Company highlights

FY22

InvestSMART has built Australia's premier direct-to-investor wealth platform helping over 720,00 members achieve their financial goals through low-cost funds, content and tools ecosystem.

- 1 Digital Wealth Platform is delivering strong annual growth, achieved through trust, high quality content, technology, and innovative products. In the June 2022 Financial Year:**
 - Operating income grew by 12%
 - Funds under management grew by 42% to \$470m
 - Professionally Managed accounts (PMA) grew by 60% to 2,513 accounts
 - Funds Management Fees are 85% higher than the prior comparative period
 - Content-based Subscription income is 8% higher than the prior comparative period
- 2 Three core products**
 - 1. InvestSMART Professionally Managed Accounts (PMAs)** – invests in portfolios of ASX listed ETFs (capped fees)
 - Fundlater launched in September 2021 to provide a lower entry point to a PMA for younger investors.
 - 2. Intelligent Investor** – manages three of its own ASX listed 'active' ETFs (INIF, INES and IIGF)
 - 3. Subscriptions** – premium paid content through
 - **Intelligent Investor** – research-based views on companies and investment themes
 - **Eureka Report** – commentary and insights, delivered by business commentator Alan Kohler
- 3 Low cost of customer acquisition through unique ecosystem**
- 4 Well recognised ambassadors and visible Board**

Funds under management

InvestSMART PMA* capped fee FUM (investment ETFs)

- Our low-cost capped fee ETF portfolios continue to outperform their peers and gain traction with retail investors.
- SMSFs continue to find our capped fee proposition of \$550 per annum attractive.
- Many clients have money in multiple portfolios across the platform.
- Fee structure simplified from May 2022. Capped Fee increased to \$550 (i.e \$100k invested) (prior \$451, \$88k). Minimum investment of \$10k remains with minimum fee scrapped (previously \$99)
- PMA investors: prior to Dec 2018 investors were within the Praemium platform.

* Professionally Managed Account (PMA): the investor holds legal and beneficial ownership and the underlying securities are registered under their name, within the investment portfolio

^ Performance figures are after management and admin fees excl. brokerage and assuming dividends re-invested and no withdrawals. Performance figures for periods greater than one year are annualised and presented as "per annum" values. The peer comparison figures have been sourced from Morningstar data and is therefore limited to the funds and investment products included in their database. This may not include all funds available for retail investment in Australia. The peer calculation is inclusive of admin and management fees; excludes brokerage and no withdrawals have been made. InvestSMART cannot determine whether or not franking has been included, nor if dividends have been reinvested. Whilst every care has been taken in producing these numbers, InvestSMART does not guarantee the accuracy of the figures produced in the table. Fee data may not include all costs being charged such as platform and adviser fees. For the effect of fees on your cumulative returns, please see our report [How Fees Can Destroy Your Wealth](#). About InvestSMART Group Ltd

ASX:INV

InvestSMART has built Australia's premier direct to investor wealth platform focused on digital investment advice. Our proprietary digital wealth platform helps clients achieve their financial goals through our low cost funds, content and tools ecosystem, including Intelligent Investor and Eureka Report.

Today, we interact with 720,000 Australians who are building investing knowledge by consuming our content, using our tools and growing and protecting their wealth through our investment solutions.

We seek to be
Australia's #1
wealth platform for
do-it-yourself
investors

Products & services

InvestSMART Group runs Professionally Managed Accounts (PMAs)* using ETFs (with capped fees up to \$550 p.a.) and three active ASX-listed ETFs under its Intelligent Investor brand.

PMA Investment Accounts focus on investing into a large universe of preferred ETFs selected to provide a unique balance between performance returns, cost efficiency and risk diversification. Our proprietary investment research methodology screens a large universe of Australian and overseas ETFs, selecting only those which deliver leading returns relative to performance benchmarks and which have low management fees. Investors can create customised and diversified investment portfolios (based on ETFs) to suit their individual needs. Our investment portfolios differ in the levels of risk and return, and each offers a different investment emphasis.

The Intelligent Investor and Eureka Report membership-based content publications and tools were developed to assist investors. Intelligent Investor is a provider of research-based views on companies and investment themes. The Eureka Report, founded by Alan Kohler, provides commentary and insights on investment strategy, markets and companies.
