## EXPLANATORY NOTES

These Explanatory Notes form part of the Notice of Meeting and provide shareholders with information relevant to the business to be considered at the AGM. Shareholders should read these Explanatory Notes in full before deciding how to vote on the resolutions.

Unless the context requires otherwise, capitalised terms used in this Notice of Meeting (including these Explanatory Notes) have the same meaning given to them in the Glossary.

The Chair of the AGM intends to vote all available undirected proxies **in favour** of resolutions 2, 3 and 4.

### ITEM 1 FINANCIAL STATEMENTS AND REPORTS

As required by section 317 of the Corporations Act, the Financial Report, Directors' Report and Auditor's Report of the Company and its controlled entities for the financial year ended 2 July 2022 will be laid before the meeting. There will be no formal resolution put to the meeting.

The reports are contained in the Company's FY22 Annual Report. The FY22 Annual Report is available on the Company's website at [www.superretailgroup.com.au](http://www.superretailgroup.com.au).

Shareholders and proxyholders will be given a reasonable opportunity to ask questions and make comments about the reports. Representatives of the Company's external auditor, PricewaterhouseCoopers, will be present at the AGM and shareholders and proxyholders will have an opportunity to ask the auditor questions relevant to the preparation and content of the Auditor's Report.

### ITEM 2 ADOPTION OF THE REMUNERATION REPORT

As required by section 250R(2) of the Corporations Act, a resolution that the Company's Remuneration Report be adopted will be put to the vote. Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and is not binding. However, the Board values shareholder feedback and will take into consideration the outcome of voting on this resolution when assessing remuneration policy for executives and Non-Executive Directors in the future.

The Company is committed to achieving sustained high performance. Remuneration and benefits are set in the context of an overall philosophy to provide market-competitive remuneration and arrangements that support the attraction, motivation and retention of team members. These aims are aligned with the interests of shareholders.

Similarly, the Company's remuneration strategy is designed to attract and retain experienced, qualified Non-Executive Directors and to remunerate appropriately to reflect the responsibilities of the position. Non-Executive Directors receive fees to recognise their contribution to the work of the Board and the Committees on which they serve.

The Remuneration Report is contained in the Company's FY22 Annual Report on pages 47 to 77.

A voting exclusion applies to this item.

**The Board unanimously recommends that shareholders vote in favour of this resolution.**

## ITEM 3 ELECTION OF MS JUDITH SWALES AS A DIRECTOR

Judith Swales was appointed as an Independent Non-Executive Director of the Company on 1 November 2021. She is a member of the Audit and Risk Committee.

The Company's Constitution and ASX Listing Rule 14.4 require that any director appointed to the Board since the Company's last annual general meeting holds office until the conclusion of the Company's next annual general meeting, but is eligible for election at that meeting. Having been appointed to the Board in November 2021, Ms Swales is eligible, and offers herself, for election at the AGM.

### Experience

Ms Swales is a retail, sales, marketing and manufacturing professional who has more than 25 years' experience in high profile, global, consumer facing companies. She is currently the Chief Executive Officer Global Markets at Fonterra. Her previous roles include Managing Director of Heinz Australia, Chief Executive Officer and Managing Director of Goodyear Dunlop Tyres Australia and New Zealand, and Managing Director of Angus & Roberston/WH Smith Australia. She also previously served as a Non-Executive Director of Fosters, Virgin Australia and DuluxGroup.

Ms Swales holds a Bachelor of Science in Microbiology and Virology (University of Warwick) and is a graduate member of the Australian Institute of Company Directors.

### Recommendation

The Board considers that Ms Swales' extensive experience in the retail sector, particularly as regards her leadership and management experience from holding senior executive positions in the sector, will continue to be of significant benefit to the Company.

Prior to submitting herself for election, Ms Swales confirmed that she would continue to have sufficient time to properly fulfil her director's duties for the Company. In accordance with the Company's policy on independence for Non-Executive Directors, the Board (with Ms Swales abstaining) has determined that Ms Swales remains independent.

**The Board (with Ms Swales abstaining) unanimously recommends that shareholders vote in favour of Ms Swales' election.**

## ITEM 4 APPROVAL OF GRANT OF PERFORMANCE RIGHTS TO GROUP MD AND CEO

The Company is seeking shareholder approval for the proposed grant of Performance Rights to the Group MD and CEO as his long-term incentive (**LTI**) for FY23.

The Performance Rights proposed to be granted to Mr Heraghty under Item 4 form part of his remuneration for FY23. If shareholder approval is obtained, the Performance Rights will be granted under the Company's Employee Equity Incentive Plan (**EIP**).

### Why is shareholder approval being sought?

This approval is being sought under ASX Listing Rule 10.14, which provides that a listed company may only permit a director of the company to acquire newly issued shares or rights to shares under an employee incentive scheme where that director's participation has been approved by an ordinary resolution of shareholders. Mr Heraghty is covered by ASX Listing Rule 10.14.1 because he is the Managing Director of the Company.

Shareholder approval is only required under ASX Listing Rule 10.14 if new shares may be issued to a director and approval is not required if existing shares are purchased on market to satisfy awards under the EIP, where the terms of the EIP require such on-market purchases. The ordinary shares required to satisfy the proposed grant of Performance Rights to the Group MD and CEO are expected to be purchased on-market by the trust established to hold shares for EIP purposes. However, shareholder approval is sought to preserve flexibility in the event the Board determines to issue shares rather than purchase them on-market when Performance Rights vest and are exercised.

### What is the Group MD and CEO's proposed FY23 LTI grant?

It is proposed that Mr Heraghty will be granted 146,341 Performance Rights. This number was determined by dividing Mr Heraghty's LTI award for FY23 equalling \$1,500,000 by the volume-weighted average price of ordinary shares in the Company sold over five trading days up to and including 24 August 2022 (being \$10.25).

Mr Heraghty's remuneration package for FY23 also includes:

- total fixed remuneration of \$1,500,000 (inclusive of superannuation); and
- short-term incentive (**STI**) equal to a target of \$1,200,000 (and a maximum of \$1,800,000) (paid 70% in cash and 30% in restricted shares, deferred for two years).

Each Performance Right provides Mr Heraghty with the opportunity to receive one fully paid ordinary share in the Company (or an equivalent cash amount), provided certain performance hurdles and service-based vesting conditions are met (as outlined below) and the right is then exercised by Mr Heraghty. As the Performance Rights are part of Mr Heraghty's remuneration, no amount is payable on the grant of Performance Rights or an allocation of ordinary shares if Performance Rights vest and are exercised. The Board retains a discretion to make a cash payment in lieu of an allocation of ordinary shares, which is intended to allow the Board to deal with any rare or exceptional circumstances that arise.

The actual value (if any) that Mr Heraghty will receive from this grant cannot be determined until the end of the three-year performance period, and will depend on matters including the extent to which the performance hurdles are met and the Company's share price at the time of exercise of vested rights.

The Company has decided to grant Mr Heraghty Performance Rights because they create an alignment between Mr Heraghty and shareholders.

Full details of Mr Heraghty's awarded remuneration in respect of FY22 is set out in the Remuneration Report (pages 47 to 77 of the Company's FY22 Annual Report).

## Other key terms of the Performance Rights and the EIP

The following table summarises the other key terms of the Performance Rights and the EIP.

<b>Performance period</b>	Three financial years beginning 3 July 2022.												
<b>Performance hurdles</b>	<p>One half of Mr Heraghty's Performance Rights will be subject to a cumulative normalised earnings per share (<b>EPS</b>) hurdle over the performance period. The remaining half will be subject to a hurdle of normalised return on capital (<b>ROC</b>) averaged over the performance period.</p> <p>The weighting and vesting schedule applied to each performance hurdle is set out below:</p> <table border="1"> <thead> <tr> <th rowspan="2"></th> <th colspan="2">Measures</th> </tr> <tr> <th>Cumulative normalised EPS over the performance period</th> <th>Normalised ROC average over the performance period</th> </tr> </thead> <tbody> <tr> <td><b>Weight</b></td> <td>50%</td> <td>50%</td> </tr> <tr> <td>Proportion that qualifies for delivery in accordance with the vesting period outlined below</td> <td> <p><b>Below threshold:</b> 0% of this portion</p> <p><b>Threshold:</b> 50% of this portion</p> <p><b>Maximum:</b> 100% of this portion</p> <p><b>Straight-line vesting:</b> Between threshold and maximum</p> </td> <td> <p><b>Below 10%:</b> 0% of this portion</p> <p><b>At 10%:</b> 30% of this portion</p> <p><b>At 12%:</b> 50% of this portion</p> <p><b>At 15%:</b> 100% of this portion (Maximum)</p> <p><b>Straight-line vesting:</b> Between threshold and target and then between target and maximum</p> </td> </tr> </tbody> </table>			Measures		Cumulative normalised EPS over the performance period	Normalised ROC average over the performance period	<b>Weight</b>	50%	50%	Proportion that qualifies for delivery in accordance with the vesting period outlined below	<p><b>Below threshold:</b> 0% of this portion</p> <p><b>Threshold:</b> 50% of this portion</p> <p><b>Maximum:</b> 100% of this portion</p> <p><b>Straight-line vesting:</b> Between threshold and maximum</p>	<p><b>Below 10%:</b> 0% of this portion</p> <p><b>At 10%:</b> 30% of this portion</p> <p><b>At 12%:</b> 50% of this portion</p> <p><b>At 15%:</b> 100% of this portion (Maximum)</p> <p><b>Straight-line vesting:</b> Between threshold and target and then between target and maximum</p>
	Measures												
	Cumulative normalised EPS over the performance period	Normalised ROC average over the performance period											
<b>Weight</b>	50%	50%											
Proportion that qualifies for delivery in accordance with the vesting period outlined below	<p><b>Below threshold:</b> 0% of this portion</p> <p><b>Threshold:</b> 50% of this portion</p> <p><b>Maximum:</b> 100% of this portion</p> <p><b>Straight-line vesting:</b> Between threshold and maximum</p>	<p><b>Below 10%:</b> 0% of this portion</p> <p><b>At 10%:</b> 30% of this portion</p> <p><b>At 12%:</b> 50% of this portion</p> <p><b>At 15%:</b> 100% of this portion (Maximum)</p> <p><b>Straight-line vesting:</b> Between threshold and target and then between target and maximum</p>											
	<p>Having regard to the market volatility and the need to set meaningful and stretching performance measures, the Board has determined to set targets based on cumulative normalised EPS, which will be tested at the conclusion of the performance period. The Board has determined an appropriate target range for the purposes of LTI vesting which factors in the more recent headwinds.</p> <p>Historically, the Company has not provided guidance to the market and, in light of current economic uncertainty, does not presently intend to change this practice. As there is a risk that the publication of performance targets could be construed as forward-looking guidance and the targets are also commercially sensitive in nature, the Board has determined it is not appropriate to publish the EPS targets at this time. The Board will, however, disclose the minimum and maximum performance targets at the end of the performance period, once the outcome has been finalised.</p>												
<b>Vesting period</b>	<p>If the performance hurdles are satisfied within the performance period, the Performance Rights will vest over subsequent years in accordance with the following schedule:</p> <table border="1"> <thead> <tr> <th>Time after grant of performance rights:</th> <th>Percentage of performance rights that vest:</th> </tr> </thead> <tbody> <tr> <td>Three years</td> <td>50</td> </tr> <tr> <td>Four years</td> <td>50</td> </tr> </tbody> </table>		Time after grant of performance rights:	Percentage of performance rights that vest:	Three years	50	Four years	50					
Time after grant of performance rights:	Percentage of performance rights that vest:												
Three years	50												
Four years	50												
<b>Testing and time restrictions</b>	<p>Mr Heraghty's Performance Rights will be tested against the performance hurdles at the end of the performance period. Performance Rights will only vest once the Board, in its discretion, determines that the performance hurdles and any other applicable vesting conditions have been satisfied. If the performance hurdles are not met at the vesting date, the Performance Rights will lapse. There is no retesting of performance hurdles under the plan. The Board has discretion to determine that a Performance Right vests prior to the end of the relevant period and retains a discretion to adjust performance-related outcomes.</p>												
<b>Exercise terms</b>	<p>Performance Rights which vest may be exercised (at no cost to Mr Heraghty) at any time up to the date that is eight years after the grant date. Any Performance Rights which are not exercised before that date will lapse.</p>												

## Other key terms of the Performance Rights and the EIP (continued)

<b>Dividends, voting rights and dealings</b>	Performance Rights do not carry voting or dividend rights (until ordinary shares are issued upon vesting and exercise) and are non-transferrable, except in limited circumstances with the consent of the Board. However, for Performance Rights that do vest, the Board has determined that a dividend equivalent payment will be paid by the Company for the period between vesting and exercise of those rights. The dividend equivalent payment (if any) will only become payable once Performance Rights are exercised and will be paid in cash (unless the Board determines otherwise), equal to the value of the dividends inclusive of the value of any applicable imputation credits which applied to the dividends. Unless the Board determines otherwise, no dividend equivalent payment will be made in respect of any vested Performance Rights that have lapsed for any reason.
<b>Prohibition on hedging</b>	Mr Heraghty may not hedge Performance Rights, whether unvested or vested but not yet exercised.
<b>Clawback provisions</b>	The Board has the discretion to adjust Performance Rights (including to zero) where Mr Heraghty has acted fraudulently or dishonestly or is found to be in material breach of his obligations, there is a material misstatement or omission in the financial statements, or the Board determines that circumstances have occurred that have resulted in an unfair benefit to Mr Heraghty.
<b>Cessation of employment</b>	<p>The Board has a broad discretion to determine the treatment of Mr Heraghty's Performance Rights if his employment ceases for any reason.</p> <p>Where the Board does not exercise its discretion, some default treatments will apply. If Mr Heraghty's employment is terminated for cause, all Performance Rights will lapse. If he resigns, all unvested Performance Rights will lapse. In all other cases, Performance Rights will remain on foot and subject to the original terms (including as to testing and vesting) except that the expiry date of the Performance Rights will be the earlier of:</p> <ul style="list-style-type: none"> <li>• in respect of a Performance Right that: <ul style="list-style-type: none"> <li>○ vests in accordance with its terms after the date Mr Heraghty ceases to be an employee, 90 days after the date of vesting; or</li> <li>○ is vested on the date Mr Heraghty cease to be an employee, 90 days after that date; and</li> </ul> </li> <li>• the original expiry date (being eight years after the date of the grant).</li> </ul>
<b>Control event</b>	The Board has a discretion to determine the treatment of Performance Rights on the occurrence of specified change of control events. Unvested Performance Rights will vest on a pro-rata basis where the Board does not exercise its discretion.
<b>Adjustments to Performance Rights</b>	The Board may grant additional Performance Rights or make adjustments it considers appropriate to the terms of a Performance Right in order to ensure that Mr Heraghty does not enjoy a windfall gain or suffer a material detriment as a result of any corporate action by, or capital reconstruction in relation to, the Company, including any return of capital.
<b>Trading Restrictions</b>	Unless the Board determines otherwise, shares allocated on the vesting and exercise of Performance Rights will not be subject to any further trading restrictions other than the Company's Securities Trading Policy and any applicable restrictions imposed by law.

### Additional information required by the ASX Listing Rules

- Mr Heraghty is the only person referred to in ASX Listing Rule 10.14 who is entitled to participate in the EIP.
- If shareholder approval is not obtained, the proposed grant of Performance Rights to the Group MD and CEO will not proceed. This may impact the Company's ability to incentivise the Group MD and CEO and align his interests with those of shareholders. In such circumstances the Board will need to consider alternative remuneration arrangements, including a cash payment, which may be less effective in aligning Mr Heraghty's interests with shareholders.
- The ASX Listing Rules require this Notice of Meeting to state the number and average acquisition price (if any) of securities previously issued to Mr Heraghty under the EIP, since joining the Company in 2015. Mr Heraghty has previously been issued 537,709 Performance Rights and 89,581 Restricted Shares (deferred STI) under the EIP. These securities were granted at no cost to Mr Heraghty.
- If Item 4 is approved, the Performance Rights will be allocated to Mr Heraghty as soon as practicable after the AGM and in any event within 12 months of the meeting.
- Details of any Performance Rights issued under the EIP will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the EIP after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.
- No loan will be made by the Company in relation to the grant of Performance Rights or the allocation or issue to Mr Heraghty of any shares on vesting and exercise of those Performance Rights.
- Approval of this resolution will also result in the Performance Rights granted under the EIP to Mr Heraghty being included as an exception to ASX Listing Rule 7.1. This means the Performance Rights granted under the EIP to Mr Heraghty, and any shares issued pursuant to this approval, will not use up part of the Company's 15% placement capacity available under ASX Listing Rule 7.1.
- Note that a voting exclusion applies to this item.

**The Board (with Mr Heraghty abstaining) unanimously recommends that shareholders vote in favour of the grant of the Performance Rights to the Group MD and CEO.**

## VOTING EXCLUSIONS

### ITEM 2 ADOPTION OF THE REMUNERATION REPORT

Item 2 is connected with the remuneration of the Company's key management personnel (**KMP**). A vote on Item 2 must not be cast, and the Company will disregard any votes cast on Item 2 by or on behalf of:

- (a) a member or a former member of the KMP whose remuneration details are disclosed in the Company's FY22 Remuneration Report, or by any of their closely related parties, regardless of the capacity in which the votes are cast; and
- (b) any person who is a KMP member at the time Item 2 is voted on at the AGM, or by any of their closely related parties, as a proxy,

unless the vote is cast by a person as a proxy for a person entitled to vote in accordance with a direction on the proxy form.

This restriction on voting undirected proxies does not apply to the Chair of the AGM acting as proxy for a person entitled to vote on Item 2 because the Company's proxy appointment expressly authorises the Chair of the AGM to exercise undirected proxies. A closely related party includes close family members and companies the KMP controls.

### ITEM 4 GRANT OF PERFORMANCE RIGHTS TO THE GROUP MD AND CEO, MR ANTHONY HERAGHTY

The Company will disregard any votes cast in favour of Item 4 by or on behalf of the Group MD and CEO (being the only current director who is eligible to participate in the EIP) or any associate of the Group MD and CEO. However, this does not apply to a vote cast in favour of Item 4 by:

- (a) a person as proxy or attorney for a person who is entitled to vote on Item 4, in accordance with the directions given to the proxy or attorney to vote on Item 4 in that way; or
- (b) the Chair of the AGM, as proxy or attorney for a person who is entitled to vote on Item 4, in accordance with a direction given to the Chair to vote on Item 4 as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Item 4; and
  - the holder votes on Item 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, a vote must not be cast on Item 4 by a member of the KMP of the Company at the time Item 2 is voted on at the AGM or a closely related party of a KMP, acting as proxy for a person entitled to vote, if their appointment does not specify the way the proxy is to vote on Item 4. This restriction on voting undirected proxies does not apply to the Chair of the AGM acting as proxy for a person entitled to vote on Item 4 because the Company's proxy appointment expressly authorises the Chair of the AGM to exercise undirected proxies.

Pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), you will be eligible to participate and vote at the AGM if you are registered as a holder of ordinary shares in the Company at **7.00 pm (Sydney time) on Tuesday, 25 October 2022**.

### HOW TO VOTE

To vote at this year's AGM, you can:

- vote in person at the AGM;
- lodge a direct vote **before** the AGM; or
- appoint a proxy **before** the AGM to vote on your behalf at the AGM.

### SUBMIT A DIRECT VOTE BEFORE THE AGM

You may cast a direct vote before the AGM, either online at [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au) or by completing and submitting a Voting Form.

In order to make a valid direct vote, you must complete the voting directions for each item by marking 'For', 'Against' or 'Abstain'. Votes will only be valid for items marked. No vote will be counted for items left blank. However, if the Voting Form is left blank for all items, the Chair will be taken to be your appointed proxy for all items.

In accordance with article 8.23 of the Company's Constitution, the Directors have approved certain rules governing direct voting (**Direct Voting Rules**), a copy of which is available on the Company's website. By submitting a direct vote, you agree to be bound by these rules.

If you cast a direct vote prior to the meeting, you may still attend and vote in person at the meeting. However, your attendance at the meeting will cancel your direct vote unless you instruct the Company or the Company's share registry otherwise.

### APPOINT A PROXY BEFORE THE AGM

You can appoint a proxy to participate and vote on your behalf rather than attending the AGM or casting a direct vote in advance of the meeting. You may appoint a proxy either online at [www.linkmarketservices.com.au](http://www.linkmarketservices.com.au) or by completing and submitting a Voting Form.

A proxy may be an individual or a body corporate, and the proxy need not be a shareholder of the Company. If you are entitled to cast two or more votes, you may nominate two proxies to vote on your behalf at the meeting by completing two separate Voting Forms. If two proxies are appointed, each proxy may be appointed to represent a specified number or proportion of your votes. Fractions of votes will be disregarded. If no such number or proportion is specified, each proxy may exercise half your votes. You must return both Voting Forms together. If you require an additional Voting Form, please contact Link Market Services on +61 1300 724 911.

Votes may be cast 'For' or 'Against' or you may 'Abstain' from voting on a resolution. Unless you direct the proxy how to vote, the proxy may vote as the proxy thinks fit (except as specified in the voting exclusions) or may abstain from voting.

To direct a proxy how to vote on any resolution, mark the appropriate box on the Voting Form or insert the number of shares or percentage of shares that you wish to vote in the appropriate box. A valid voting direction must not exceed the total number of shares held or 100%. If you 'Abstain' from voting your votes will not be counted in computing the required majority on a poll.

If you appoint the Chair as your proxy, or the Chair is taken to be appointed as your proxy, but the appointment does not specify the way to vote on a resolution, then the Chair intends to exercise your votes in favour of all resolutions. In accordance with the Corporations Act, any directed proxies not voted on a poll at the AGM will automatically default to the Chair, who will vote the proxies as directed.

If you appoint a proxy, you may still participate in the meeting. However, your proxy's right to speak and vote will be suspended while you are present at the meeting.

## HOW TO COMPLETE THIS SHAREHOLDER VOTING FORM

### YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

### DIRECT VOTING (BOX A)

If you mark the box under Box A, you are indicating that you wish to vote directly. Please mark "For" or "Against" or "Abstain" for each item. Note, if you mark the "Abstain" box for an item, your vote for that item will not be counted.

If you mark Box A and no direction is given on an item, your vote will be passed to the Chair of the AGM as your proxy for that item.

If you do not mark Box A or Box B, you will be taken to have appointed the person named in the Voting Form as your proxy, and if no person is named, your vote will be passed to the Chair of the AGM as your proxy.

If you mark Box A and Box B, you will be taken to have appointed a proxy and your proxy votes will be counted.

If you lodge a direct vote, and then attend the AGM, your attendance will cancel your direct vote and your votes at the AGM will be counted, unless you advise the Company or Link otherwise.

Custodians and nominees may, with the Share Registry's consent, identify on the Voting Form the total number of votes in each of the categories "For" and "Against" and their votes will be valid. If more than one joint holder votes on a resolution by way of direct vote, only the vote of the joint holder whose name appears first in the register of members is counted.

The Chair's decision as to whether a direct vote is valid is conclusive.

### APPOINTING A PROXY (BOX B)

If you wish to appoint the Chair of the AGM as your proxy, mark Box B. If you wish to appoint someone other than the Chair of the AGM as your proxy, please write the name of that individual or body corporate in Step 1. If your named proxy does not attend the AGM, the Chair of the AGM will be your proxy. If your named proxy attends the AGM but does not vote on a poll on a resolution in accordance with your directions, the Chair of the AGM will become your proxy in respect of that resolution and will vote the proxies as directed. A proxy need not be a shareholder of the Company.

### PROXY VOTING BY THE CHAIR OF THE AGM

On a poll, the Chair of the AGM will vote directed proxies as directed and intends to vote undirected proxies in favour of each item of business. If the Chair of the AGM is your proxy or becomes your proxy by default, and you do not provide voting directions, then by submitting the Voting Form you are expressly authorising the Chair of the AGM to exercise your proxy on all resolutions, including where the resolutions are connected directly or indirectly with the remuneration of KMP.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as they choose. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You may appoint up to two persons as proxies to attend the AGM and vote on a poll. If you wish to appoint two proxies, you should complete two separate Voting Forms and on each form specify the percentage of your voting rights or number of shares that each proxy may exercise. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half of your votes. You must return both Voting Forms together. If you require an additional Voting Form, contact Link Market Services on 1800 170 502 or you may copy this form.

### SIGNING INSTRUCTIONS

You must sign this form as follows in the spaces provided:

**Individual:** where the holding is in one name, the holder must sign.

**Joint Holding:** where the holding is in more than one name, either shareholder may sign.

**Power of Attorney:** to sign under Power of Attorney, you must lodge the Power of Attorney with the registry. If you have not previously lodged this document for notation, please attach a certified photocopy of the Power of Attorney to this form when you return it.

If the company (pursuant to section 204A of the *Corporations Act 2001*) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please indicate the office held by signing in the appropriate place.
