

CHESS Release 1: AMO July Patch Release Notes & Updated Issues Log and User Technical Documentation

ASX is pleased to advise that the **CHESS Release 1 AMO Readiness July Patch Release Notes** are now available.

These Release Notes detail the functionalities and improvements deployed to the CHESS Release 1 ITE, including enablement of the Alternate File Ingestion Interface (AFII) and various known issue fixes:

- [CHESS Release 1 AMO Readiness July Patch Release Notes](#)
- [CHESS Release 1 Known Issues Log](#)

Accompanying the above, an updated version of the **CHESS Release 1 AMO User Technical Documentation** is linked below.

Version 1.4 of the AMO User Technical Documentation provides amendments based on customer feedback and fixes included in the AMO Readiness July Patch Release.

This document is intended for technical staff of AMOs and their Software Providers who should refer to Version 1.4 of the AMO User Technical Documentation, to complete their CHESS Project Release 1 software Build and Test activities in preparation for AMO Accreditation.
