ASX
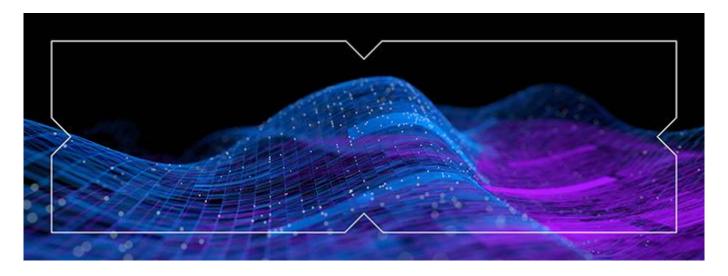

CHESS Release 1 Implementation Dress Rehearsal 2 Runbook now available

We are pleased to advise that the **CHESS Release 1 Implementation Dress Rehearsal 2 (IDR2) Runbook** ('Runbook') is now available.

The purpose of this Runbook is to outline the activities that will take place over IDR2, including key milestones and communication approach. Its objective is to ensure that go-live is delivered safely, efficiently and effectively.

The Runbook also contains key information on:

- IDR2 scope
- governance model and task tracking
- incident management process
- readiness tracking, entry and exist criteria
- weekend rollback steps
- cutover 'what if' scenarios.
