If you do not specify a percentage or number, each proxy may exercise half of the votes. You must return both Voting Forms together. Ms Segal has made a significant contribution over her 12 years on the ASX Board, including the transition following the ASX-SFE merger, as Chair of the Remuneration Committee, and as a director of ASX Compliance.

The Board and Nomination Committee continue to consider the mix of skills, diversity and experience on the Board in the context of opportunities and challenges facing the Company.

Item 4: Remuneration report

The remuneration report of the Company for the financial year ended 30 June 2015 ('FY15') is set out in ASX's 2015 [Annual Report](#).

The report outlines ASX's executive remuneration framework and the FY15 remuneration outcomes for the ASX Limited Board, the Managing Director and CEO ('CEO'), and senior executives. It also explains changes to ASX's executive remuneration framework from 1 July 2015 ('FY16').

ASX's Chairman informed the 2014 AGM that the Board would engage with shareholders and other stakeholders as part of a broad review of ASX's executive remuneration framework. The Chairman met with a cross-section of shareholders to canvass their views on market practice and the proposed changes.

This review is complete and a new executive remuneration framework is in place for FY16. The framework recognises that development and implementation of the strategy for a major exchange group requires a long-term horizon. The FY16 short-term and long-term incentives for the CEO and his direct reports have been extended to four years, and there is greater use of equity as a deferral mechanism.

The changes to the executive remuneration framework will have no material impact on ASX Group expenses in FY16 and over the initial four-year period.

Full details of the changes are set out on pages 26 and 27 of the remuneration report.

The Chairman will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the remuneration report at the meeting before calling for a vote.

The resolution is advisory only. The Board will continue to consider and take into account the outcome of the vote and feedback from shareholders on the remuneration report when reviewing the Company's remuneration policies.

Board recommendation

The non-executive directors recommend that you vote in favour of this item.

Voting exclusions

ASX will disregard any votes cast on this resolution:

- by or on behalf of a member of the KMP or a KMP's closely related party
- as a proxy by a member of the KMP or a KMP's closely related party unless the vote is cast as a proxy for a person who is entitled to vote on this resolution:
 - in accordance with their directions of how to vote set out in the proxy appointment or
 - by the Chairman pursuant to an express authorisation set out in the proxy appointment.

Item 5: Grant of performance rights to the Managing Director and CEO

Review of FY16 remuneration

ASX announced the changes to Mr Funke Kupper's FY16 remuneration arrangements on 24 June 2015. These changes are the first to Mr Funke Kupper's remuneration since his appointment in October 2011. They followed a comprehensive review of ASX's executive remuneration framework to achieve better alignment with value creation for shareholders.

Under the new arrangements 60%, of Mr Funke Kupper's overall remuneration is at risk. Over 70% of this at risk remuneration will be deferred into either equity ('STI') or performance rights ('LTI').

Mr Funke Kupper's FY16 remuneration is based on a remuneration mix of 40% fixed, 40% STI and 20% LTI:

	FY12 to FY15	FY16
Fixed	\$1,750,000	\$1,750,000
STI	\$1,500,000 (maximum) 50% cash 50% deferred in cash for two years	\$1,750,000 (target) Maximum 150% of target 40% cash 30% deferred in equity for two years 30% deferred in equity for four years
LTI	\$750,000 Fair value	\$875,000 ASX share price (face value)
Total (at target)	\$4,000,000	\$4,375,000

The non-executive directors consider that Mr Funke Kupper's remuneration package (including the proposed grant under the LTI plan) is reasonable and appropriate having regard to the circumstances of the Company and Mr Funke Kupper's responsibilities as CEO.

Further details of the Board's review and the other changes to ASX's FY16 executive remuneration framework are set out in the remuneration report.

Shareholder approval is sought for CEO LTI grant

ASX asks shareholders to consider and vote upon a grant of performance rights to Mr Funke Kupper, ASX's CEO, under the LTI plan.

ASX considers that it is appropriate for shareholders to vote on Mr Funke Kupper's participation in the LTI plan, even though shareholder approval for the grant of performance rights under ASX's LTI plan to Mr Funke Kupper is not required under the Listing Rules because any underlying shares will be purchased on-market.

ASX will not seek shareholder approval for Mr Funke Kupper's receipt of STI deferred into equity. The deferred STI represents an award for past performance and the shares will be purchased on-market.

What changes to the LTI are proposed for FY16?

The key changes to Mr Funke Kupper's LTI grant for FY16 ('FY16 Grant') are set out in the table below:

Notice of Annual General Meeting

30 September 2015

ASX Limited ABN 98 008 624 691

Why has the value of the proposed FY16 Grant increased?

The increase in the maximum value of the proposed FY16 Grant from \$750,000 to \$875,000 reflects a change to the way the number of performance rights to be granted is calculated.

Investors and stakeholders have expressed preference for the transparency of calculating the number of performance rights granted to Mr Funke Kupper using the ASX share price instead of the accounting fair value discounted valuation method (calculated in accordance with AASB 2).

This change decreases the number of performance rights that would otherwise be awarded to Mr Funke Kupper. The CEO's LTI has been increased to reflect the new basis on which it is determined.

How will the proposed FY16 Grant be calculated?

The maximum value of performance rights is \$875,000.

The maximum number of performance rights to be granted is calculated by dividing \$875,000 by the ASX VWAP on the 10 business days preceding 30 September 2015 (the date of the proposed grant). To give shareholders a better understanding of the potential number of shares Mr Funke Kupper could receive, based on ASX's VWAP on the 10 days preceding 31 July 2015 of \$43.41, the maximum number of performance rights that ASX would grant to Mr Funke Kupper would be 20,154.

Each performance right entitles Mr Funke Kupper to receive, upon vesting, one fully paid ASX Limited ordinary share. Performance rights have no entitlement to dividends or voting.

The number of shares that may vest at the end of the performance period (if any) will be determined having regard to the performance criteria described in these explanatory notes.

What is the performance period for the FY16 Grant?

Four years, commencing on 1 October 2015 and ending on 1 October 2019.

What performance conditions apply to the FY16 Grant?

The performance hurdles include internal and external measures. The mix of performance hurdles has changed to 50% EPS and 50% TSR, from 70% EPS and 30% TSR. The vesting scales have also been updated.

EPS performance criteria (50% weighting)

EPS is calculated by dividing the underlying net profit attributable to ASX (statutory NPAT adjusted for the after tax effect of any significant items) by the weighted average number of ordinary shares.

EPS performance is measured over a four-year period, using FY15 as the base year and FY19 as the end year.

EPS performance rights will commence to vest at 5.1% annual compound EPS growth. The Board's assessment was that the previous hurdle of 8.1% was not an appropriate threshold target in the current market conditions. The vesting scale has changed to reflect the re-setting of EPS targets. The Board believes that the new payout schedule for compound annual EPS growth over an extended four-year vesting period provides appropriately challenging stretch targets for management:

EPS growth	EPS performance rights that vest
Less than 5.1% per annum	0%
5.1% per annum	50%
From 5.1% to 10% per annum	50%-100% straight line pro-rata vesting
At or above 10% per annum	100%

TSR performance criteria (50% weighting)

TSR is determined by comparing ASX's performance to the performance of a group of peer companies selected by the Board.

The Board has reduced the number of performance rights which vest at the 51st percentile of the peer group to 25%, down from 50%. This focuses management rewards on greater outperformance of the peer group.

The peer group is ASX 100 companies, excluding property trusts. The change to the peer group provides a broader and more representative comparative peer group for Australian investors.

TSR will be calculated by an external provider as follows:

- performance period 1 October 2015 to 1 October 2019
- TSR calculation will use three-month VWAP up to (and including) the start date and end date of the performance period
- dividends assumed to be re-invested on the ex-dividend date
- ignoring tax and any franking credits (or equivalent).

The Board will determine at the end of the performance period whether ASX has met the performance criteria, based on the calculation performed by an external provider.

The number of performance rights that vest will be determined as follows:

TSR rank	TSR performance rights that vest
Less than 51st percentile	0%
51st percentile	25%
From 51st percentile to 76th percentile	25% - 100% straight line pro-rata vesting
At or above the 76th percentile	100%

ASX Limited ABN 98 008 624 691

When will shares be provided?

If the performance criteria are met, Mr Funke Kupper will be entitled to receive ASX shares at the end of the four-year performance period in October 2019.

What if shareholder approval is not obtained?

If shareholder approval is not obtained, then, subject to the achievement of the performance hurdles described on the previous page, Mr Funke Kupper will receive a cash payment at the end of the four-year performance period in October 2019 equivalent in value to the LTI he would have received had shareholder approval been obtained.

Impact of cessation of employment

Any performance rights granted to Mr Funke Kupper will lapse if his employment is terminated by his resignation, or due to his misconduct or poor performance, or if ASX determines that such action is necessary to protect the financial soundness of ASX (any cash payment equivalent payment would also lapse in these circumstances).

Does the Board have any discretion to clawback or change vesting outcomes?

Yes. The Board has the discretion to change the number of shares provided to Mr Funke Kupper where:

- adverse outcomes have arisen that reduce the original assessment of the performance generating the provision of the benefit
- the Board considers that performance outcomes have been materially impacted by changes to ASX's dividend policy, capital structure, gearing or structure
- where the Board considers not doing so would provide the CEO with an 'inappropriate benefit' under ASX's Clawback Policy
- the Board determines that vesting should increase or decrease by 20%.

The Board will exercise such discretion in a manner that is consistent with supporting sound and effective risk management, protecting ASX's long-term stability, and the creation of long-term shareholder value.

Board recommendation

The non-executive directors recommend that you vote in favour of this item.

ASX will disregard any votes cast on this resolution:

If signed by the shareholder's attorney, the power of attorney must have been previously noted by the registry or a certified copy attached to this form. If executed by a company, the form must be executed in accordance with the Company's constitution and the *Corporations Act 2001* (Cth).

STEP 3

HOW TO COMPLETE THIS VOTING FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: You cannot change ownership of your shares using this form.**

VOTING UNDER BOX A

If you mark Box A you are indicating that you wish to vote directly. Please mark either '**For**', '**Against**' or '**Abstain**' for your vote to be counted.

If no direction is given, or if you complete both Box A and Box B, your vote will be passed to the Chairman of the Meeting as your proxy.

Custodians and nominees may, with the consent of Link Market Services, identify on the Voting Form the total number of votes in each of the categories '**For**', '**Against**' and '**Abstain**' and their votes will be valid.

If you have voted directly, and then you attend the Meeting, your attendance will cancel your direct vote unless you instruct ASX or Link Market Services otherwise.

The Chairman's decision as to whether a direct vote is valid is conclusive.

VOTING UNDER BOX B – APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark Box B. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Voting Forms together. If you require an additional Voting Form, contact Link Market Services on 1300 724 911 or you may copy this form.
