- before the expiry of the time for giving a notice of appeal, or if a notice of appeal is given in accordance with the ASX Enforcement and Appeals Rulebook, before the appeal is determined.
- [5202] Without limiting Rules [5160] or [5164], ASX may implement and announce a decision to suspend the admission of a Market Participant under Rule [5160], before the expiry of the time for giving a notice of appeal or before the appeal is determined.

Where the Market Participant is considered pursuant to this Section 5 to have contravened the Rules or breached a condition imposed by ASX under the Rules, each partner is jointly and severally liable to pay any penalty imposed and any other sum directed to be paid to ASX and to ensure that any other sanction imposed by ASX (or any Appeal Tribunal) is enforced and implemented.

TERMINATION OF TRADING PERMISSION OR ADMISSION OF SUBSTANTIALLY INACTIVE MARKET PARTICIPANTS

[5400] Where ASX considers that a Market Participant has been:

- (a) substantially inactive in respect of a particular Product for a continuous period of 6 months, ASX may notify the Market Participant that it intends to terminate the Market Participant's Trading Permission in respect of that Product; or
- (b) substantially inactive for a continuous period of 6 months in respect of all Products for which ASX has given it Trading Permission, ASX may notify the Market Participant that it intends to terminate the Market Participant's admission.

[5401] For the purposes of Rules [5400] to [5404], in determining whether a Market Participant is "substantially inactive", ASX may:

- (a) in relation to a potential termination of the Market Participant's Trading Permission in respect of a Product, take into account the number of Market Transactions the Market Participant has entered into on a Trading Platform during that period in respect of that Product; or
- (b) in relation to a potential termination of the Market Participant's admission, take into account the number of Market Transactions the Market Participant has entered into on a Trading Platform during that period in respect of all Products for which ASX has given it Trading Permission.

[5402] On receipt of a notice given under Rule [5400], the Market Participant may make written submissions to ASX explaining why, in its view, the Market Participant's Trading Permission in respect of that Product or its admission (as applicable) should not be terminated. Any written submission must be received by ASX within 10 Business Days following receipt of the notice from ASX, unless ASX grants an extension in writing.

[5403] Where no submission is received by ASX under Rule [5402], ASX may terminate the Market Participant's Trading Permission in respect of that Product or its admission (as applicable) following the end of the 10 Business Day period (or any extension) referred to in that Rule.

[5404] Where a submission is received by ASX under Rule [5402], ASX may terminate the Market Participant's Trading Permission in respect of that Product or its admission (as applicable) if ASX is not satisfied that the Market Participant will cease to be substantially inactive within a further 20 Business Days following the receipt of the submission. If the Market Participant remains substantially inactive during that period, ASX may terminate the Market Participant's Trading Permission in respect of that Product or its admission (as applicable) following the end of that further period.

EFFECT OF TERMINATION ON OBLIGATIONS OF MARKET PARTICIPANT

[5500] Where a Market Participant ceases to be a Market Participant (including as a result of resignation or termination of the admission of the Market Participant) this does not affect any accrued rights which ASX, a Related Body Corporate of ASX or other Market Participants have against the Market Participant or any accrued obligations which the Market Participant has to ASX, a Related Body Corporate of ASX or to other Market Participants.

[5501] Without limiting Rule [5500], after the Market Participant ceases to be a Market Participant under these Rules:

- (a) the Rules continue to apply and ASX will continue to have jurisdiction in respect of the Market Participant concerning any conduct or any failure to comply with the Rules which occurred before the cessation of the admission of the Market Participant, whether that conduct or failure was by the Market Participant or by any other person for whose conduct the Market Participant was responsible;
- (b) the Market Participant continues to be bound by any indemnity given by the Market Participant under these Rules; and
- (c) other Rules continue to apply in respect of the Market Participant to the extent required to give effect to paragraphs (a) and (b).
