SCHEDULE 5 DERIVATIVES CLIENT AGREEMENT – MINIMUM TERMS

Under Rules 7.1.1 and 7.1.2 Participants are required to enter into a Client Agreement with their Clients. All Client Agreements must contain terms to the effect of the provisions set out in this schedule, unless indicated otherwise in this schedule or in the Rules.

Participants are advised to seek professional advice as to whether additional terms are appropriate for their relationship with their Clients.

Where the Client is a Market Participant with which the Participant has entered into a Clearing Agreement under Rule 9.1 the Participant is not required to enter into a separate Client Agreement.

S5.1 APPROVED MARKET OPERATOR APPLICATION OF ASX CLEAR'S OPERATING RULES

Upon registration of a Derivatives Market Contract with ASX Clear in the name of a Participant, the Client acknowledges that the Participant incurs obligations to ASX Clear as principal, even though the Derivatives Market Contract may have been entered into on the Client's instructions.

The Client acknowledges that any benefit or right obtained by a Participant upon registration of a Derivatives Market Contract with ASX Clear by novation under the Rules or any other legal result of registration is personal to the Participant and the benefit of that benefit, right or legal result does not pass to the Client. The Client has no rights, whether by way of subrogation or otherwise, against the Approved Listing Market Operator or ASX Clear in relation to any dealings by the Participant (or any other Participant or Market Participant) in Derivatives Market Contracts and Derivatives CCP Contracts.

The Client may choose to terminate this Client Agreement in accordance with clause 11 or by giving instructions to the Participant, indicating that the Client wishes to transfer its Derivatives CCP Contracts to another Participant.

If the Client does not take any action to terminate this Client Agreement and does not give any other instructions to the Participant which would indicate that the Client does not agree to the change of Participant then, on the Effective Date, this Client Agreement will have been taken to be novated to the new Participant and will be binding on all parties as if, on the Effective Date:

- the new Participant is a party to the Client Agreement in substitution for the existing Participant;
- any rights of the existing Participant are transferred to the new Participant; and
- the existing Participant is released by the Client from any obligations arising on or after the Effective Date.

The Client Agreement continues for the benefit of the existing Participant in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation not binding or effective on the Effective Date, then the Client Agreement will continue for the benefit of the existing Participant until such time as the novation is effective, and the existing Participant will hold the benefit of the Client Agreement on trust for the new Participant.

Nothing in this clause 16 will prevent the completion of Derivatives Market Contracts and Derivatives CCP Contracts by the existing Participant where the obligation to complete those contracts arises before the Effective Date and the Client Agreement will continue to apply to the completion of those contracts, notwithstanding the novation of the Client Agreement to the new Participant under this clause 16.
