### Directors' Report 30 September 2022

Your directors of Findi Limited (formerly Vortiv Limited) submit herein the interim financial report of the Group for the half year ended 30 September 2022. To comply with the provisions of the Corporation Act 2001, the Director's Report is as follows.

#### Information on directors

The names of each person who has been a director during the half year and to the date of this report are:

Mr Nicholas Smedley	Non-executive Chairman (appointed 12 April 2021)
Mr Simon Vertullo	Non-executive Director (appointed 19 April 2021)
Mr Jason Titman	Non-executive Director (appointed 19 April 2021)

#### Review of operations

The company acquired the remaining 75% of its interest in Transaction Solutions International (India) Private Limited (TSI India) in February 2022, and as a result the balance sheet, profit and loss and cash flows of TSI India have been consolidated into the group's financial statements only from this date, accordingly the comparative information does not include the full consolidated results of TSI.

The group has recorded for the half year a statutory revenue of \$24.387m, and a net profit of \$0.190m representing the consolidated results of TSI India for the full six months ended 30 September 2022.

If TSI India had been consolidated for the half year ended 30 Sept 2021, the pro forma result for the year would have been \$21.38m revenue and EBITDA of \$2.914m compared with \$24.385m revenue and EBITDA of \$6.816m for the six months ended 30 September 2022, representing an increase of \$3.004m in revenue and \$3.901m in EBITDA in the current period.

On 24 October 2022 the company received notice from the State Bank of India (SBI), India's largest commercial bank, that the contract for the supply of 3912 ATMs into several states in India has been extended to 31 December 2023 or until a new contract tender is awarded with new machines deployed. The contract was expected to cease at the end of December 2022 with a tender process to run for the replacement of the ATMs. SBI has elected to extend the existing contract for a further 12 months, with the tender process delayed accordingly. The contract, originally established with SBI in 2012, sees Findi responsible for the supply, installation and maintenance of ATMs which are located across the states of Odisha and Chhatisgarh, Rajasthan, Karnataka and Goa, Gujrat & UT of Daman, Diu, Dadra and Nagar Haveli.

Subsequent to the reporting period, on 18 October 2022 the company announced it had completed a \$2.8mil capital raise via issue of 7,000,000 shares at \$0.40 in order to progress its strategy to provide tailored, scalable payment solutions in India, including the Company's white label ATM licence application and roll out.

On 20 July 2022, the company completed a share consolidation on the basis that every 20 shares be consolidated into one share. This resulted in the company reducing its number of shares on issue from 505,168,603 to 25,258,430.

On 22 August, the company received shareholder approval to change its name from "Vortiv Limited" to "Findi Limited", the purpose of which was to align with the Company strategy.

#### Summary financial results

The operating profit after income tax for the half year ending 30 September 2022 was \$0.190m (September 2021: loss of \$0.395m). The Group recorded statutory revenue for the half year of \$24.387m.

**INDEPENDENT AUDITOR'S REVIEW REPORT  
TO THE MEMBERS OF FINDI LIMITED**

**Conclusion**

We have reviewed the accompanying half-year financial report of Findi Limited] ("the Company") and Controlled Entities ("the Consolidated Entity") which comprises the condensed consolidated statement of financial position as at 30 September 2022, the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other selected explanatory notes, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Findi Limited and Controlled Entities does not comply with the *Corporations Act 2001* including:

- a. Giving a true and fair view of the Findi Limited financial position as at 30 September 2022 and of its performance for the half-year ended on that date; and
- b. Complying with Accounting Standard AASB 134: *Interim Financial Reporting* and *Corporations Regulations 2001*.

**Basis for Conclusion**

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

**Responsibility of the Directors for the Financial Report**

The directors of the Findi Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Consolidated Entity's financial position as at 30 September 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
