 - (iii) to be settled on the same day;
- (b) the Settlement Participant has Transmitted a Valid Single Entry Batch Message under Rule 6.3B.2 in connection with the sell side of the cash contra

transaction and the Message is treated by ASX Settlement as a Single Entry Batch Instruction which has been scheduled for settlement in accordance with Rule 10.9.11; and

- (c) the Settlement Participant seeks to Transmit a Valid Single Entry Batch Message under Rule 6.3B.4 in connection with the buy side of the cash contra transaction which specifies the date on which the Single Entry Batch Instruction referred to in paragraph (b) is scheduled for settlement as the scheduled Settlement Date in respect of the Transfer of Financial Products under the Batch Instruction arising from that Message,

then for the purposes of the Client Trust Deductible Amount which may be specified in the Message referred to in paragraph (c), the consideration from the sell side of the cash contra transaction included in the Client Trust Receivable Amount contained in the Message referred to in paragraph (b) is deemed to have been received by the Settlement Participant (or, if the Settlement Participant is acting as a Settlement Agent for a Clearing Participant for settling Cash Market Transactions, the Clearing Participant) and be held in the Client Trust Account at the time of Transmitting the Message referred to in paragraph (c), notwithstanding that Batch Settlement in respect of the Message referred to in paragraph (b) above has yet to occur.

Where the Message referred to in paragraph (b) is cancelled by the Settlement Participant pursuant to Rule 10.9.12 and the Settlement Participant had included in the Message referred to in paragraph (c) a Client Trust Deductible Amount which pursuant to this Rule 6.3B.4A relied on consideration from the sell side of the cash contra transaction, the Settlement Participant must cancel the Message referred to in paragraph (c) pursuant to Rule 10.9.12 prior to Batch Settlement on the scheduled Settlement Date for that Message.

Note: The ability to include in a Valid Single Entry Batch Message under Rule 6.3B.4 the Client Trust Deductible Amount (or part thereof) in connection with the buy side of the cash contra transaction pursuant to this Rule 6.3B.4A remains subject to the Settlement Participant (or if the Settlement Participant is acting as a Settlement Agent for a Clearing Participant for settling Cash Market Transactions, the Clearing Participant) also being entitled to withdraw that amount from the Client Trust Account under ASX Clear Operating Rule 4.24 in accordance with the ordinary operation of the definition of Client Trust Deductible Amount.

- (b) a Holding (other than the Settlement Account) in connection with the sale of those Financial Products under a Cash Market Transaction, that the Client

Trust Receivable Amount in respect of those Financial Products is paid to the Client Trust Account on the day of the Transfer.

For the purposes of Rule 6.3B.5(a), a Client Trust Receivable Amount included in a Message under Rule 6.3B.2 can be set-off against a Client Trust Deductible Amount included in a Message under Rule 6.3B.4 which is scheduled for settlement on the same day, in accordance with Rule 10.10A.

Introduced 25/05/15

For the purposes of this Rule 6.3B.6, a Client Trust Receivable Amount included in a Message under Rule 6.3B.3 can be set-off against a Client Trust Deductible Amount included in a Message under Rule 6.3B.4 which is scheduled for settlement on the same day, in accordance with Rule 10.10A.
