

CHESS Replacement project update – ASX half year results

Today, ASX released its 1H23 financial results and the presentation included an update on the CHESS Replacement Project. As a quick summary, the update covered:

- Establishment of the CHESS Replacement Technical Committee
- Development of the first phase of CHESS Replacement project roadmap: this includes the milestone to announce the solution design targeted for quarter ending December 2023
- Announcement of the CHESS Replacement Partnership Program to support stakeholder participation for the successful progress and completion of the project

You can view the investor presentation [here](#) with the relevant information on pages 6-8. Further detail was also provided in the CEO speech which you can read [here](#).
