Rule Number	8.20.1
Date	24/11/2006
ASX Code	TLI
Listed Company	Telstra Corporation Ltd Instalment Receipts
Waiver Number	WLC060387-001
Decision	<p>TSC was granted a waiver of ASTC Settlement Rule 8.20.1 on the following conditions:</p> <ol style="list-style-type: none"> 1. On the condition set out below, ASTC relieves the Issuer from the obligation to comply with ASTC Rule 8.20.1 in respect of the calendar month of November 2006, to the effect that ASTC will not produce and send CHES Holding Statement to each Participant Sponsored Holder of Telstra shares in the form of instalment receipts (IRs) setting out any Holding movement in respect of IRs Holdings of such Holders during that month. 2. The relief is granted on the condition that the Issuer sends to each Holder a Notice in compliance with ASTC 8.9.1 bearing the statement that: "This transaction confirmation is provided in lieu of a CHES Holding Statement".
Basis For Decision	<p>Underlying Policy Waivers would only be considered in very limited circumstances in which Holding Statements and confirmation statements would be despatched very close together and where no other movements (or changes to allotments) of Holdings will occur during the relevant month.</p> <p>Present Application A waiver was granted to TSC on the basis that retail investors will be the recipient of two similar documets within a short timeframe likely to cause confusion.</p> <p>From an Operational review there would not appear to be any detriment nor any fundamental benefit gained by IR Holdrs not receiving an ASTC holding statement, in the circumstances whereby movements will occur post month end of the first business day of December 2006. More specifically, as the commencement of normal settlement trading and the opening of the TLSCA CHES Subregister will occur after the end of November (i.e. on 1 December) no changes to CHES Holdings following allotment will be recorded prior. In summary, CHES Holding Statements prepared in respect of the calendar month of November 2006 would contain no fundamental additional informational.</p> <p>In addition, there also appeared to be a significant expense being incurred by the Commonwealth, Telstra or TSC in the preparation and dispatch of CHES Holdings Statements, for no corresponding benefit to all parties including investors.</p>
