About the ASX Limited Dividend Reinvestment Plan

ASX Limited (ASX) has established the framework for a Dividend Reinvestment Plan (DRP) to enable Eligible Shareholders to re-invest Dividends in additional Shares in ASX.

Capitalised terms not otherwise defined in this booklet have the same meaning as set out in the Rules in the next section of this booklet.

The Board will determine whether the DRP will apply with respect to each Dividend at the time it considers the declaration of that Dividend. ASX will announce whether the DRP will apply with respect to a Dividend at the same time as that Dividend is announced.

This booklet contains information in relation to the DRP. Please read this booklet carefully. A copy of the Rules of the DRP is included in this booklet, which you should read carefully before deciding whether to participate in the DRP.

Any information provided by ASX in this booklet is of a general nature only and does not take into account your personal circumstances. You should consult your own financial or legal adviser if you are unsure about what is the best option for you. You should also seek your own taxation advice before deciding what is best for you.

Key Points

Reinvestment of Dividends

The DRP offers a convenient way for you to increase your shareholding in ASX by reinvesting some or all of your Dividends in additional Shares in ASX. Shares will be issued or transferred to you at a price based on the market price.

Participation in the DRP is voluntary

You may apply to participate, change your level of participation, or cancel your participation in the DRP at any time and from time to time, provided a sufficient amount of notice is given. Once you elect to participate, your election will remain on foot even if the DRP is suspended by ASX. In some cases, your election may remain on foot even where you sell all your Shares, if you then re-acquire Shares before the next Dividend Record Date. You may wish to update your participation and cancel it to avoid future participation. See the FAQs and Rules for more details.

Tailoring to individual circumstances: receipt of dividends in additional Shares, combination of Shares/cash or cash only

The DRP provides you with flexibility to choose the way in which you receive the benefit of your Dividends in respect to which the DRP applies. If the DRP applies to a Dividend, you will have the option of receiving Shares, a combination of Shares and cash, or cash only.

No additional cost to participate

You do not have to appoint a broker and you do not have to pay fees, brokerage or other administration costs to participate in the DRP.

Residual amounts are carried forward

You will only receive a whole number of Shares under the DRP. Where the Allocation calculation would otherwise result in a fraction of a Share being Allocated to you, the cash amount attributable to that fraction will be retained (without interest) in your DRP account. Unless the Board determines otherwise, any residual amount in your DRP account will be added to your next Dividend in respect of which the DRP applies, for the purposes of calculating the number of Shares Allocated to you under the DRP in respect of that later Dividend.

Shares rank equally

Shares issued under the DRP rank equally with existing Shares from the date of issue, unless the Board determines otherwise.

DRP statement

A DRP statement will be provided to you shortly after the time of a Dividend Payment in respect of which the DRP applies. Your DRP statement will include details of any Shares Allocated to you under the DRP and any residual amount carried forward in your DRP account or any residual amount returned to you.

DRP Rules

The rules of the DRP are set out in the Rules, a copy of which is included in the next section of this booklet. This section of the booklet is only a summary of some of the features of the DRP and those Rules. Nothing in this section of the booklet or the DRP Instruction Form is intended to modify or otherwise affect the Rules.

Where to find the DRP Instruction Form

Frequently Asked Questions (FAQ)

Q. Is participation in the DRP voluntary?

- A.** Yes. If you don't want to participate in the DRP you don't have to do anything, and you will continue to be paid your Dividends in cash. Once you elect to participate, your election will remain on foot even if the DRP is suspended by ASX. In some cases, your election may remain on foot even where you sell all your Shares, if you then re-acquire Shares before the next Dividend Record Date. You may wish to update your participation and cancel it to avoid future participation. See "What happens if I am participating in the DRP and sell some or all of my Shares?" for more details.

Q. Who is eligible to participate in the DRP?

- A.** The Board will determine whether the DRP will apply to a particular Dividend at the time it considers the declaration of that Dividend. You may participate in the DRP if your address on the register of shareholders is in Australia or New Zealand, unless you hold your Shares only on behalf of another person who resides outside Australia and New Zealand. In certain circumstances, the Board may allow participation by persons who reside outside of Australia and New Zealand or hold their Shares for persons who reside outside of Australia and New Zealand.

Q. What do I have to do to participate in the DRP?

- A.** To participate in the DRP you need to complete a DRP Instruction Form and return it to the Share Registry. The Share Registry address is shown in the DRP Instruction Form. You can also complete the DRP Instruction Form electronically on the share registry's website at <https://au.investorcentre.mpms.mufg.com>. Restrictions may apply to your ability to complete the DRP Instruction Form electronically depending on the market value of your holding with the Share Registry.

Q. Can I participate in the DRP in respect of some but not all of my ASX shares?

- A.** Yes. You can nominate a specific number of your Shares on the DRP Instruction Form to participate in the DRP. This is referred to as 'Partial Participation'. In this case, only part of your Dividend will be reinvested in additional Shares when the DRP applies to a Dividend. The Dividend entitlement on the balance of your shareholding that is not participating in the DRP will be paid to you in cash.

Q. When do I have to return my DRP Instruction Form if I want to apply to participate in the DRP?

- A.** For your DRP Instruction Form to be effective for a Dividend in respect to which the DRP applies, it must be received by the Share Registry (either in paper format or completed electronically, if applicable) by 5.00pm Australian Eastern Time on the business day after the Dividend Record Date (or such other time and date set by the Board). If your form is received or completed after this time, it will not become effective until the following Dividend.

Q. Does the DRP apply in respect of every Dividend?

- A.** No. In addition to varying, suspending or terminating the DRP, the Board may at any time determine that the DRP will not apply to a particular Dividend by making an announcement to the market to that effect. ASX will announce to the market whether the DRP applies in respect of a particular Dividend at the same time that the Dividend is announced.

Q. If I make an election of 'Full Participation' under the DRP, will all Shares acquired under the DRP be deemed to participate in the DRP in respect of subsequent Dividends?

- A.** Yes. If you elect 'Full Participation', Shares issued or transferred to you under the DRP will participate in the DRP in respect of subsequent Dividends to which the DRP applies, until you make a change to your DRP participation election.

Q. Am I able to make changes to my DRP participation?

- A.** Yes. You can make changes at any time by notifying the Share Registry using the DRP Instruction Form. For the change to be effective in respect of an upcoming Dividend, your DRP Instruction Form must be received by the Share Registry (either in paper format or completed electronically) by 5.00pm Australian Eastern Time on the business day after the Dividend Record Date (or such other time and date set by the Board).
- Q. What do I need to do if I have a number of shareholdings in ASX?**
- A.** You must complete and lodge a separate DRP Instruction Form for each of your shareholdings registered in different names or with a different Shareholder Reference Number (SRN) or Holder Identification Number (HIN).
- Q. Do I have to pay to participate in the DRP?**
- A.** No. You do not have to pay any brokerage, commission or other administration cost on Shares transferred or issued under the DRP.
- Q. At what price will Shares be issued or transferred to me under the DRP?**
- A.** Shares will be issued or transferred to you under the DRP at the Average Market Price (which is defined in the Rules) for the period designated for pricing Shares issued or transferred under the DRP. The Average Market Price may be reduced by a discount, which the Board may determine from time to time and announce to the market. Since the period for determining the Average Market Price will usually commence after the deadline for the receipt of DRP Instruction Forms, this price will usually not be known at the time by which you will need to decide whether you will be participating in the DRP for the Dividend in question.
- Q. Does participating in the DRP restrict me from selling my Shares?**
- A.** No. Participating in the DRP does not restrict your ability to sell your Shares in ASX.
- Q. What happens if I am participating in the DRP and sell some or all of my Shares?**
- A.** Where you have elected 'Full Participation' and then dispose of some of your Shares, Dividends on all of your remaining participating Shares will continue to be reinvested under the DRP for each Dividend in respect to which the DRP applies. Where you have elected 'Partial Participation' and you dispose of some of your Shares, then unless you have given sufficient notice beforehand, the Shares disposed of will be treated to the extent possible as coming from your Shares that do not participate in the DRP and the balance, if any, will be treated as coming from your Shares that do participate. In each case, if you later acquire more Shares, these will participate in the DRP to the extent indicated in your last DRP Instruction Form. If you have ceased to hold any Shares by the time of a Dividend Record Date, you are deemed to have terminated your participation in the DRP at that Dividend Record Date.
- Q. When will I receive details of Shares issued or transferred to me under the DRP?**
- A.** Following each Dividend payment in respect to which the DRP applies, you will be sent a DRP statement setting out certain information about your participation in the DRP, including the number of Shares Allocated to you under the DRP and the cash balance carried forward on any residual amount of the Dividend after that Allocation (representing a fraction of a Share after the calculation of the number of shares to be Allocated to you under the DRP in relation to that Dividend).
- Q. If I cancel my participation in the DRP or sell my ASX shares, or if ASX terminates the DRP, what happens to any balance in my DRP account?**
- A.** If you cancel your participation in the DRP or sell your Shares, the DRP is terminated or suspended in accordance with the Rules, or a period of 12 months or more has passed since ASX determined that the DRP applies to a Dividend, any residual positive balance in your DRP account will either be paid to you in cash or donated to one or more registered charities selected by the ASX (at the discretion of the Board).
- Q. Can the DRP be varied, suspended or terminated?**
- A.** Yes. The Board may vary, suspend or terminate the DRP at any time by notification to the market.
- Q. What about tax implications?**
- A.** ASX recommends that you obtain professional taxation advice about the consequences of participating in the DRP.

Q. Who is the provider of share registry services to ASX?

- A.** ASX's Share Registry is MUFG Corporate Markets (AU) Limited, formerly known as Link Market Services Limited. Any references to Link Market Services Limited in the Rules should be read as references to MUFG Corporate Markets (AU) Limited.

2. Eligibility to participate

- 2.1. Participation in the DRP is subject to these Rules.
- 2.2. Participation in the DRP:
 - (a) is open to all Eligible Shareholders;
 - (b) is optional and voluntary;
 - (c) is not transferable; and
 - (d) may be varied or terminated at any time in accordance with these Rules.
- 2.3. Subject to rules 2.4, 2.5, 2.6 and 2.9, an Eligible Shareholder is, in respect of a particular Dividend:
 - (a) a Shareholder at that Dividend Record Date whose address in ASX's share register is in Australia or New Zealand, unless that person holds Shares only on behalf of another person who resides outside Australia and New Zealand and who would not themselves, if named in ASX share register, be an Eligible Shareholder under rule 2.3(b); or
 - (b) any other Shareholder at that Dividend Record Date in respect of whom the Board is satisfied that, or who has satisfied the Board that:
 - (i) the offer and issue or transfer of Shares under the DRP to that person is lawful and practicable in the jurisdiction in which they reside; and
 - (ii) that person does not hold Shares on behalf of any other person who would not, if named in ASX's share register, be an Eligible Shareholder themselves.
- 2.4. Any Shareholder having a registered address or being resident in a country other than Australia or New Zealand may not be eligible to participate in the DRP because of the legal requirements applying in that country or other factors. The Board has absolute discretion to determine whether any such Shareholder is excluded from participation in the DRP, including because such participation would or may be unacceptable, impracticable, impossible or illegal.
- 2.5. The Board has absolute discretion to refuse to accept any person's Shares for participation or continued participation in the DRP and to suspend or withdraw any person's Shares from participation, including if it considers that the participation of those Shares might lead to:
 - (a) foreign persons or associates of foreign persons acquiring a substantial interest or an aggregate substantial interest in ASX for the purposes of Foreign Acquisitions and Takeovers Act 1975 (Cth);
 - (b) an "unacceptable control situation" or "unacceptable involvement situation" as defined in the constitution of ASX;
 - (c) any breach of any law of Australia, the Listing Rules or the constitution of ASX, or would otherwise prejudice the effective operation of the DRP; or
 - (d) undesirable or impracticable outcomes.
- 2.6. The Board has absolute discretion to make a determination as to whether any particular Shareholder is an Eligible Shareholder within the terms of these Rules, and to change any such determination, as and when it sees fit. In making this determination, the Board may consider factors including:
 - (a) whether a Shareholder obtained any necessary approvals or advices to enable or support that Shareholder's participation in the DRP in the jurisdiction in which that Shareholder resides; and

- (b) any actual or anticipated inconvenience or expense in allowing, or investigating the possibility of allowing, such participation.

2.7. If a Shareholder has more than one holding of Shares or holds shares on behalf of one or more beneficial owners:

- (a) each holding, or the parcel of shares held on behalf of a beneficial owner, will be treated as separate for the purposes of the DRP, such that a separate appropriately completed DRP Instruction Form must be lodged with respect to each separate holding, or parcel held on behalf of a beneficial owner, that is to participate; and
- (b) these Rules will apply as if each such holding, or parcel held on behalf of a beneficial owner, were held by a separate Shareholder, unless the Board determines otherwise.

2.8. If Shares are jointly held by 2 or more Eligible Shareholders, all joint holders of such Shares must sign a single DRP Instruction Form (or it must be appropriately completed electronically, if applicable) for it to be valid. If one or more of the joint holders of the Shares is not an Eligible Shareholder, none of the joint holders can apply to participate in the DRP with respect to the Shares jointly held.

2.9. Notwithstanding anything else in these Rules, a “US person” (as defined in Regulation S of the U.S. Securities Act of 1933), or the estate of any deceased person where ASX has been notified of the estate, is not an Eligible Shareholder.

3. Acceptance and continuation of participation

3.1. Application to participate in the DRP must be made using a DRP Instruction Form.

3.2. Subject to rule 3.4, upon receipt by the Share Registry of:

- (a) an appropriately completed and executed DRP Instruction Form from an Eligible Shareholder; or
- (b) a DRP Instruction Form that has been appropriately completed electronically by an Eligible Shareholder (if applicable),

that Eligible Shareholder’s participation will commence from:

- (c) if the DRP Instruction Form is received by 5.00pm Australian Eastern Time on the Business Day after the Dividend Record Date for a Dividend (or such other time and date set by the Board), that Dividend Record Date; or
- (d) otherwise, the next Dividend Record Date.

3.3. A DRP Instruction Form electing participation in the DRP validly submitted or otherwise accepted by ASX will continue until:

- (a) the Participant varies or terminates its participation in the DRP pursuant to these Rules;
- (b) the termination or suspension of the DRP pursuant to these Rules; or
- (c) the Participant ceases to be an Eligible Shareholder, in which case the DRP Instruction Form will become effective again if and at such time as the Shareholder recommences being an Eligible Shareholder.

3.4. ASX may:

- (a) accept or reject a DRP Instruction Form that is not properly completed or signed; and
- (b) correct any error in, or omission from, a DRP Instruction Form, before acceptance under rule 3.4(a).

3.5. ASX will record, with respect to each Participant:

- (a) the name and address of the Participant (being the name and address in the company’s register of members, from time to time); and

(b) the number of Participating Shares held by the Participant from time to time, and ASX's record will be conclusive evidence of the matters so recorded.

4. Extent of participation

- 4.1. Eligible Shareholders can elect to participate in the DRP for part or all of their holdings of Shares. A DRP Instruction Form electing participation in the DRP must specify whether the Eligible Shareholder elects Full Participation or Partial Participation, and if Partial Participation is specified, the DRP Instruction Form must specify the number of Shares that are to be Participating Shares. A DRP Instruction Form that does not specify whether participation is to be full or partial, that specifies both, or that does not clearly identify the number of Participating Shares or identified a number of Participating Shares in excess of the number of Shares currently held by the Participant (where Partial Participation is chosen), is deemed to be an election for Full Participation.
- 4.2. Under Full Participation, all Shares registered in the Participant's name from time to time, including Shares issued pursuant to the DRP, are Participating Shares subject to:
- (a) the Requirements;
 - (b) any changes to the extent of that Participant's participation; and
 - (c) the Minimum Participating Holding and Maximum Participating Holding (in each case, if any).
- 4.3. Under Partial Participation, only that number of Shares specified in the DRP Instruction Form by the Participant as Participating Shares (being less than the Participant's total shareholding) are subject to the DRP (subject to the Minimum Participating Holding or the Maximum Participating Holding, if any). However, if at the relevant Dividend Record Date the number of Shares held by the Participant is less than the specified number of Participating Shares in the DRP Instruction Form, the DRP will apply to the lesser number of Shares. Where a Shareholder elects Partial Participation, Shares in excess of the number specified as participating that are subsequently acquired by that Shareholder (whether under the DRP or otherwise), will not participate in the DRP unless that Shareholder alters the participation level in accordance with rule 11. The effect of this rule 4.3 is that where the Shareholder has disposed of Shares then acquired more Shares, newly acquired Shares will participate up to the number specified in the latest DRP Instruction Form received by the Share Registry by 5.00pm Australian Eastern Time (or such other time set by the Board) on the Business Day after the relevant Dividend Record Date.
- 4.4. If a shareholding account appearing in ASX's register of members relates to a broker's clearing account, or a trustee or nominee, and the broker, trustee or nominee notifies ASX that the relevant Shares are held for a number of different persons and specifies the number of Shares held for each of such persons (although the names of such persons need not be specified), then each such holding shall, from the date of such notification, be taken to represent a separate Shareholder for the purpose of Full Participation, Partial Participation, the Minimum Participating Holding (if any) and the Maximum Participating Holding (if any), and these Rules will be read and interpreted accordingly.

5. Minimum Participating Holding and Maximum Participating Holding

- 5.1. The Board may determine:
- (a) a minimum permitted number of Participating Shares per Participant (whether in respect of a particular Dividend or Dividends generally); and/or
 - (b) maximum permitted number of Participating Shares per Participant (whether in respect of a particular Dividend or Dividends generally),

from time to time by announcement to the market.

- 5.2. To the extent that a DRP Instruction Form has specified a number of Participating Shares in excess of the prevailing Maximum Participating Holding (including an election of Full Participation where the number of Participating Shares would otherwise exceed that limit), for so long as that limit applies:
- (a) the number of Participating Shares for that Participant for the purposes of these Rules is deemed to be that limit; and
 - (b) on each Dividend Record Date, any Shares specified in the DRP Instruction Form as Participating Shares in excess of that limit (including an election of Full Participation where the number of Participating Shares would otherwise exceed that limit) are deemed not to be Participating Shares, and any Dividend payable in respect of them will be paid by ASX in accordance with its usual arrangements for the payment of Dividends.
- 5.3. To the extent that a DRP Instruction Form has specified a number of Participating Shares less than a prevailing Minimum Participating Holding (including an election of Full Participation where the number of Participating Shares would otherwise be less than that limit), for so long as that limit applies:
- (a) the number of Participating Shares for that Participant for the purposes of these Rules is deemed to be zero; and
 - (b) on each Dividend Record Date, any Shares specified in the DRP Instruction Form as Participating Shares less than that limit (including an election of Full Participation where the number of Participating Shares would otherwise be less than that limit) are deemed not to be Participating Shares, and any Dividend payable in respect of them will be paid by ASX in accordance with its usual arrangements for the payment of Dividends.

6. The effect of applying for participation

- 6.1. By applying to participate in the DRP, the Shareholder:
- (a) warrants to ASX that it is an Eligible Shareholder;
 - (b) authorises ASX (and its officers or agents) to correct any error in, or omission from, any DRP Instruction Form that it submits;
 - (c) acknowledges that ASX may at any time irrevocably determine that the applicant's DRP Instruction Form is valid, in accordance with these Rules, even if the DRP Instruction Form is incomplete, contains errors or is otherwise defective;
 - (d) acknowledges that ASX may reject any DRP Instruction Form;
 - (e) consents to the establishment of a DRP account on its behalf;
 - (f) consents to any residual positive balance produced by the calculation in rule 7.3 remaining in its DRP account rather than being paid, unless otherwise determined by the Board;
 - (g) agrees to the appointment of a trustee or nominee (including a broker or the Share Registry) nominated by ASX as the Participant's agent to acquire Shares, where ASX decides to Allocate Shares to Participants by transferring existing Shares in accordance with rule 8;
 - (h) consents to the donation of the residual positive balance in its DRP account to one or more registered charities, in the circumstances set out in these Rules;
 - (i) acknowledges that ASX may arrange for the DRP to be fully or partially underwritten in respect of any one or more Dividends;
 - (j) acknowledges that neither ASX nor the Share Registry (nor any of their respective officers, employees, representatives or agents) has provided the applicant with investment advice or financial product advice concerning its decision to apply to participate in the DRP and that neither has any obligation to provide this advice;

- (k) agrees to be bound by the constitution of the ASX in relation to any Shares Allocated to it under these Rules;
- (l) acknowledges that Dividends reinvested under the DRP will be assessable for applicable income tax in the same way as cash Dividends;
- (m) acknowledges that neither ASX nor the Share Registry (nor any of their respective officers, employees, representatives or agents) will be liable or responsible to the Shareholder for any loss or disadvantage suffered or incurred by it as a result, directly or indirectly, of the establishment or operation of the DRP or participation in the DRP or in relation to any advice given with respect to participation in the DRP;
- (n) warrants that its participation in the DRP complies with applicable law and that any governmental approvals or consents required for it to participate in the DRP have been obtained; and
- (o) unconditionally agrees to the Rules and agrees not to do any act or thing that would be contrary to the spirit, intention or purpose of the DRP,

in each case, at all times until termination of the DRP or the Participant's participation in the DRP.

7. Reinvestment of Dividends and residual balances

- 7.1. Each Dividend that is payable to a Participant in respect of Participating Shares will be applied by ASX on the Participant's behalf in acquiring additional Shares by issue or transfer in accordance with these Rules.
- 7.2. Any portion of a Participant's Dividend Payment on Participating Shares that:
 - (a) is deductible by ASX as withholding tax; or
 - (b) ASX is entitled or required to withhold or deduct for any reason from the Dividend payable to the Participant,
 will not be applied to acquire or subscribe for Shares under the DRP.
- 7.3. ASX will establish and maintain a DRP account for each Participant. ASX will in respect of each Dividend payable to a Participant:
 - (a) determine the Dividend Payment in respect of that Participant's Participating Shares (including any amount to be withheld or deducted under rule 7.2);
 - (b) credit the amount in rule 7.3(a) to the Participant's DRP account and that payment constitutes payment of the Dividend on the Participant's Participating Shares;
 - (c) determine the maximum whole number of additional Shares that may be acquired under the DRP at the Allocation Price by dividing the amount in the Participant's DRP account by the Allocation Price and rounding that number down to the nearest whole number;
 - (d) on behalf and in the name of the Participant, subscribe for or purchase that number of Shares and debit the Participant's DRP account with the total of the price for the Allocated Shares; and
 - (e) subject to these Rules, retain in the Participant's DRP account, without interest, any accruing cash balance remaining (rounded down to the nearest cent unless and until the cash balance is applied in accordance with these Rules), unless the Board determines otherwise.
- 7.4. Except as set out in these Rules, as required by law or as determined by the Board, neither a Participant's DRP account nor any amount credited to it is transferrable.
- 7.5. Where:
 - (a) the DRP is terminated or suspended by ASX pursuant to these Rules;
 - (b) 12 months has passed since ASX determined that the DRP applies to a Dividend; or

(c) the Participant ceases to participate in the DRP for any reason,
any residual positive balance referred to in rule 7.3(e) remaining in that Participant's DRP account will either be paid to the Participant in cash or donated to one or more registered charities selected by the ASX (at the discretion of the Board). Participants will not be issued with a receipt in relation to such a donation.

7.6. Shares are Allocated under the DRP at the Allocation Price. The Allocation Price is the Average Market Price for the Pricing Period, less the Discount (if any) rounded to the nearest cent.

7.7. A Discount (if any) or Pricing Period may be different from one Dividend to the next, and either may be determined or varied by announcement to the market at any time, but any such variation will not apply to Dividends already announced.

8. Allocation of Shares

8.1. ASX may, in its discretion, either issue new Shares or cause existing Shares to be acquired for transfer to Participants (or undertake a combination of both options), to satisfy its obligations under these Rules.

8.2. If ASX determines to cause the transfer of Shares to Participants, those Shares may be acquired in the market or otherwise in such manner as ASX considers appropriate.

8.3. All Shares newly issued under the DRP will, from the date of Allocation, rank equally in all respects with existing Shares unless the Board determines that they are not to participate in either or both of:

(a) the next Dividend paid; or

(b) any offer of Shares open when the Shares are issued under the DRP.

8.4. Shares Allocated pursuant to the DRP will be registered on the share register on which the Participant already holds Shares or if the Participant holds Shares on more than one share register, on the share register that ASX determines.

8.5. ASX will make an application promptly after each Allocation of newly issued Shares for quotation of those Shares on the Exchange (if required).

8.6. Shares will not be issued under the DRP if the issue would breach a provision of any applicable law.

9. Underwriting

9.1. The Board may, in its absolute discretion, choose to partially or fully underwrite the DRP in respect of any Dividend with one or more underwriters.

10. DRP statements

10.1. On or as soon as practicable after each Dividend Payment Date, ASX will forward a statement to each Participant detailing information including:

(a) the number of the Participant's Participating Shares as at the relevant Dividend Record Date;

(b) the amount of the relevant Dividend Payment in respect of the Participant's Participating Shares (including any amounts withheld or deducted from the Dividend payable);

(c) the number of Shares Allocated and the Allocation Price of each Share Allocated to the Participant under these Rules and the date of Allocation of those Shares;

(d) the remainder of the Dividend Payment on the Participant's Participating Shares not applied towards Shares under the DRP (if any) and retained in the Participant's DRP account;

(e) the Participant's total holding of Shares after Allocation;

(f) the franked amount (if any) of the Dividend Payment and the franking credit (if any) attached to the Dividend; and

- (g) any other matters required by law to be included in a statement confirming a transaction of this nature.

11. Variation or termination of participation

- 11.1. A Participant may at any time give written notice to ASX via the Share Registry using a DRP Instruction Form to:
 - (a) increase or decrease the number of Shares participating in the DRP (including by varying participation for Partial Participation to Full Participation, or vice versa); or
 - (b) terminate its participation in the DRP,
 in which case the alteration or termination takes effect in accordance with rule 3.2.
- 11.2. If a Participant increases the level of participation in the DRP to Full Participation, rule 4.2 applies.
- 11.3. If a Participant decreases the level of participation in the DRP or increases the level of participation in the DRP to a level below Full Participation, rule 4.3 applies.
- 11.4. If a Participant dies, participation in the DRP terminates upon receipt by ASX of written notice of the death. If a Participant is declared bankrupt or is wound-up, participation in the DRP terminates upon receipt by ASX of a notification of bankruptcy or winding-up from the Participant or the Participant's trustee in bankruptcy or liquidator, as the case may be. The death, bankruptcy or winding-up of 1 or more joint holders does not automatically terminate participation provided the remaining holder or all remaining joint holders are Eligible Shareholders.
- 11.5. Following termination of participation for whatever reason, (including termination of the DRP under rule 13) if the Participant or the Participant's legal representative requests a statement of the Participant's DRP account made out to the date of termination, ASX will provide that statement.

12. Reduction or termination of participation where no notice is given

- 12.1. Where all of a Participant's Shares are Participating Shares and the Participant disposes of some of those Shares, then subject to rule 11.1, the remaining Shares held by the Participant continue to be Participating Shares.
- 12.2. Where only some of a Participant's Shares are Participating Shares and the Participant disposes of part of the Participant's Shares, then unless the Participant advises ASX via the Share Registry otherwise in writing at least 5 Trading Days prior to the disposal, the Shares disposed of will, to the extent possible:
 - (a) first, reduce the number of Shares that are not Participating Shares that the Participant holds (if any); and
 - (b) secondly, reduce the number of Participating Shares that the Participant holds (if any).
- 12.3. Where a Participant disposes of all Shares without notifying ASX via the Share Registry of termination of participation and the Participant is not registered as a holder of any Shares on the following Dividend Record Date, the Participant is deemed to have terminated participation in the DRP with respect to the shareholding effective on that following Dividend Record Date.
- 12.4. For the purpose of this rule 12, a Participant 'disposes' of Shares if the Participant holds fewer Shares on a Dividend Record Date than the Participant held on the preceding Dividend Record Date.

13. Variation, suspension and termination of the DRP or these Rules

- 13.1. The DRP or these Rules may be varied, suspended or terminated by the Board at any time by announcement to the market. Following suspension, the DRP or these Rules may be reinstated by the Board at any time by announcement to the market. The DRP and these Rules may be varied, suspended and reinstated more than once.
- 13.2. Without limiting its power under rule 13.1, the Board may, at any time, determine that the DRP will not apply to a particular Dividend by making an announcement to the market to that effect before the Dividend Record Date for the Dividend. A determination under this rule 13.2 suspends the DRP applying only to the Dividend to which the determination applies and the DRP will be taken to be reinstated immediately following the Dividend Payment

Date of that Dividend, unless the Board determines otherwise. For the avoidance of doubt, where ASX has announced that the DRP will operate in respect of a Dividend, the Board retains the discretion to suspend the DRP in respect of that Dividend at any time prior to the Dividend Payment Date.

- 13.3. The variation, suspension, termination or reinstatement takes effect on the date specified by the Board and the variation, suspension, termination or reinstatement does not give rise to any liability on the part of, or right or action against, the Board or ASX or its officers, employees or agents.
- 13.4. If the DRP or these Rules are varied, a Participant continues to participate under the DRP and these Rules in their varied form unless the Participant terminates its participation in the DRP by submitting an appropriately completed DRP Instruction Form in accordance with these Rules.
- 13.5. If the DRP is suspended, an election as to participation in the DRP will also be suspended and all Shares are deemed to be non-Participating Shares for the purpose of any Dividend paid while the DRP is suspended. Upon reinstatement of the DRP, unless the Board determines otherwise, all prior elections are reinstated subject to any DRP Instruction Form validly submitted by the Shareholder by 5.00pm Australian Eastern Time on the Business Day after the next Dividend Record Date (or such other time and date set by the Board) after the reinstatement of the DRP.

14. Costs to Participants

- 14.1. No brokerage, commission, or other transaction costs are payable by Participants in respect of Shares Allocated under the DRP. ASX may, to the extent permitted by law, apply its funds in the payment of brokerage, commission or other transaction costs in respect of Shares Allocated under the DRP.

15. Applications and other notices

- 15.1. Applications and notices to ASX must be:
 - (a) in writing; or
 - (b) submitted through the electronic platform provided for this purpose by the Share Registry (where permitted by the Share Registry),and must comply with any form requirements or instructions provided with the application or notice and the terms and conditions of the electronic platform (if any).
- 15.2. Applications and notices are effective upon receipt by ASX via the Share Registry subject to these Rules.
- 15.3. The accidental omission by ASX or the Board to give any notice under these Rules to any Shareholder, the Exchange or any other person under these Rules will not invalidate any act, matter or thing.

16. Taxation

- 16.1. Neither the Board, ASX nor its officers, employees or agents:
 - (a) take any responsibility or assume any liability for, or as a consequence of, the tax liabilities of any person in connection with the DRP; nor
 - (b) represent or warrant that any person will gain any taxation advantage, or will not incur a taxation liability or disadvantage, as a result of participation in the DRP.

17. General

- 17.1. Any Dividend payable on Participating Shares that ASX is entitled to retain as a result of a charge or lien in favour of ASX in accordance with the constitution of ASX, or other requirement of law, is not available for the purpose of participating in the DRP.
- 17.2. The Board may:
 - (a) implement the DRP in the manner the Board thinks fit;

- (b) settle any difficulty, anomaly or dispute which may arise either generally or in a particular case in connection with, or by reason of, the operation of the DRP or these Rules as the Board thinks fit, whether generally or in relation to any Shareholder or DRP account or any Shares and the determination of the Board is conclusive and binding on all relevant Shareholders and other persons to whom the determination relates;
 - (c) exercise powers, discretions, authorities and functions (including any power to make a choice, decision, determination or resolution) of ASX under these Rules; and
 - (d) delegate any of its powers, discretions, authorities or functions under these Rules to any person or persons, including the Share Registry.
- 17.3. Neither ASX nor any officer, employee, agent or adviser of ASX is liable or responsible to any Participant for any loss or alleged loss or disadvantage suffered or incurred by a Participant as a result, directly or indirectly, of any one or more of:
- (a) the establishment or operation of the DRP;
 - (b) participation in the DRP; or
 - (c) any advice given with respect to participation in the DRP by any other person.
- 17.4. Except as required by law, if ASX is notified in connection with the DRP that any Shares are held for one or more different persons or beneficial owners, ASX is not required to act upon, use or recognise this information for any purpose other than to treat the relevant Shares as separate holdings or parcels held by separate Shareholders to the extent required under these Rules.
- 17.5. The DRP, its operation and these Rules are governed by the laws of the State of New South Wales and each Shareholder submits to the jurisdiction of the Courts of that State and the Courts which may hear appeals from those Courts.
- 17.6. Despite anything else in these Rules, the Listing Rules and the Corporations Act 2001 (Cth) prevail to the extent of any inconsistency with these Rules.
