Notes to the condensed consolidated financial statements

for the half-year ended 31 December 2022

Note 1 Statement of significant accounting policies

These are the consolidated financial statements and notes of Cycliq Group Limited (Cycliq or the Company) and controlled entities (collectively the Group). Cycliq is a company limited by shares, domiciled and incorporated in Australia.

The financial statements were authorised for issue on 16 February 2023 by the directors of the Company.

a. Basis of preparation

This interim financial report is intended to provide users with an update on the latest annual financial statements of Cycliq Group Limited and its controlled entities. As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Group. It is therefore recommended that this financial report be read in combination with the annual financial statements of the Group for the year ended 30 June 2022 together with any public announcements made during the half-year.

All amounts are presented in Australian Dollars unless otherwise noted. For the purposes of preparing the report, the half year has been treated as a discrete reporting period.

i. Statement of compliance

The half-year financial report is a general-purpose financial report prepared in accordance with the *Corporations Act 2001* and AASB 134 *Interim Financial Reporting*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*. The half-year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

ii. Going concern

The half year financial report has been prepared on a going concern basis which contemplates the continuity of normal business activity, and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The Group incurred a loss for the period of \$54,734 (31 December 2021: \$55,708 loss) and a net operating cash in-flow of \$274,968 (31 December 2021: \$75,714 out-flow). At 31 December 2022 the Group held cash assets of \$1,051,684 with current liabilities of \$1,488,079 (30 June 2022 cash assets of \$1,011,310 with current liabilities of \$1,187,958). These factors indicate a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern. The directors have prepared a cashflow forecast which indicates that the group will have sufficient cashflows to meet all commitments and working capital requirements for the 12-month period from the date of signing this report.

The Directors are confident of the Group's ability to continue as a going concern for the following reasons:

- Management have prepared a cashflow forecast for the next 12 months that indicates the operating cash inflows
 will be sufficient to meet expenses and other financial obligations as and when they are due;
- Management believe Cycliq's market opportunity is significant which the group is continuing to generate revenue;
- Management are confident of generating sufficient revenue from the sale of Fly6, and Fly12 Sport and the complementary purchase opportunities for customers; and
- The ability to raise capital or loans from shareholders or related parties.

Based on the cash flow forecasts and other factors referred to above, the directors are satisfied that the going concern basis of preparation is appropriate for this financial report.

Should the Group's cash flow deviate from the cash flow forecast, a material uncertainty will exist that cast significant doubt on the Group's ability to continue as a going concern and it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in the financial statements.

The financial statements do not include any adjustment relating to the recoverability or classification of recorded asset amounts or to the amounts or classification of liabilities that might be necessary should the Group not be able to continue as a going concern.

iii. Accounting policies

The same accounting policies and methods of computation have been followed in this interim financial report as were applied in the most recent annual financial statements.

Note 1 Statement of significant accounting policies

b. Use of estimates and judgments

The preparation of the interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing these interim financial statements, significant judgements made by management in applying the Company's accounting policies and key sources of estimation uncertainty were the same as those that were applied to the consolidated financial statements as at and for the year ended 30 June 2022.

c. New and amended standards adopted by the Group

A number of new standards, amendments to standards and interpretations issued by AASB which are not yet mandatorily applicable to the Company have not been applied in preparing these financial statements. The Company does not plan to adopt these standards early.

i. Other standards not yet applicable

There are no other standards that are not yet effective and that would be expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

 - (b) give a true and fair view of the financial position as at 31 December 2022 and of the performance for the half-year ended on that date of the Company.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF CYCLIQ GROUP LIMITED

Conclusion

We have reviewed the accompanying half-year financial report of Cycliq Group Limited ("the Company") and Controlled Entities ("the Consolidated Entity") which comprises the condensed consolidated statement of financial position as at 31 December 2022, the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other selected explanatory notes, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Cycliq Group Limited and Controlled Entities does not comply with the *Corporations Act 2001* including:

- a. Giving a true and fair view of the Cycliq Group Limited financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- b. Complying with Accounting Standard AASB 134: *Interim Financial Reporting* and *Corporations Regulations* 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Related to Going Concern

We draw attention to Note 1.a.ii in the financial report, which indicates that the Consolidated Entity incurred a net loss of \$54,734 during the half year ended 31 December 2022. As stated in Note 1.a.ii, these events or conditions, along with other matters as set forth in Note 1.a.ii, indicate that a material uncertainty exists that may cast significant doubt on the Consolidated Entity's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibility of the Directors for the Financial Report

The directors of the Cycliq Group Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
