$^4$ ASX is required, under section 792B(2)(c) of the Corporations Act 2001, to refer a matter to ASIC if it has reason to suspect that a person has committed, is committing, or is about to commit a significant contravention of the ASX Group’s operating rules or the Corporations Act. It should be noted that a single referral may relate to more than one potential contravention. It should also be noted that the fact a matter has been referred to ASIC does not necessarily mean that a contravention has been committed or that ASIC will take enforcement proceedings in relation to it.

⁵ Prior to 1 August 2010, ASX was responsible for supervising the ASX and ASX 24 markets and their participants and for monitoring and enforcing compliance with the market rules for those markets. The responsibility for supervising the ASX and ASX 24 markets and their participants was transferred from ASX to ASIC on 1 August 2010 pursuant to the Corporations Amendment (Financial Market Supervision) Act 2010, and the market rules for the ASX and ASX 24 markets were effectively split into market integrity rules administered by ASIC and Operating Rules administered by ASX. However, ASX remains responsible for enforcing any breaches of the former market rules that occurred prior to 1 August 2010.

⁶ Jillian Segal is a member of the ASX Ltd and ASX Compliance Boards.

⁷ Eric Mayne was formerly Chair of the ASX Corporate Governance Council and Chief Supervision Officer, ASX Markets Supervision.
