

## ASX CHESSE Replacement – Independent Assessment of ASX’s Assurance Program – June 23 Report

Today we published the fourth independent expert report on the assessment of ASX’s Assurance Program for the implementation of the CHESSE Replacement Project.

The objective of this report is to provide an update on the status of remedial actions from the previous (31 December 2022) report and the progress of assurance activities in the period. The report also includes an update on the trade outage independent expert review recommendations relevant to the CHESSE Replacement Project.

This report is a continuation of the six monthly independent expert reviews performed over the CHESSE Replacement Assurance Program, with assessment outcomes reported publicly.

ASX invites you to read the report.
