

ASX CHESSE Replacement Project

Webinar tips

Introduction

ASX will provide information on the ASX CHESSE Replacement project to market stakeholders via webinar from time to time. The forums available via webinar may include Technical Committee meetings and general project updates.

More information on the project is also available on the ASX CHESSE Replacement web page – www.asx.com.au/chessreplacement.

ASX has prepared the following tips to assist in registering for a webinar and once registered, in setting up their PC or mobile device for the optimal webinar experience.

How to register for the Webinar

ASX will announce registration details for each webinar in advance. Registration details may be provided via an ASX Market Notice, an email to interested stakeholders and /or published on the ASX [CHES Replacement web page](#).

ASX will provide a url or link for webinar registration. If you are unable to access the webinar provider's website (GoToWebinar) i.e. the site is blocked by your organisation, please contact your IT support to unblock any firewalls.

To register for the webinar click on the url link provided, or copy it into your internet browser. A registration screen similar to the example shown below will appear:

ASX CHES Replacement - Q4 2017 update

Thu, Dec 14, 2017 3:00 PM - 4:00 PM AEDT

[Show in My Time Zone](#)

ASX invites you to join its Q4 update on the CHES Replacement project by webinar. Topics to be covered include:

- Stakeholder engagement
- ISO 20022 messaging
- Distributed ledger technology (DLT) decision
- Q&A

*Required field

First Name*

Last Name*

Email Address*

City*

Country*

Phone Number*

Organization*

Job Title*

By clicking this button, you submit your information to the webinar organizer, who will use it to communicate with you regarding this event and their other services.

Register

Fill in the required details and click on the register button. You will then see a page similar to the example below appear on your screen.

You're Registered!

ASX CHES Replacement - Q4 2017 update

Thu, Dec 14, 2017 3:00 PM - 4:00 PM AEDT

Add to Calendar ▾

At the time above, [join the webinar](#).

Before joining, be sure to [check system requirements](#) to avoid any connection issues.

A confirmation email with information on how to join the webinar has been sent to you.

Questions or Comments? Contact: CHESReplacement@asx.com.au

To Cancel this Registration

You may [cancel your registration](#) at any time.

Confirmation of your registration

Once you have registered for the webinar you will receive an email to confirm your registration. The email will include details of the webinar, and an event url that you can click on to join the webinar on the day. You can enter the webinar before the advertised start time and you will be placed in a holding pattern prior to the commencement time. Some organisations may wish to have a group of people attend the webinar. You can register once, and use a PC in a meeting room to share the presentation.

Email reminders

Registered attendees will be sent reminder emails prior to the event. A reminder will be sent 1 day before the event, and 2 hours before the event, with repeated information about how to join the webinar.

Technical information

The email will also provide information on how to test your computer to ensure it meets the minimum technical requirements for the event. If you don't receive this email please check with your IT support, as the email from the webinar provider (GoToWebinar) may be blocked by your organisation. Again, please contact your IT support to unblock any firewalls.

Setting up your PC, device

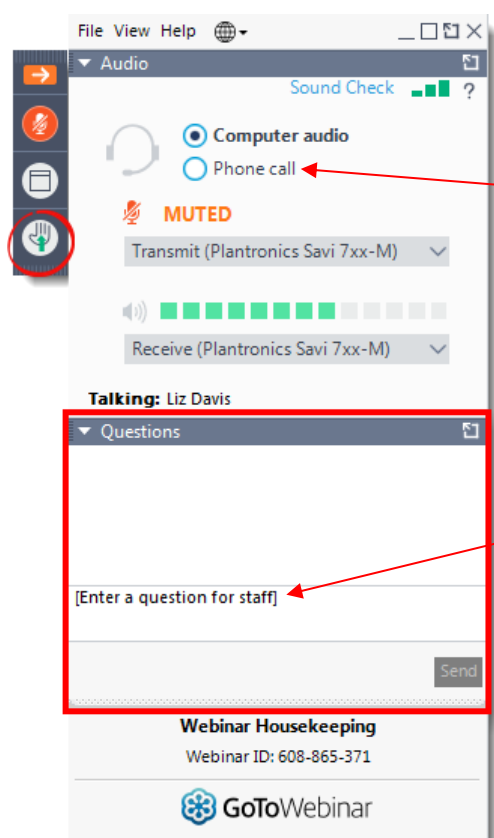

Ensure you have internet access on your device. For best results it is suggested you:

- use a PC with good wired internet connection rather than Wi-Fi
- ensure you have audio (speakers) on your device and turn up the volume
- reduce the number of applications running on your PC at the time of the webinar
- ensure no firewalls are in place

The Webinar format

The Webinar will include visual and audio presentation. The audio can be provided via PC (ensure you have speakers and microphone), or with a dial in device. Depending on the nature of the presentation, ASX may allow audio participation by attendees to allow for questions and answers. Please check the webinar registration details for the audio mode.

The webinar facility may also provide for members to type in Questions that will be visible to ASX during the webinar to read and respond to. Other members will not be able to see the Questions you submit. More information on this functionality is provided below.

Your Participation

- Having trouble hearing via Computer Audio?
Switch to Phone call!
- To submit your text questions and comments use the Questions panel
- For more information, please email chessreplacement@asx.com.au

Webinar recordings

Each webinar will be recorded so it can be viewed at any time. ASX will send an email to individuals who registered for a webinar to advise when the recording is available. The recording will be published on the ASX [CHESS Replacement web page](#).

Copies of the webinar presentation slides will also be made available on this web page.
