

ASX POSITION DESCRIPTION

STRATEGY ANALYST

ASX “All Roles Flexible”	
ASX offers mutually beneficial flexible working arrangements for all roles. We recognise that employees need to balance work and personal lives.	
Strategy Analyst	
ASX Opportunity Snapshot	What’s On Offer
Role: Strategy Analyst	The primary objective of this role is to support the Deputy CEO & Chief Strategy Officer by researching, identifying and analysing opportunities for ASX to expand its current service/product offering or increase the efficiency of existing processes.
Reports to: Deputy CEO & Chief Strategy Officer	
People Management: n/a	
Budget: n/a	
Date: August 2017	
Location: Sydney, NSW	
Flexible Role: Yes	

What you’ll do:

- Work with the Deputy CEO and Chief Strategy Officer to research, identify and analyse potential organic and non-organic opportunities to grow existing ASX businesses and look for opportunities to add new businesses consistent with our trusted position in the domestic market
- Analyse the strategic alignment of potential investment opportunities.
- Provide in depth contributions to deliver specific new business opportunities.
- Provide other support to the Deputy CEO & Chief Strategy Officer, and ultimately the CEO on strategies and potential partnerships / investments / M&A including preparation of discussion, board and strategic offsite papers.
- Conduct financial analysis of opportunities including valuations, impact on earnings, balance sheet, funding sources etc.
- Where appropriate, assist in the M&A process including coordination and compilation of the due diligence on potential investments and managing ASX advisors.

What you've done:

- Ability to identify risks, issues and key project impediments and provide realistic solutions / mitigating options
- Previous research and due diligence experience
- Valuation and modelling of business values
- Capital markets experience
- Listed company exposure
- Degree qualified in finance / accounting discipline
- Exposure to the Finance industry

And if you've got some of this, even better:

- Experience in financial technology
- Experience in exchanges / licenced clearing entities

What you need to enjoy and be good at for this role:

- Self-directed
- Strong research skills
- Numeric and financially literate
- Excellent communication skills including presenting to senior management (verbal and written)
- Strategic thinking
- Problem solving
- Commercial thinking
