Explanatory note

This chapter sets out the requirements that an entity must satisfy if it proposes a significant change to its activities or floats significant assets.

ASX has issued a Guidance Note on changes to activities.

Change to activities

Proposed change to nature or scale of activities

11.1 If an entity proposes to make a significant change, either directly or indirectly, to the nature or scale of its activities, it must provide full details to ASX as soon as practicable. It must do so in any event before making the change. The following rules apply in relation to the proposed change.

Introduced 1/7/96. Origin: Listing Rule 3S(2)(a), 3S(3).

11.1.1 The entity must give ASX information regarding the change and its effect on future potential earnings, and any information that ASX asks for.

11.1.2 If ASX requires, the entity must get the approval of holders of its ordinary securities and must comply with any requirements of ASX in relation to the notice of meeting. The notice of meeting must include a voting exclusion statement.

Introduced 1/7/96. Origin: Listing Rule 3S(3)(b).

+ See chapter 19 for defined terms.

11.1.3 If ASX requires, the entity must meet the requirements in chapters 1 and 2 as if the entity were applying for admission to the official list.

Introduced 1/7/96. Origin: Listing Rule 3S(3)(c).
Cross reference: ASX Guidance Note. See also rule 3.1.

Change involving main undertaking

11.2 If the significant change involves the entity disposing of its main undertaking, the entity must get the approval of holders of its ordinary securities and must comply with any requirements of ASX in relation to the notice of meeting. The notice of meeting must include a voting exclusion statement. The entity must not enter into an agreement to dispose of its main undertaking unless the agreement is conditional on the entity getting that approval. Rules 11.1.1 and 11.1.3 apply.

Note: This rule substitutes for rule 11.1.2 in the case of an entity disposing of its main undertaking.
Cross reference: rule 12.3.

Suspension

11.3 ASX may suspend quotation of the entity’s securities until the entity has satisfied the requirements of rules 11.1 or 11.2.

Note: If the entity is required to satisfy rule 11.1.2, but not rule 11.1.3, the suspension will normally be lifted after receipt of security holders’ approval. If approval is not obtained the suspension will normally be lifted after the entity has confirmed that it will not change its activities. If the entity is required to satisfy rule 11.1.3 the suspension will not normally be lifted until the entity has met the requirements of chapters 1 and 2.

No disposal of major asset without offer, or approval for no offer

11.4 An entity must not dispose of a major asset if, at the time of the disposal, it is aware that the person acquiring the asset intends to issue or offer securities with a view to becoming listed. The entity must do each of the following if one of its child entities holds the major asset.

- It must not sell securities in the child entity with a view to the child entity becoming listed.
- It must make sure that the child entity does not issue securities with a view to becoming listed.

11.4.1 This rule does not apply in either of the following cases.

(a) The securities, except those to be retained by the entity or child entity, are offered pro rata to holders of ordinary

securities in the listed entity, or in another way that, in ASX’s opinion, is fair in all the circumstances.

(b) Holders of *ordinary securities in the listed entity approve of the *disposal without the offer referred to in rule 11.4.1(a) being made. The notice of meeting must include a *voting exclusion statement.

Introduced 1/7/96. Origin: Listing Rule 3J(2).
