CHESSE Replacement Project update - ASX half year results

Today, ASX released its 1H24 financial results. The presentation included an update on the CHESSE Replacement Project, which covered:

- the project's transition into the next phase of detailed design and implementation; and
- increased stakeholder engagement, including a formal consultation paper in the first quarter of 2024, supported by the introduction of several working groups reporting into the CHESSE Replacement Technical Committee.

You can view the investor presentation [here](#). Further detail was also provided in the CEO speech which you can read [here](#).

Please direct any questions you may have to CHESSEReplacement@asx.com.au.
