 April 2022).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Capacity to issue Equity Securities without Shareholder approval provided for under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

This Resolution is a special Resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of this Resolution for it to be passed.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

11.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an eligible entity (including the Company) to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the eligible entity's 15% annual placement capacity.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has two classes of quoted Equity Securities on issue, being the fully paid ordinary shares (ASX Code: FFG) and quoted options (ASX Code: FFGOA).

The exact number of Equity Securities that the Company may issue under an approval in accordance with Listing Rule 7.1A will be calculated according to the following formula:

Where:

- A** is number of shares on issue at the commencement of the relevant period:
- (A) plus the number of fully paid shares issued in relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in relevant period on conversion of convertible securities within Listing Rule 7.2 Exception 9 where:
 - (1) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (2) the issue of, or agreement to issue, the convertible securities approved, or taken to have been approved, under Listing Rule 7.1 or 7.4;
 - (C) plus the number of fully paid shares issued in relevant period under an agreement to issue securities within Listing Rule 7.2 Exception 16 where:
 - (1) the agreement was entered into before the commencement of the relevant period; or
 - (2) the agreement or issue was approved, or taken to have been approved, under Listing Rule 7.1 or 7.4;
 - (D) plus the number of partly paid shares that became fully paid in the relevant period;
 - (E) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rule 7.1 and 7.4; ;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by holders of ordinary securities under Listing Rule 7.4.

11.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(a) **Date of Issue (10% Placement Capacity Period)**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; and

- (iii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

(b) **Minimum Price**

The minimum price at which the Equity Securities may be issued under the 10% Placement Capacity is 75% of the volume weighted average price of Equity Securities in that same class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under 10% Placement Capacity**

The Company intends to use funds raised from issues of Equity Securities under the 10% Placement Capacity for advancing the Company's existing operations including the acquisition of assets and investments (including expenses associated with such an acquisition) and general working capital.

As at the date of this Notice, the Company has no specific purpose or investments in mind for the use of funds raised from issues of Equity Securities under the 10% Placement Capacity.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) upon issue of any Equity Securities.

(d) **Risk of economic and voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at 20 April 2022.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at 20 April 2022. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover

offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and

- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 20 April 2022.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Issue Price (per Share)	Dilution		
		\$0.0200 50% decrease in Issue Price	\$0.0400 Issue Price	\$0.0800 50% increase in Issue Price
1,036,129,877 (Current Variable A)	Shares issued - 10% voting dilution	103,612,988 Shares	103,612,988 Shares	103,612,988 Shares
	Funds Raised	\$2,072,260	\$4,144,520	\$8,289,039
1,554,194,816 (50% increase in Variable A)	Shares issued - 10% voting dilution	155,419,482 Shares	155,419,482 Shares	155,419,482 Shares
	Funds Raised	\$3,108,390	\$6,216,779	\$12,433,559
2,072,259,754 (100% increase in Variable A)	Shares issued - 10% voting dilution	207,225,976 Shares	207,225,976 Shares	207,225,976 Shares
	Funds Raised	\$4,144,520	\$8,289,039	\$16,578,078

The table above uses the following assumptions:

1. There are currently 1,036,129,877 Share on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 20 April 2022.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular

Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous Approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 30 July 2021

(Previous Approval). The Company has not issued any Equity Securities pursuant to the Previous Approval.

The Company has not issued, or agreed to issue, any Equity Securities under Listing Rule 7.1A.2 in the twelve months preceding the date of the Meeting.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

11.4 Compliance with ASX Listing Rules 7.1A.4

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (a) state in its announcement of the proposed issue under Listing Rule 3.10.3 or in its application for quotation of the securities under Listing Rule 2.7 that the securities are being issued under Listing Rule 7.1A; and
- (b) a list of the allottees of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4.

12. RESOLUTION 5 – RATIFICATION OF ISSUE OF CONVERTIBLE NOTES AND ISSUE OF MAXIMUM UNDERLYING SHARES

12.1 Background

As announced on 19 August 2021, the Company announced it had secured funding of \$8 million from US-based fund, Arena Investors L.P (“Arena Investors”) (“Noteholder”).

The Company had an existing strategic long term funding agreement with Arena Investors. The fresh funding was secured by a definitive Deed of Amendment to the earlier Convertible Note Deed that the Company had entered into with Arena Investors on 21 November 2018.

The Noteholder is a New York based registered investment advisory that originates investments (generally below \$50 million) with borrowers and other counterparties who need access to financing.

The material terms of the Convertible Note Deed (as varied by the Deed of Amendment) are summarised in Schedule 2.

The Noteholder subscribed for the Convertible Notes for a total face value of \$8,000,000 (“Notes”). The 8,000,000,000 Notes were issued on 27 August 2021. The Convertible Notes were issued by the Company under its Listing Rule 7.1 placement capacity.

The costs directly incurred by the Company in entering the Deed of Amendment included \$8,536 worth of legal costs payable Macpherson Kelley Lawyers, arrangement fees equal to \$304,000 (plus GST) (payable to Harford Vantage (Australia) Pty Ltd and the Establishment Fee Shares (the subject of Resolution 6).

12.2 General

The Company seeks ratification of its issue of the Convertible Notes, and for up to 114,285,714 Shares, being the maximum amount of Shares to be issued upon the conversion of the Convertible Notes (**Underlying Shares**).

The Company issued the Convertible Notes, and provided for the issue of the Underlying Shares without prior Shareholder approval, out of its 15% annual placement capacity (under Listing Rule 7.1). The maximum number of Underlying Shares was within the Company's capacity under ASX Listing Rule 7.1 as at the date the Company entered into the Convertible Notes, and the Company was therefore able to issue this Convertible Note without seeking prior Shareholder approval.

The Convertible Notes and the Underlying Shares were not placed with any Related Parties of the Company nor any of their Associates.

Resolution 5 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Convertible Notes and the Underlying Shares.

12.3 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions which are contained in Listing Rule 7.2 (which do not apply in the circumstances of this Resolution), Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. The Forever Pay Consideration Shares do not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. The Convertibles Notes are convertible at any time, and were issued under the Company's placement capacity under Listing Rule 7.1. The maximum number of Shares that may be issued on conversion of the Convertible Notes, based on the agreed conversion price of \$0.07 per Share, is 114,285,714 Shares.

The effect of Resolution 5 will be to permit the Company to ratify the issue of the Convertible Notes, refresh the Company's placement capacity under Listing Rule 7.1 and approve the issue of the Underlying Shares for the purpose of Listing Rule 7.4.

12.4 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Convertible Notes and the future issue of the Underlying Shares will be **excluded** in calculating the Company's 15% limit in Listing Rule 7.1, effectively **increasing** the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 5 is not passed, the Convertible Notes will be **included** in calculating the Company's 15% limit in Listing Rule 7.1, effectively **decreasing** the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

12.5 Additional Information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in respect of Resolution 4:

13.2 Listing Rules 7.1 and 7.4

An explanation of Listing Rule 7.1 and 7.4 is set out in section 12.3.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 6 seeks Shareholder approval for the Establishment Fee Shares under and for the purposes of Listing Rule 7.4.

13.3 Technical information required by Listing Rule 14.1A

If Resolution 6 is passed, the Establishment Fee Shares will be **excluded** in calculating the Company's 15% limit in Listing Rule 7.1, effectively **increasing** the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 6 is not passed, the Establishment Fee Shares will be **included** in calculating the Company's 15% limit in Listing Rule 7.1, effectively **decreasing** the

number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**

 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.

Where the company (pursuant to section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish.
