CHESS Release 1 - health checks complete

We are pleased to confirm that ASX has successfully completed the CHESS Release 1 Clearing Service health checks, and the new Clearing Service is confirmed to be operating as planned. ASX has commenced releasing held EIS messages, and BAU trading and clearing activities are operating normally.

ASX would like to take this opportunity to sincerely thank the market for their continued support throughout this important phase of the CHESS Project.

Next steps for the new Clearing Service

- ASX will continue to monitor the new Clearing Service under Hypercare arrangements noted in the [CHESS Release 1 Cutover Runbook](#).
- ASX will provide further updates today to confirm the commencement of Batch Settlement and End of Day processing. Any known issues identified will be published in the [CHESS Release 1 Known Issues Log](#) as required.

Please note that these documents will be accessible from the [ASX Stakeholder Engagement page](#) and may require [ASX Online](#) authentication. You will need your ASX Online credentials to access it. If you do not have an ASX Online account, please contact your organisation's Enterprise Administrator or reach out to the [ASX Technical Engagement Team](#) or contact your Stakeholder Engagement representative directly.

Should you have any questions, feedback, or additional considerations, please email the [CHESS Stakeholder Engagement Team](#) or contact your Stakeholder Engagement representative directly.

Kind regards,
The CHESS Project Team
