SECTION 6 GENERAL RULES

OPERATION OF RULES AND PROCEDURES

Application and Effect of these Rules

[6000] These Rules form part of the operating rules of the Market Operator for the purposes of the Corporations Act 2001. These Rules should be read in conjunction with:

- (a) the Procedures;
- (b) the ASX Enforcement and Appeals Rulebook; and
- (c) the Corporations Act.

To the extent of any inconsistency between these Rules and the Procedures, these Rules will prevail.

Amended 20/03/17

[6001] These Rules are binding on the Market Operator and Trading Participants in the manner set out in:

- (a) section 793B of the Corporations Act; and
- (b) Rule [6002].

Amended 20/03/17

[6002] These Rules have the effect of a contract under seal between the Market Operator and Trading Participants under which:

- (a) each Trading Participant covenants with the Market Operator and each other Trading Participant to observe the Rules and to perform the obligations which the Rules purport to impose on the Trading Participant, in the manner provided by the Rules; or
- (b) the Market Operator covenants with each Trading Participant to observe the Rules and to perform the obligations which the Rules purport to impose on the Market Operator, in the manner provided by the Rules.

Amended 20/03/17

[6003] The ASX Enforcement and Appeals Rulebook forms part of these Rules where relevant for the purposes of the Corporations Act.

Inconsistency with ASIC Market Integrity Rules

[6010] If there is an inconsistency between the Rules and the ASIC Market Integrity Rules, these Rules will be read down to the extent of the inconsistency.

Procedures

[6020] The Market Operator may from time to time approve written Procedures relating to the operations of the Market Operator and the Market, the conduct of Trading Participants and the structure and operation of electronic communications between the Market Operator and Trading Participants.

Amended 20/03/17

[6021] The Procedures do not form part of these Rules. However, if a Rule requires a person to comply with any part of the Procedures, failure by the person to comply with that part of the Procedures is a contravention of the Rule.

[6022] The Market Operator may approve changes to the Procedures from time to time and must notify Trading Participants of any changes to the Procedures.

Amended 20/03/17

Waiver

[6030] The Market Operator may relieve any person or class of person from the obligation to comply with a provision (other than an indemnity or disclaimer provision) of these Rules, either generally or in a particular case or category, and either unconditionally or subject to such conditions as the Market Operator thinks fit. If any conditions on a waiver are imposed, all of the conditions must be complied with for the waiver to be effective. The Market Operator may withdraw a waiver at any time. Any request by a Trading Participant for a waiver under this Rule [6030] must be in writing.

Amended 20/03/17

[6031] Failure to comply with a condition imposed under Rule [6030] is a contravention of that Rule.

Amended 20/03/17

[6032] The Market Operator may specify a period or specific event during which any relief under Rule [6030] may apply, in which case such relief is limited to such period or event.

Amended 20/03/17

[6033] The Market Operator must establish and maintain a register for recording details of relief granted under Rule [6030] in accordance with the Procedures.

Amended 20/03/17

[6034] A failure by the Market Operator to exercise, or any delay in exercising, any of its rights, powers or remedies (in whole or in part) under the Rules does not operate as a waiver of those rights, powers or remedies upon that or any subsequent occasion, nor does any single or partial exercise of any right, power or remedy prevent any further exercise of that or any other right, power or remedy.

Amended 20/03/17

Procedure 6033 – Waiver

For the purposes of Rule [6033]:

- (a) the register will set out:
 - (i) the date that the relief takes effect;
 - (ii) the person or class of person relieved from the obligation;
 - (iii) the provision to which the relief applies;
 - (iv) brief reasons for the relief; and
 - (v) any conditions that apply to the relief.
- (b) a copy of the information set out in (a) above will be made available on asx.com.au.

EXERCISE OF MARKET OPERATOR POWERS

Exercise and Delegation of Functions and Powers

[6100] Unless the contrary intention appears, powers conferred on the Market Operator by or under these Rules may be exercised by resolution of the board of the Market Operator or by any authorised delegate of the Market Operator.

Amended 20/03/17

[6101] Unless the contrary intention appears, the Market Operator may delegate, either generally or as otherwise provided by the terms of delegation, any of the powers and functions of the Market Operator to any officer or employee of a person carrying out functions for or on behalf of the Market Operator.

Amended 20/03/17

[6102] Where the Market Operator delegates any of its powers or functions to one or more officers or persons in accordance with Rule [6103], those delegates may sub-delegate such of the delegated powers as the Market Operator approves from time to time.

Amended 20/03/17

[6103] If any power or function is delegated:

- (a) performance or exercise by the delegate of the power or function is taken to be performance or exercise by the Market Operator, as the case requires;
- (b) the delegation does not prevent the performance or exercise of the power or function by the Market Operator, as the case requires; and
- (c) where the performance or exercise depends upon the opinion, belief or state of mind of the Market Operator, as the case requires, the power or function may be performed or exercised by the delegate upon the opinion, belief or state of mind of the delegate.

Amended 20/03/17

Multiple Action

[6110] Any action taken or not taken by the Market Operator under any Rule does not restrict the Market Operator or prohibit the Market Operator from taking any other action under, or enforcing:

- (a) the same Rule (including in respect of more than one person); or
- (b) any other Rule,

even if that action or enforcement relates to the same or substantially the same facts or conduct.

Amended 20/03/17

Reference to the Market Operator exercising discretion where it considers “appropriate”

[6120] Where a Rule provides that the Market Operator may act in a manner which it considers "appropriate", when deciding whether or not to act, and how to act, the Market Operator will have regard to:

- (a) the obligations, duties, powers and discretions which the Market Operator has as the holder of, or in connection with, the holding of an Australian market licence under Part 7.2 of the Corporations Act;
- (b) the obligations, duties, powers and discretions which an Approved Clearing Facility has as the holder of, or in connection with the holding of, an Australian CS facility licence under Part 7.3 of the Corporations Act;

Amended 20/03/17

Defects, irregularities and deficiencies

[6130] A decision, resolution, proceeding or act of the Market Operator under these Rules is not invalidated by any:

- (a) defect;
- (b) irregularity; or
- (c) deficiency,

of notice or time unless:

- (d) a Trading Participant concerned by the defect, irregularity or deficiency requests the Market Operator to resolve that the decision, resolution, proceeding or act is invalid;
- (e) the Market Operator reasonably believes that the defect, irregularity or deficiency has caused or may cause substantial injustice which cannot reasonably be avoided; and
- (f) the Market Operator accordingly resolves that the decision, resolution, proceeding or act is invalid.

Amended 20/03/17

[6131] An action or inaction by the Market Operator under the Rules may not be challenged on the ground that a Rule, Procedure, direction, decision or requirement of the Market Operator, or any agreement made by the Market Operator, is ultra vires the Market Operator or otherwise invalid.

Amended 20/03/17

[6132] If any of the provisions of the Rules or the Procedures becomes at any time illegal, invalid or unenforceable in any respect under the law of any jurisdiction, the legality, validity or enforceability of the remaining provisions of the Rules and the Procedures, and the legality, validity or enforceability of the provision under the law of any other jurisdiction is not affected or impaired in any way.

MARKET OPERATOR ACTIONS AS REQUIRED UNDER ASIC MARKET INTEGRITY RULES

- [6200] If ASIC has under the Corporations Act or the ASIC Market Integrity Rules:
- (a) issued a direction to, or otherwise required, a Trading Participant, to take, or not take, certain action in respect of the Market; or
 - (b) issued a direction to, or otherwise required, the Market Operator to take, or not take, certain action in respect of the Market or a Trading Participant,
- the Market Operator may take, or not take, such action as the Market Operator considers appropriate to give effect to, or to comply with, such direction or requirement having regard to Rule [6120], including such action, or non action, as specified in the Procedures.

The fees, and any change to those fees, will take effect from the time notified by the Market Operator to Trading Participants.

Amended 20/03/17

Amended 20/03/17

[6802] The liability of the Market Operator under any Non-Excludable Condition may be limited in the discretion of the Market Operator respectively to:

Nothing in this Rule [6902] or the Procedures prevents documents being sent or given to, or served on, a person in any other manner required or permitted by law.

[6903] A Trading Participant must acquire and maintain an operating e-mail system for the purposes of receiving notices under Rule [6902].

[6904] If under these Rules the Market Operator is to give notice to some or all Trading Participants, accidental omission by the Market Operator to give notice to one or more Trading Participants does not affect the validity or enforceability of any resolution, decision, proceeding or act in connection with which the notice was to be given.

Nothing in Rule [6902] or the Procedures prevents documents being sent or given to, or served on, a person in any other manner required or permitted by law.

For the purpose of Rule [6902] the time and manner in which a notice may be given is as follows:

Notice by:

1. Post is taken to be given on the second Business Day after the document is put in the post, in a stamped envelope or other covering addressed to the recipient;
2. Courier is taken to be given at the time of delivery to the address referred to in Procedure 6901;
3. Facsimile is taken to be given when the sender's facsimile machine indicates a successful transmission to the facsimile number referred to in Procedure 6901;
4. Email, under Procedure 6901 is taken to be given 2 hours after the time the email enters the recipient's information system, unless a response to the contrary is received (e.g. an out of office notification); and

For the purposes of the Rules, a notice given in accordance with Procedure 6901 to a person is received by that person at the time it is taken to be given to that person under this Procedure 6902.
