CHESS Release 1 - end of week update

We are pleased to announce that ASX Clear and ASX Settlement (ASX) has successfully completed the first week of Go-Live of CHESS Release 1.

We would like to thank all of those involved for their contributions to this critical CHESS Project milestone.

The new service has achieved the following:

- 100% uptime
- over 18.5 million trades received.

Next steps for the new Clearing Service

- ASX will continue to monitor the new Clearing Service under the Hypercare arrangements. Further information on Hypercare can be located in the [CHESS Release 1 Cutover Runbook](#).
- Continue to work to resolve the remaining issues noted in the [CHESS Release 1 Known Issues Log](#).

Please note that these documents will be accessible from the [ASX Stakeholder Engagement](#) page and may require [ASX Online](#) authentication. You will need your ASX Online credentials to access them. If you do not have an ASX Online account, please contact your organisation's Enterprise Administrator or reach out to the [ASX Technical Support Team](#) if your organisation does not have one.

Should you have any questions, feedback, or additional considerations, please email the [CHESS Stakeholder Engagement Team](#) or contact your Stakeholder Engagement representative directly.

Kind regards,
The CHESS Project Team
