CHESS Release 1 AMO Parallel Test - Release Notes now available

We are pleased to advise that the CHESS Release 1 AMO Parallel Test Release Notes ('Release Notes') are now available.

The purpose of these Release Notes is to provide stakeholders, particularly Approved Market Operators (AMOs) and their Software Providers, with a clear reference on the activities, requirements, functionality and supporting resources for the AMO Parallel Test phase of CHESS Release 1. An additional section has been included within the Release Notes specifically for Clearing Participants who have optionally elected to be included in this phase.

The Release Notes accompany the [CHESS Release 1 AMO Parallel Test Guide](#), which was published in September 2025.
