Presentation by:

Neil Grimes

Executive General Manager Corporate Development

Neil Grimes is a commercial and international business specialist with considerable international and domestic business operations, commercial negotiations and project management experience. From October 2005 to December 2011, he was the Business Development Manager for Oxiana Limited and held a similar position when Oxiana merged with Zinifex Limited in 2008 to form OZ Minerals, and then later with MMG Limited (2009-10) and Minmetals Resources Limited in Hong Kong (2011). Prior to joining Oxiana, Neil Grimes was with WMC Limited for 15 years and held several positions including Chief Accountant, Supply Superintendent and Commercial Manager at Kambalda Nickel Mines, followed by Finance Manager and Acting Commercial Manager of the Copper-Uranium Division overseeing Olympic Dam Operations and then Business Planning Manager for Copper-Uranium and Fertilisers, and finally Business Manager for the Olympic Dam Expansion Project. Neil Grimes joined Indophil in January 2012. He also served with the Australian Army Reserve for over 30 years, achieving the rank of Lieutenant Colonel and held Commanding Officer roles including time as Commander of the international military forces in the Solomon Islands in 2009.
