Clive Smith is a portfolio manager for Russell Investments. Based in Russell's Sydney office, Clive's responsibilities include overseeing research of Australian fixed income managers as well as managing Russell's Australian fixed income funds, ETFs and cash portfolios. Clive joined Russell in 2003.

Prior to joining Russell, Clive worked with TOWER Asset Management (Aust) Limited for eight years in a variety of research/strategy and portfolio management roles covering Australian fixed income and listed property as well as domestic and global equity markets.

Previously he worked for four years as a money market and fixed interest dealer for Westpac Investment Management Limited in Sydney.

Clive is a member of the CFA Society of Sydney and a senior associate of the Financial Services Institute of Australasia. Clive also serves on the Task Force for Interest Rate Markets and Risk Management at the Financial Services Institute of Australasia.
