

ASX Investment Products Compliance ETP update - June 2025

Updates to the Agreement for Use of Electronic Lodgement Facility and Entity Details Facility ('ASX Online Agreement') for AQUA Product Issuers

This update is to inform AQUA Product Issuers that ASX is making changes to the ASX Online Agreement (as set out in ASX Listing Rule Guidance Note 20 ASX Online) that applies to AQUA Product Issuers.

The changes are being made in response to the recently introduced statutory tort for serious invasions of privacy under the *Privacy Act 1988* (Cth). ASX reminds AQUA Product Issuers of their privacy obligations when submitting announcements for release on the market announcements platform.

AQUA Product Issuers are also reminded that the release of announcements submitted by AQUA Product Issuers will commence at or about 8.20am AEST.

Mark-ups comparing the updated ASX Online Agreement to the current version is available here.

Subject to any feedback from regulatory agencies, the updated ASX Online Agreement is proposed to take effect from 26 June 2025. The ASX Online Agreement will be able to be accessed via ASX Online and on the ASX Listing Rules page.
