

## CHESS Release 1 AMO Parallel Test Guide now available

We are pleased to advise that the **CHESS Release 1 AMO Parallel Test Guide** ('Guide') is now available.

The purpose of this Guide is to provide Approved Market Operators ('AMOs') and their software providers with details on what is required from them to facilitate and participate in the AMO Parallel Test phase for CHESS Release 1.

The Guide is intended for AMOs who are participating in the AMO Parallel Test phase and Clearing Participants ('CPs') who have requested inclusion in the AMO Parallel Test outcomes. Should CPs who have not yet requested inclusion in this optional phase wish to do so, please reach out to your Stakeholder Engagement representative by Friday 3 October 2025.

The Guide describes:

- key activities and expected results for the AMO Parallel Test phase, including entry and exit criteria
- outcomes that will be shared with AMOs, and with those CPs who have optionally requested to receive the AMO Parallel Test outcomes.
