ASX response to the 2026 RBA Financial Stability Standards Assessment

ASX acknowledges today's release of the Reserve Bank of Australia's (RBA) 2026 Financial Stability Standards (FSS) Assessment of ASX's clearing and settlement (CS) facilities. The Assessment covers the period from 1 July 2025 to 30 June 2026.

ASX Managing Director and Chief Executive Officer Anthony Attia said:

"The Reserve Bank of Australia's assessment recognises the progress ASX has made, including stronger CHES resiliency, the safe delivery of CHES Release 1 and improved ratings across several areas of clearing and settlement. It also makes clear that there is more to do.

"Our focus is on delivering the improvements we have committed to through our technology and transformation initiatives, and on continuing to rebuild trust through consistent execution."
